The City of Irvine, in partnership with Vietnam Veterans of America and Vision2Victory, is proud to welcome *The Wall That Heals*, a traveling replica of the Vietnam Veterans Memorial in Washington, D.C., and the *Global War on Terror Wall of Remembrance*.

A half-scale replica of the original Memorial that rests in Washington, D.C., *The Wall That Heals* tours communities throughout the United States, allowing the souls enshrined on the Memorial to exist once more among family and friends in the peace and comfort of familiar surroundings.

The *Global War on Terror Wall of Remembrance* memorializes the two million veterans and civilians involved in the Global War on Terror. This is the first time these two memorial walls will appear together.

Under the supervision of volunteers, both memorials will remain open for public viewing 24 hours a day from July 18-21.

Exhibits like these would not be possible without the generous support of community members. Donation and volunteer opportunities are listed online at cityofirvine.org/memorialwalls, including the purchase of a 3'x5' flag to be displayed with your name on the Honor Walk of Flags at the park.

Viewing of the memorials is free and open to the public. Information: 949-724-6606 or visit cityofirvine.org/memorialwalls
