The Second in a Series of Exhibitions

ALL PRESENT!

All Present! highlights the talents and voices of emerging Irvine artists. Ranging in style, subject matter, and medium, the artworks in this exhibition reflect a spectrum of identities, friendships, hopes, and aspirations that influence and motivate the young creatives who call Irvine their home.

Artworks selected for exhibition are among the most exceptional and compelling works featured in the Irvine Fine Art Center's annual *High School Art Exhibition*. Exhibiting artists attend Irvine High School, Portola High School, University High School, Crean Lutheran High School, and Beckman High School. The degree of creativity and technical craft of the selected works reflect not only the accomplishment of the young artists, but also the support of the teachers who mentor them.
