OFFICE SOUGHT: City Councilmember

WARD/DISTRICT # _____ (If applicable)

NAME: Navid Sadigh

AGE: 19
(Optional)

OCCUPATION: College Student

Fellow residents of the City of Irvine, my name is Navid Sadigh, and I am running to represent you in the Irvine City Council. I am currently attending Irvine Valley College, with a major in computer science.

A vote for me is a vote for solutions to the issues that are hindering our great city. Living in Irvine for my entire life has allowed me to see firsthand the problems that we are facing, and to subsequently get frustrated seeing little to no action regarding them.

Having an opportunity to serve on the Youth Action Council and being a member of the Junior State of America gave me the skills necessary to effectively advocate for solutions to the problems that people are facing. One issue that I am incredibly passionate about is the lack of options we have in Internet service providers, and it is something my family has always had problems with.

If any of these characteristics sound like things you would want in a councilmember, please check out my website, <https://navid4irvine.com/>, to learn more about my campaign, and to donate.
