To City of Irvine:

On behalf of the StormReady Advisory Board, we congratulate the **City of Irvine for NOAA StormReady recognition**. These proactive measures by the city are a result of your vision, leadership, hard work and commitment to your employees and the citizens of Irvine. The citizens should take great pride and comfort in having achieved this status. The National Weather Service appreciates the ongoing great relationship with the city of Irvine. The Irvine's NOAA StormReady recognition is valid for **3 years** and expires on **February 4, 2022**.

As a StormReady location, the city of Irvine is authorized to use the StormReady logos in official letterheads, brochures, or other suitable documents. Please acquire a digital file of the logo at https://www.weather.gov/stormready/logos_signs. If you use the logo in any way, please send the National Weather Service a copy or description of how it was used. The StormReady and **Weather-Ready Nation** Community logos are trademarked and subject to certain restrictions.

Please contact NWS San Diego for additional information or preparedness materials. NWS also provides free "When Flooded Turn Around Don't Drown" signs. Finally, as a reminder if participating in the National Flood Insurance Program, your city may now be eligible for additional ISO community rating system points.

The National Weather Service is proud to have you as a part of the growing TsunamiReady and StormReady family! The StormReady Web Site at www.weather.gov/stormready/. We look forward to continued enhanced communications, participating in annual training or public outreach, and continuing a great partnership.

Sincerely,

Alex Tardy
Warning Coordination Meteorologist
