## **MEDICAL EQUIPMENT CHECKOUT**

Dear Irvine Resident,

We know how overwhelming mobility issues can be! The Friends of Outreach, a non-profit group, is pleased to be able to lend medical equipment to you on a temporary basis, until other arrangements can be made. In order to ensure the equipment is available to others, we ask you to return the items within 30 days in a clean and serviceable condition with all parts attached, especially the wheelchair footrests. Under certain circumstances we are able to extend the loan time. If you need the equipment longer, please contact us. Thank you for your cooperation.
