## AND COMMUNITY ACCESS GUIDE

### Dear Irvine Shoppers and Members of the Community:

What do you get when you shop or dine at one of the nearly 50 shopping centers located in Irvine? You get a city recognized for four straight years as the safest city in America. You get a city that is known around the world for its quality educational facilities – from grade school through college. You also get a master-planned city that is one of the most desirable locations to live in Orange County if not the country.

So why would you shop anywhere else? When you SHOP IRVINE, one cent of sales tax for each dollar you spend goes into the City's general fund, which supports city services such as public safety, street and park maintenance, and community planning standards. And with more than 14,000 businesses located in Irvine, you can find almost anything you are looking for within the convenience of your city boundaries.

The Irvine Chamber and the City of Irvine are proud to offer you this publication to help you locate the shops you are looking for as well as the city resources that make your Irvine lifestyle special. The guide's convenient size allows you to store it in a drawer by your phone or in the glove box of your car. We urge you to refer to this guide throughout the year and explore the many treasures Irvine has to offer.

## A MESSAGE FROM THE CITY OF IRVINE

# DISASTER PREPAREDNESS

*Emergency Planning for Home, Work and the Community*

**In Orange County no community is immune from the potential of a disaster. When life threatening incidents occur, like the recent Southern California wildfires, having an emergency plan in place can save lives and provide peace of mind, even during the most trying of times.**

### Start a Family Communication Plan

Be proactive and set up a family communication plan. When a disaster strikes, your family may not be together. Arrange to have each family member contact the same friend or relative. Because local communication may be disrupted during an emergency, it is wise to use an out-of-state contact. Save this phone number on family cell phones or create wallet-sized emergency contact cards for each family member.

### Plan an Evacuation Route

If an emergency evacuation is ordered, be prepared to assemble and move your family. Always keep at least a half tank of gas in your car and learn various routes in and out of Irvine. Establish several evacuation destinations in different directions. Also, become familiar with other forms of transportation. One of these options may become your best evacuation plan. Remember to include pets and an emergency supply kit in your plan. Lastly, before you evacuate, lock up your house and then tune into Irvine radio station 1640 AM for instructions and temporary shelter locations.

**For  
emergency  
information  
and updates,  
tune to  
1640 AM**

### Develop an Emergency Checklist for School, Work and Home

Find out how your employer will communicate with families during an emergency. If you have children, learn about their school's emergency plan and notification procedures. Finally, talk to your neighbors about emergency preparedness; a community working together makes a difference. Enrolling in Irvine's Community Emergency Response Teams (CERT) program is also a great way for neighbors to learn valuable emergency response skills.

### Seek Additional Emergency Planning Information

To access emergency planning resources, visit the Irvine Police Department at [www.irvinepd.org](http://www.irvinepd.org). Scroll down on the navigation menu under Irvine Police Divisions to Emergency Management.

**WELLS  
FARGO**

For over 150 years, customers have counted on the strength and stability of Wells Fargo.

And they'll be counting on us for years to come.

In 1852, Wells Fargo began carrying gold across the West. People knew they could count on a Wells Fargo stagecoach to protect and deliver their valuables. Over 150 years later, Wells Fargo is still that trusted source. In fact, Wells Fargo & Company has been ranked as one of the world's 20 most respected companies for the past four years by *Barron's*. That's why our mission has remained the same: to make the road that leads to your someday a little easier. Talk with Wells Fargo today and see how we can help you reach your someday.

Visit one of our 11 convenient Wells Fargo locations in the City of Irvine.

# Are You Prepared?

The Irvine Police Department encourages you to be prepared for any emergency. The days immediately following a major emergency or disaster are critical. Electricity, gas, water, and telephones may not be working. Police and fire departments will be severely impacted. You should be prepared to be self-sufficient – able to live without running water, electricity and/or gas, and telephone – for at least three days or up to a week following a major emergency.

## Emergency Supplies Checklist

- Water - one gallon per person per day (a week's supply is preferable)
- First aid kit and book
- Food (non-perishable - a week's supply is preferable)
- Can opener (manual)
- Blankets or sleeping bags
- Portable radio, flashlight and spare batteries
- Essential medications and prescription record
- Extra pair of eyeglasses
- Fire extinguisher — A-B-C type
- Food, water and restraint (leash or carrier) for pets
- Cash and change
- Baby supplies
- Large plastic trash bags for waste
- Personal hygiene supplies
- Toilet paper
- Sturdy shoes and change of clothing
- Heavy gloves for clearing debris
- Candles and matches
- Communication kit: paper, pens, stamps
- Axe, shovel, broom
- Adjustable wrench for turning off gas
- Tool kit including a crescent wrench
- Important phone numbers, including out-of-state contact
- Proof of current residency

### Special Needs

- Extra batteries for hearing aids
- Special arrangements for life-support equipment
- Manual wheelchair for power-chair users

# How Can You Prepare for a Disaster?

**Learn life-saving skills and find out what you can do to prepare yourself, your family, and your neighborhood to respond to a disaster.**

**CERT- Community Emergency Response Team** is a FEMA program that teaches:

- Disaster Operations
- Disaster First Aid
- Fire Suppression
- Light Search and Rescue
- Disaster Psychology
- Team Organization

The mission behind CERT is to quickly and effectively organize neighborhood rescue efforts immediately after a disaster when fire, police, medical services, and utilities will be severely impacted or unavailable. CERT members perform Triage, administer First-Aid and conduct Search and Rescue operations.

