Candidate's Statement of Qualifications

CITY OF IRVINE

OFFICE SOUGHT: Irvine City Council

WARD/DISTRICT # N/A (If applicable)

NAME: Kathleen K Treseder

AGE:
(Optional)

OCCUPATION: Educator / Climate Scientist

Our City Council needs leaders who will put facts ahead of special interests - and put our families first. My name is Dr. Kathleen Treseder. I am a climate scientist, professor at UCI, community leader, and mom. I am running to put facts and science, not political spin, at the heart of our decisions to move Irvine forward.

Throughout my life, I have taken on tough fights - and I've won. At UCI, when a student told me she was sexually harassed by another professor, the same serial predator who had harassed me, I took on a broken system. Students are now safer because of the reforms I fought for.

When local utilities relied on fossil fuels and failed to provide residents with clean energy alternatives, I worked with community leaders, businesses, and faith-based organizations across Orange County to start one of California's largest clean energy utility programs.

For too long, corporate special interests have had a seat at the table in Irvine politics, while our families and our environment are left behind. I am running for Irvine City Council to be a voice for our families and to fight for our shared future.

I respectfully ask for your vote.
