Welcome to the 17th Annual Irvine Global Village Festival!

The Irvine Global Village Festival is in its 17th year with a new home site but with the very same focus as the City's premier showcase for the vibrant diversity of people and cultures. This event, now at the Orange County Great Park, is Orange County's largest multicultural festival, fostering cultural understanding while highlighting outstanding businesses and organizations. We are an international crossroads City, and we welcome you to share, learn, and experience the more than 50 different cultures represented here today.

I hope you enjoy the opportunity to navigate sights, sounds, and tastes from around the world as we come together to embrace our differences and champion our similarities. We are proud to be honored as one of the best places to live in America. The festival celebrates our community as a whole, which contributes to these noteworthy designations.

Planning the Irvine Global Village Festival is a citywide effort. And moving the festival to our fast-growing Great Park has been a wonderful transition. I would like to recognize the Festival Steering Committee for its diligent and tireless efforts. I also want to thank the many community volunteers, cultural organizations, sponsors, and participants whose combined efforts will make this year's event the biggest and best ever.

During the festival, please take time to visit the various stages that will feature remarkable performances of music and dance from around the globe. These stages include the Your Irvine stage, the Orange County Great Park stage, and the Chinese American Mutual Association stage.

On behalf of the Irvine City Council, the Community Services Commission, City staff, and community volunteers, I welcome you to the 17th annual Irvine Global Village Festival. Thank you for joining us in this celebration of our international spirit and our diversity as a community.

Sincerely,
