ROUGH GRADE SOILS

Director of Community Development
Department of Community Development
Building and Safety Division
City of Irvine
One Civic Center Plaza
Irvine, CA 92606-5208

ATTENTION: _____, City Grading Inspector

SUBJECT: Soils Engineer's Certification of Compliance for Earthwork to Rough Grade

REFERENCE PROJECT: GRADING PERMIT NUMBER _____

JOB ADDRESS _____

OWNER _____

GENERAL CONTRACTOR _____

WORK BEGAN _____

WORK COMPLETED _____

In accordance with the Irvine Grading and Excavation Code and the requirements of the Building Code, I certify that I have personally supervised the testing and inspection during placement and compaction of earth fills described in the approved soils report for this project.

It is my judgment that work is complete on this project, as outlined above to rough grade in full compliance with said codes. This certification does not include exact horizontal or vertical control nor dimensions of the earthwork within the purview of others.

BUILDING PAD CERTIFICATION (Complete and initial, only if applicable):

I certify approval of the project building pad to precise grading plan elevations under Precise Grading Permit No. _____. Precise grading of the pad(s) has been completed in substantial conformance with the approved compliance with above referenced codes for:

Unit(s): _____

of Phase(s): _____ **of Tract:** _____,

Lot(s): _____
