

1. Click “Child Resource Center Online Library Catalogue” in center of page
Search keywords by “subject”, “author”, “title” or “anywhere” just like the
public library.

2. Click “enhanced search” to narrow results

- To search a specific collection (e.g. books, music cds, dvds):
 - * Click on “enhanced search”
 - * In the “all materials types” drop down box select “book” (or dvd or music cd)
 - * In the first drop down box select “subject”, the next box type any topic you’d like to search
 - * Examples: game, activity, game, science, literacy, art, jazz, world music, nursery rhymes, or anything else you’re looking for!
- To search the educational toy collection by age and topic:
 - * In the first drop down box select “subject”, in the next box type “toddler toy” or “preschool toy” or “school age toy” (view individual item record for specific age recommendations)
 - * In the second drop down box select “and”, in the next drop down box select “subject”, and in the next box type any topic you’d like to search
 - * Examples: literacy, physical activity, game, science, instrument, animals, or anything else you’re looking for!
