C. Any employee who has been determined as qualified for bilingual pay and who is on any leave of absence for at least one calendar month, exclusive of accrued vacation or compensatory time, will be ineligible for bilingual pay until his/her return to work. Upon his/her return to work, the employee will be reinstated into the bilingual pay program and receive his/her $50 monthly stipend effective the first working day of the new calendar month following her/her return to work. The employee will not be required to perform bilingual interpretation services during any period in which he/she are not receiving the bilingual pay stipend.

D. For positions requiring extensive contact with the public or contractors, bilingual pay will be rotated among employees who are deemed as qualified by the City. The Department Director will have the discretion to determine the number of employees and the sections/units that qualify to participate in a “rotation pool.” Rotations will occur every 12 months, effective the first pay period each November. It is the Department Director’s sole discretion to determine the order of rotation among the qualified employees. An employee, who has not performed bilingual duties within the rotation for a period of 24 months or longer, must be re-certified by the City in order to receive bilingual pay.
An employee in a bilingual assignment may request to have the bilingual assignment and corresponding pay removed.
