Kiara Aileen Machado and José Flores Nava:

MANOS

October 16–December 18
Gallery 1

Manos features sculptural works by José Flores Nava and paintings by Kiara Aileen Machado that share a proposition that sustenance is both a physical and emotional requisite of daily life. Nava's slip casts of fruits and vegetables native to the Americas, which seemingly glow in saturated colors, and Machado's delicately rendered paintings of familial figures and fauna from her family's native El Salvador and Guatemala, converge to hold homage and space to what nourishes them.
