

GREEN BUSINESS PROGRAM SUSTAINABLE BUSINESS CHALLENGE

Help your business thrive through Green Business Certification. For a limited time only, complete your certification by October 31 and receive a \$500 incentive.

Don't wait! **\$500 incentives** are limited and offered on a first-come, first-served basis.

- ✓ New certified Green Businesses will also receive free technical assistance throughout the process, as well as access to a California Green Business Marketing Tool Kit to help promote their business digitally afterward.
- ✓ The first step in getting certified is to attend a brief information session with a Sustainability Consultant.
- ✓ Learn more and sign up online today.
