Rental Opportunities

Affordable Apartment Units – Locations and the Application Process

To inquire about availability of units and/or put your name on a waiting list, please contact the apartment complexes listed in this brochure. Make sure to complete a rental application as a record of your request. If units are not immediately available, request to be placed on the waiting list. As units become available, the leasing office will contact you. We recommend calling each leasing office periodically to confirm your place on their waiting list. For most affordable two-bedroom units, a two-to four-year wait can be expected. A five-year wait, or longer, is common for three- and four-bedroom units.

Such properties can be found through local realtors, classified ads and college bulletin boards, to name a few possibilities. The Orange County Housing Authority provides rental assistance in Irvine.

Vouchers can be used to subsidize rent in a variety of rental dwellings and locations with almost any property owner who is willing to participate in the program. For more information, visit ochousing.org /renter.asp or call 714-480-2700.
