ASPHALT CONCRETE SPECIAL INSPECTION

Reference: City of Irvine Special Inspection Manual

A special inspector, employed by the owner or the registered design professional acting as the owner's agent, and approved by the City of Irvine shall be present during paving operations to verify material deliveries, and to monitor quality during lay down.

The special inspector shall provide a daily report or reports and a final conformance report to the City Inspector pursuant to the City of Irvine Special Inspection Manual.

City inspections shall be performed as defined in Article 12 of the City of Irvine Grading Manual.
