1. Order on Closures of Businesses, Venues, Events and Activities

The City will abide by and enforce the Executive Orders and the State Public Health Officer that govern including without limitation, (1) the May 4, 2020, [Executive Order \(PDF\)](#) that informed local health jurisdictions and industry sectors that they may gradually reopen under new modifications and guidance provided by the state per the May 7, 2020 [Public Health Order \(PDF\)](#), (2) the August 28, 2020 [Blueprint for a Safer Economy](#) which provides revised criteria for loosening and tightening restrictions on activities (found at <https://covid19.ca.gov/safer-economy/>), and (3) all subsequently-issued guidance and Executive Orders, Public Health Officer Orders, and/or orders of other duly authorized representatives of the State of California governing the opening, partial opening, or closure of businesses, venues, events, and activities in the City of Irvine.

2. Orders on Face Covering

In conformance with, and where not superseded by the Executive Orders of the Governor of the State of California, and/or guidance and orders from the Centers for Disease Control, CDPH, and the Orange County Health Officer, this Order additionally specifies and orders as follows:

- a. **Order to All Residents and Visitors:** All Irvine residents and visitors shall wear a cloth face-covering or face shield when (i) in a public place; (ii) visiting a retail, commercial or other place of business; or (iii) at work, and when the resident or visitor is not able to maintain at least 6 feet of physical distance from another person who is not a family/household member or live

in the same living unit. Without limiting the foregoing, this order shall presumptively apply in the following locations and contexts: (a) waiting in line to go inside a store; (b) shopping in a store; (c) picking up food at a restaurant; (d) waiting for or riding on public transportation; (e) riding in a taxi or other ride service vehicle; (f) seeking health care; (g) going into facilities that are allowed to stay open; (h) while at work; and (i) when at an outdoor museum.

A cloth face-covering is a material that covers the nose and mouth; it can be secured to the head with ties or straps or simply wrapped around the lower face; it can be made of a variety of materials, such as cotton, silk, or linen; and a face covering may be factory-made or sewn by hand, or can be improvised from household items such as scarfs, T-shirts, sweatshirts, or towels. A face shield is a plastic shield that covers the face, including the nose and mouth, and is attached to the head (typically by a strap or headband).

The face-covering order shall not apply to children under the age of 2; to anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the face-covering or face shield without assistance; or to persons with a medical or mental health condition, or development disability, that prevents wearing a cloth face-covering or face shield.

- b. **Order to All Lawfully Open Businesses:** All lawfully open businesses (“Covered Businesses”) must identify and cause all required measures to be implemented as necessary to ensure social distancing and sanitation at that particular facility.

Without limiting the foregoing, Covered Businesses shall (i) cause their employees and patrons to wear cloth face coverings or face shields, (ii) cause their employees and patrons to follow social distancing and infection control guidelines published by the CDC and CDPH, and (iii) post signage to advise patrons of social distancing requirements, and of the fact that those requirements are imposed upon Covered Businesses by this Order. If the measures identified and implemented are not effective in maintaining proper social distancing and sanitation, additional measures shall be identified and implemented or the facility shall be closed.

- c. The Director of Emergency Services, with the confirmation of the Irvine City Council ***STRONGLY RECOMMENDS*** that all people in the City of Irvine should wear a face covering when outside the home.
3. This Order replaces and supersedes the previously issued “ORDER OF THE CITY MANAGER OF THE CITY OF IRVINE IN HIS CAPACITY AS DIRECTOR OF EMERGENCY SERVICES AND MEMBER OF THE IRVINE DISASTER COUNCIL,” which was originally issued on April 8, 2020, and was last amended on June 24, 2020, and the previously issued “ORDER OF THE CITY MANAGER OF THE CITY OF IRVINE IN HIS CAPACITY AS DIRECTOR OF DIRECTOR OF EMERGENCY SERVICES AND MEMBER OF THE IRVINE DISASTER COUNCIL,” which was issued on July 15, 2020.
4. This Order shall be effective immediately and will remain in effect until terminated or amended by further Order of the Director of Emergency Services.

5. This Order is issued as a result of the worldwide pandemic of COVID-19 disease, also known as "novel coronavirus," which has infected over millions individuals worldwide and is implicated in hundreds of thousands of worldwide deaths, including over 52,000 cases and 1,175 deaths in Orange County. These numbers grow every day.
6. This Order is issued based on evidence of increasing transmission of COVID-19 both within the City of Irvine and worldwide, scientific evidence regarding the most effective approach to slow transmission of communicable diseases generally and COVID-19 specifically, as well as best practices as currently known and available to protect the public from the risk of spread of or exposure to COVID-19.
7. This Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide. This Order is issued to prevent circumstances often present in Covered Businesses that may exacerbate the spread of COVID-19, such as (but not limited to): (1) the increased likelihood that retail, restaurant, and banking transactions attract people from a broad geographic area; (2) the prolonged time period in which large numbers of people are in close proximity; and (3) difficulty ensuring that such persons (patrons and employees) follow adequate hygienic practices.
8. This Order is intended to address the strain upon the health care system from the effects of the COVID-19 virus. Similarly, this Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide.
9. Emergency management and public health officials at the federal, state, and county levels continue to issue guidance to slow the spread of COVID-19.
10. Violation of this Order is a crime and may also be pursued as an administrative fine, an infraction, or a misdemeanor, in the City's sole and absolute discretion. (Penal Code section 19; Government Code sections 8665, Irvine Municipal Code Sections 4-9-101 *et seq.*, 4-13-301, and 4-13-103.) For the avoidance of doubt, each act taken in violation of this Order may constitute a separate violation of this Order (*e.g.*, the admission of three patrons to a business that is required under this Order to remain closed may constitute three separate violations of this Order).
11. Copies of this Order shall promptly be: (1) made available at the City of Irvine City Hall located at 1 Civic Center Plaza, Irvine, CA 92606; (2) posted on the City of Irvine's website (www.cityofirvine.org); and (3) provided to any member of the public requesting a copy of this Order.