***Get involved and become part of the solution***

The Emergency Management Section of the Irvine Police Department in cooperation with the Orange County Fire Authority provides CERT training four times a year. This eight-week evening course consists of lecture and hands-on activities including a real life exercise to practice your skills.

There will be four CERT courses in 2009 beginning in March and running through fall. Course schedules will be posted on <http://www.irvinepd.org> in mid December.

Please contact CERT Program Manager Dawna Finley to be placed on the waiting list or for more information **(949) 724-7148** or visit <http://www.cityofirvine.org>

There is no fee for CERT training. Participants must be 18 years old.

# Irvine Unified School District

5050 Barranca Parkway, Irvine, California 92604-4652 / 949.936.5000 / FAX 949.936.5259 / [www.iusd.org](http://www.iusd.org)

Dear Irvine community:

It has been well documented that Irvine schools rate prominently among the top reasons families move to our city. Indeed, Money magazine recently ranked Irvine No. 4 on its list of America's Best Small Cities, citing "topnotch schools" in its rundown of the pros of residency.

The statistics speak for themselves. Irvine Unified School District campuses have earned the label of California Distinguished School 33 times since 1986, and all four of our comprehensive high schools have been recognized at least once. In addition, IUSD is home to 13 National Blue Ribbon Schools, and each year our campuses meet their state goals and earn scores of prestigious awards in art, music, science and athletics.

But test scores and accolades only tell part of the story. IUSD is a place where creativity is nurtured, where momentum is prized far more than stability, and where continuous improvement remains the primary objective. In this community of learners, our teachers and administrators frequently assess and refine effective learning strategies. In turn, our successes have attracted dedicated professionals of the highest caliber who collaborate to create innovative new programs.

In Irvine, young minds receive targeted instruction in the arts and sciences and have access to state-of-the-art technology. Many also participate in athletic programs, clubs and other activities that offer camaraderie and life lessons in addition to mental and physical challenges. Like pieces of a puzzle, all of these components fit together to produce inspired young men and women who are well prepared to be the leaders of tomorrow.

Knowing that children will pass through our system only once, our responsibility is great. But we are not alone on this journey. IUSD is fortunate to serve a community that truly values education, from the parents who emphasize learning and set aside time for their children to read and study, to the business executives, senior citizens and community leaders who are generous with both their time and money. Each correctly recognizes that the quality of life around us is a reflection of what happens in our schools.

While the state fiscal crisis may pose significant challenges, our Board of Education and our staff will continue to use thoughtful research to get the most out of our available resources. At the same time, IUSD relies on the generosity of friends and supporters who donate funds through the Irvine Public Schools Foundation. We urge all who value public education in Irvine to support IPSF's dynamic programs by contributing to this worthwhile organization.

We should be extremely proud of the schools we've established in Irvine. But we also believe our best days are yet to come. Looking ahead, IUSD will continue to strive for continuous improvement by focusing its resources, research and talent to provide the highest quality educational experience we can envision.

Sincerely,

Gwen E. Gross, Ph.D.

Grants for Teachers

## The Irvine Public Schools Foundation supports excellence in education

There is no better barometer for the health and well being of a community than its public education system. When each child is provided with a balanced, quality educational opportunity, we all benefit – businesses, homeowners, students and private citizens.

### **Contributions to the Irvine Public Schools Foundations will provide:**

- **Class size support, to ease the effects of increased class sizes**
- **Funding for additional nurses and health clerks**
- **After-school and summer enrichment classes**
- **Enhanced writing programs**
- **Grants to teachers in the classroom through the Innovative Teaching Awards Program and the PACE Program.**

This year, every donation will be matched dollar-for-dollar thanks to a generous \$900,000 grant from the City of Irvine. You can make a contribution by mail, through online banking, or at our website, [www.ipsf.net](http://www.ipsf.net). On behalf of all our students and teachers, thank you.

**I WILL NOT BE PART OF  
GENERATION XXL.**

We believe you're never too young to learn the importance of balance. That bodies yearn for both cupcakes and kickball. At Kaiser Permanente, we're committed to helping find that balance through exercise and nutritional programs. Learn more at [kp.org](http://kp.org).

**real life,  
real stuff,  
real savings.**

Milk, diapers, toilet paper. The Orange County Register wants to help you save on the stuff you need most.
