Phone: (657) 650-5146

### **Overnight Caltrans Bridge Maintenance on I-5 in the City of Irvine**

**Orange County** – The California Department of Transportation (Caltrans) is scheduled to conduct bridge maintenance on the Jeffrey Road and Yale Avenue bridges over Interstate 5 (I-5) in the City of Irvine from **Wednesday, May 18 to Friday, July 29** from **7:00 p.m. to 5:30 a.m.**

Please note there **may be loud noise due to construction** from **7:00 pm to midnight** from **Wednesday, May 18 to Friday, May 27**. This is part of the ongoing bridge maintenance project to repair and reinforce the roadway bridges located on I-5 in Orange County, which is expected to be completed by August 2022. This bridge maintenance project aims to extend the useful service life of the bridge superstructure by preventing the intrusion of moisture from getting into the bridge deck cracks, joint seals, and bearing pads.

Due to the nature of the work to be performed, there will be single-lane closures periodically during the project dates.

Caltrans appreciates the public's patience while we perform this work. Message signs will notify drivers of any closures. The work schedule is subject to change due to traffic incidents, weather, availability of equipment and/or materials, and/or construction-related issues.

For more information and updates, you may contact the District 12 Public Information Office at (657) 328-6000 or on social media via Twitter @CaltransOC, Facebook @CaltransOC and Instagram @CaltransOC.

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Nathan Abler at (657) 650-5146 or TTY 711.
