

PHOTOVOLTAIC SYSTEM INSTALLER DECLARATION

PERMIT#	PROJECT ADDRESS
TRACT#	TRACT NAME
PROJECT DESCRIPTION	

I hereby certify that the subject photovoltaic (PV) system, including modules, racking, standoffs, and attachments were installed in conformance with applicable requirements of applicable State Assembly bills, the California Building Codes, the manufacturer's installation instructions and recommendations, and the approved construction documents (where applicable), including (but not limited to) attachment to the supporting structure and fire-related clearances.
