Saturday, March 9, 3–5 p.m.

Irvine Fine Arts Center

*Free Admission*

# QUIETUS

Ideas exploring mortality, vulnerability, loss, and survival have become thematic to Joseph Paul Gerges' current body of work. Begun during a period of great adversity in the artist's life, these delicate anthropomorphic compositions mirror the manifold casualties of human hardship. The prints serve as a tactile visual symbol — a mirror reflecting the innermost strength and determination of the human spirit to overcome and embrace hardship as a means of propelling us forward as our highest selves.
