

PUPPY WELLNESS PROGRAM

CONGRATULATIONS ON ADOPTING YOUR NEW PUPPY!

Welcome to the Puppy Wellness Program. Since it is so crucial for puppies to be socialized properly and learn manners to prevent them from becoming unwanted, the Irvine Animal Care Center requires a \$50 training deposit in addition to the adoption fee for all puppies (up to five months in age) that are adopted. After you complete a puppy training class (basic obedience) within the first six months of adoption, you will receive a refund of \$50. For questions, please contact the Irvine Animal Care Center at 949-724-7740.

In order to receive a refund, you must:

- Complete a Puppy or Basic/Beginner Obedience class within six months of adoption.
- Have your obedience instructor sign the certificate below upon your puppy's graduation.
- Return this completed certificate and a copy of the class graduation certificate in person to the Irvine Animal Care Center.
