

NO-SEW BLANKET

Support animals at the Irvine Animal Care Center by creating and donating no-sew fleece blankets for our center's cats and dogs. Each blanket takes approximately 30 minutes to complete. Purchasing supplies is the responsibility of the donor.

SUPPLIES NEEDED:

- Fleece fabric
- Measuring tape
- Pen
- Scissors

INSTRUCTIONS:

STEP 1

- Cut two 29 inch by 29 inch squares of fleece fabric.

STEP 2

- Line up the two pieces of fleece fabric with the right sides out. Trim the fleece so that the edges are fairly close to being straight lines.

STEP 3

- Measure and cut a four-inch square through both layers of fleece, in each of the corners.

STEP 4

- Cutting through both layers, cut fringe every inch, cutting in from the edge four inches to match the depth of the corners.

STEP 5

- To connect the two pieces of fleece, tie the top and bottom piece of each fringe together in a square knot by tying a left-handed overhand knot and then a right-handed overhand knot.

STEP 6

- Continue tying the pieces of fleece together until you have worked your way around the blanket.

STEP 7

- Your no-sew blanket is now complete and ready to donate to the center. Blankets can be dropped off during regular business hours. For a listing of center hours, visit irvineanimals.org.
