Curious about electric vehicles (EVs),  
but don't know where to start?

Join the City of Irvine for a virtual conversation to learn about:

- ▶ Vehicle charging options
- ▶ Available incentives and rebates

Local EV owners will share their experiences, and Irvine staff and Southern California Edison will provide information to demystify EVs.

Join the discussion for an opportunity to engage with the panelists – and be entered into a raffle to win several Earth Day-themed prizes!
