

# JOIN OUR FOSTER FAMILY

**KITTENS & PUPPIES  
SLEEP 16 TO 20  
HOURS PER DAY**

*Open your heart and home to an animal in need!  
Foster animals too young for adoption or recovering  
from a medical procedure need a safe, quiet place to  
stay until they're ready for their forever home.*

**YOUNG ANIMALS IN FOSTER CARE  
HAVE A GREATER CHANCE  
OF BEING ADOPTED**

The Irvine Animal Care Center is looking for foster volunteers to open their homes and provide temporary care for young pets. You provide loving support; the Center provides training, supplies and veterinary care. Fostering can last from a few days to several weeks. The more fosters we have, the more animals we can help!
