

Community Development Internal Fee Schedules 2022

Fees shall be charged according to the following development processing services provided:

- A. **Planning:** Fees for processing development cases that qualify for final approval at staff level and/or by the City of Irvine Zoning Administrator shall be based on a direct cost of one-hundred, fifty-eight dollars and fifty cents (\$158.50) per hour. If applicable, transportation plan review shall be based on the cost of one-hundred, seventy-six dollars and forty-eight cents (\$176.48) per hour. All other development cases, including appeals of decisions made by staff or the Zoning Administrator, will be processed based on a cost of one-hundred, fifty-eight dollars and fifty cents (\$158.50) per hour.
Project specific expenditures (i.e., City Attorney services, postage for mailing public notices, advertising) have been excluded from the hourly rates. Applicants will be directly billed for these costs on a project by project basis.
- B. **Engineering:** Fees for all Building & Safety engineering services shall be based on a cost of one-hundred, ninety-six dollars and two cents (\$196.02) per hour.
- C. **Engineering:** Fees for all Development Engineering services shall be based on a cost of one-hundred, sixty-six dollars and thirty-six cents (\$166.36) per hour. City Attorney services, if applicable, shall be recovered from the applicant on a project by project basis beginning with the first plan check.
- D. **Inspection:** Fees for Building and Safety inspection services shall be based on a cost of one-hundred, seventy-four dollars and twenty-four cents (\$174.24) per hour. Development Engineering/Traffic Inspection services shall be based on a cost of one-hundred, fifty-nine dollars and fifty-four cents (\$159.54) per hour.

SCHEDULE I
PLANNING DEPOSITS AND FEES

Effective August 1, 2022 (8.5% CPI increase of 2021 rates)

1. Valuation for purposes of reporting shall be set on the basis of the International Code Council (ICC) published Building Valuation Data Table as published in the Building Safety Journal, or the RS Means Square Foot Costs Manual, where ICC data is not available. If data is not available, appeals concerning valuation may be heard and determined by the Chief Building Official
2. Building plan check and inspection costs are determined based upon staff time and cost data, which is documented on a daily basis. Plan check and inspection fees for each fee category are determined based on this data and the hourly rate established by the City Council.
3. No plan check or inspections fees are required for City funded capital improvement projects. These expenses will be charged directly against individual project budgets.
4. Where a fee is required, but where not specified for a specific circumstance, the Chief Building Official, City Engineer, or Director of Community Development shall determine and set the fee based on the expected City cost of providing plan review, case processing, inspection, or code enforcement services.
5. The cost of expedited or overtime services shall include regular fees plus the additional cost of providing the expedited or overtime service. Approval of requests for expedited or overtime services are at the discretion of the Chief Building Official, Director of Community Development, or City Engineer.
6. Where an applicant believes that unusual circumstances exist that make the scheduled fee inappropriate for a particular project, the following procedure shall apply:
 - a. The applicant shall request a modification of the scheduled fees for the project in writing to the Chief Building Official, Director of Community Development, or City Engineer
 - b. The applicant shall specify in the written request the unusual circumstances that make the scheduled fees inappropriate for the project and include any substantiating documentation.
 - c. The Chief Building Official, Director of Community Development, or City Engineer shall make written findings whether or not usual circumstances exist that make the scheduled fees inappropriate for the project.

SCHEDULE I
PLANNING DEPOSITS AND FEES

Effective August 1, 2022 (8.5% CPI increase of 2021 rates)

- d. If the Chief Building Official, Director of Community Development, or City Engineer finds unusual circumstances do exist that make the scheduled fees inappropriate for the project, the Chief Building Official, Deputy Director of Community Development, or City Engineer shall determine and set the fee based on the expected City cost of providing plan check, inspection, code enforcement or planning services.

7. Plan Review Payment

When a plan is required by the Administrative Authority to be submitted, a plan review fee shall be paid at the time of plan and specification submittal.

8. Penalty for Returned Checks

A penalty of \$25.00 shall be levied against all returned checks.
