In accordance with Board Bylaws Article IV, Section 1, Members, membership shall not exceed 14 members. The Board currently has one vacancy. The recruitment was advertised by means of a City of Irvine press release, on the City website, and through Board member outreach. Seven applications were received and seven applicants were interviewed on April 25, 2019.

The Selection Committee rated applicants on their experience and awareness of disability-related issues and their ability to assess, articulate, and advocate for the concerns and needs of persons with disabilities. The Selection Committee recommends the appointment of Jennifer Kim.

The Selection Committee selected the candidate that had the most experience and awareness of disability-related issues and that would be able to assess, articulate, and advocate for the concerns and needs of persons with disabilities. 2. The Board may request a new recruitment process.

## **FINANCIAL IMPACT**

Board members serve as volunteers and funds to support Board activities are identified in the General Fund Budget. There is no budgetary impact for Board member recruitments.

Irvine Residents with Disabilities Advisory Board (IRDAB)  
1 Civic Center Plaza  
Irvine, CA 92606

Dear Board Members,

My name is Jennifer Kim. This letter of intent supports my application to serve in the currently vacant seat of the Irvine Residents with Disabilities Advisory Board (IRDAB).

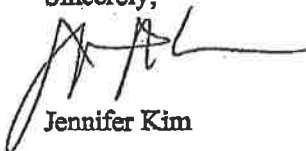

I am a mother of a young child with a disability. My husband, Peter, and I have worked hard to care and advocate for our son, so that he will grow up with dignity and skills that will allow him to be a contributing member of our community. I am applying for IRDAB so that I can help the Irvine Community Services Commission to better understand the needs and supports that would benefit resident families, who have young children with disabilities and special health care needs.

The recent Disabilities Services Needs Assessment for the city that was reported on February 2018, indicated that more than half (53%) of the caregivers of children ages 0-5 years old felt that the lack of programs/services for their age group was a potential barrier to participating in city-funded community programs and services. Moreover, focus groups that targeted caregivers of young children ages 4-7 years, reported the concerns of only five parents. Improving communication and dissemination of information between city departments and the families of young children with disabilities is essential for addressing disability service needs of this sector of the community, and helping these young children to be included and active residents of their city.

I have been trained as a research scientist in molecular biology at the University of California, Irvine. I currently work as a technical specialist overseeing the Molecular laboratory at CHOC Children's, a pediatric hospital of Orange County. I am an active member of the Down syndrome community and the special education Community Advisory Committee for Irvine Unified School District. My family and I also communicate regularly with families that are part of the visually impaired, and rare disorders communities. I attend regional, state, and national conferences in the area of disability advocacy and social inclusion. The unique skills that I will bring to IRDAB are a meticulous, analytical mind, knowledge of current practices and issues facing the disability community in California, and a team oriented approach to discussing and advising on disability issues. I also represent and bring the perspective of families with young children with disabilities and special health care needs.

Thank you in advance for your consideration of my application to serve on the IRDAB committee. I look forward to an opportunity to share more in regards to applying for this position.

Sincerely,

Jennifer Kim

WHAT ACTIVITIES OF THIS COMMISSION/COMMITTEE/BOARD ARE:

MOST INTERESTING TO YOU? Advocating for progressive programs for people with disabilities.

LEAST INTERESTING TO YOU? N/A

WHAT PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

While Irvine has housing opportunities for people with disabilities, we are lacking "communities of care" where the developmentally disabled with serious behavior issues can live together with like individuals and realize their full potential. As the number of residents with autism has increased, those with associated challenging, often aggressive behaviors are also on the rise. For many of these families, as the child enters adulthood, it becomes increasingly difficult to keep a child in the home with aging parents. Irvine has an opportunity to be a leader in ensuring quality housing for a growing number of Irvine residents with support systems in place for helping these residents realize their full potential – in spite of complex behaviors.

HOW WOULD YOU APPROACH THESE PROJECT(S) OR PROGRAM(S)? (Attach additional sheet if necessary)

Convening a dialogue between public and private agencies that serve the developmentally disabled, nonprofits that serve developmentally disabled adults, private businesses (e.g., employers that hire the developmentally disabled) and philanthropists who are investing in the future of Orange County's developmentally disabled. Forming a working group focused on solving this community challenge by looking at successful models such as Sweetwater Spectrum in Sonoma, California, and developing a work plan.

ARE YOU INVOLVED IN ANY ORGANIZATIONS OR ACTIVITIES THAT MAY RESULT IN A CONFLICT OF INTEREST IF YOU ARE APPOINTED TO THIS COMMISSION/COMMITTEE/BOARD?

No

FORM 50-15 REV 11/10  
PAGE 2 of 2

When my doctors put me on permanent disability everything changed. I was lost in the world of living with a disability. I came across this volunteer post and was immediately interested. I am a single mom of a 15 yr old boy. My disability makes things harder for him too.

Both of my references said I am a perfect candidate for this volunteer position.

I believe it is so important to have a venue for people to discuss topics in order to make changes. This topic is especially important to me.

I don't have any degrees but I can provide a wealth of information on being disabled.

Lastly I want to apologize for my handwriting. I didn't type this on the computer because I never would have finished the application by the deadline.

Thank you for considering me.

Renée C. Poissant

Please see attached for the open volunteer position.  
Thank you.

### COMMITTEE SERVICE SUMMARY

BRIEFLY SUMMARIZE WHY YOU WISH TO SERVE ON THIS COMMITTEE. INCLUDE ANY SPECIAL QUALIFICATIONS WHICH ARE PARTICULARLY APPROPRIATE TO THE POSITION FOR WHICH YOU ARE APPLYING (Attach additional sheet if necessary).

I would like to serve on the committee to help the city be responsive to the special needs of residents with disabilities. As a longtime resident of Irvine and a person with a disability, I am acquainted with many other residents of the city who have disabilities, some of them very close friends. I believe this makes me uniquely suited to provide valuable input to the city. I was a member of the board of directors of the Dayle McIntosh Center, an independent living center for people with disabilities, for almost a decade. I also served on the IRDAB for a number of years in the past, so I am already familiar with how the board operates.
