IRVINE CHILD CARE PROJECT

TOPIC: IRVINE CHILD CARE PROJECT RENT RELIEF FOR PROVIDERS

DESCRIPTION: The Coronavirus (COVID-19) Pandemic has had a devastating economic impact on Irvine Child Care Providers (ICCP). In response to the pandemic most ICCP programs closed beginning mid-March. Below is the schedule of ICCP reopening dates:

Agency	Number of Sites	Reopen Date
CDI	10	March 18
Rainbow Rising	14	May 4
Creekers' Club	1	June 8
Dolphin Club	1	June 8
Kids Stuff	2	August 20

Due to the guidance issued by the State of California Community Care Licensing Division, child care sites that remained open or reopened were only able to provide emergency child care to essential workers March through May, which left programs that remained open, serving less than one percent of their typical licensed capacity through May.

Beginning in June, programs were expected to begin to transition from providing “emergency child care” to “enhanced regular operation”. Requirements have been put in place for child care programs that include new health and safety procedures, sanitization requirements, reduced group sizes, and overall capacity. This has required providers to put procedures in place that are time, staff, and supply intensive.

IUSD has provided access to additional space on campus so that more children can be cared for, beyond the current maximum of 28-42 children per site. The State of California Community Care Licensing approved each licensee to utilize these new spaces through a 90-day waiver issued in June 2020. At this time each site has space available to enroll additional children.

At the ICCP Special Meeting held April 6, 2020, the Board approved the waiver of rental payments from ICCP providers for April, May, and June. At the ICCP Regular Meeting held June 8, 2020, the Board approved the waiver of rental payments from ICCP providers for July. At the ICCP Special meeting held July 20, 2020, the Board approved a waiver of 50 percent of rental payments from ICCP providers for August. The ICCP Board directed staff to schedule monthly meetings for the remainder of 2020 to ensure timely discussion of the changing landscape and guidance related to COVID-19 as well as the potential for the waiver of additional rental payments based on updated enrollment and budget information.

Based on data gathered for week six of summer programming, average enrollment across all 28 ICCP sites is at approximately 45 percent of enrollment compared to the same time frame last summer. Yet enrollment at individual sites varies, based on the child care needs of that community. Therefore each ICCP provider is impacted differently. Below is a breakdown of the average enrollment across sites for each agency as a percentage of total enrollment during week six of summer programming in July 2019:

Agency	Week six 2020 enrollment as compared to week three 2019
CDI	45%
Creekers' Club	45%
Dolphin Club	27%
Kids Stuff (reopening August 20, 2020)	0%
Rainbow Rising	55%

Though the cost of providing service has increased due to the new regulations, all ICCP agencies have held to their summer tuition rates published prior to the pandemic.

ICCP's budgeted 2020-21 ending fund balance is currently projected to be \$923,497. This balance reflects all rental waivers that have been approved by the ICCP Board to date.

In order to continue to provide some financial relief, to support child care providers' continued recovery from the economic impact of the COVID-19 pandemic and to help

ensure the availability of continued on-campus child care after this emergency, the following options are provided for the Board's consideration:

Option A: Waiver of 50 percent of rental payments for the month of September 2020 which would be a loss in revenue to ICCP of \$78,870.

Option B: No additional waiver for rental payments, or any portion thereof, beyond August 2020.

Option C: Additional rent relief options as proposed by the Board.

RECOMMENDATION: Approve one of the following options:

Option A: Waiver of 50 percent of rental payments for the month of September 2020 which would be a loss in revenue to ICCP of \$78,870

Option B: No additional waiver for rental payments, or any portion thereof, beyond August 2020.

Option C: Additional rent relief options as proposed by the Board.
