

You're Invited... to Learn About the General Plan Update

Information Session: General Plan Update Community Engagement Kickoff

As a result of the certification of the 2021–2029 Housing Element, the City of Irvine has begun the three-year process to update the General Plan, a state-required document that represents the long-range vision of the City for the next 25 years and beyond.

Join an information session to learn about the goals of the General Plan Update, what the General Plan is, why the General Plan is being updated, and future outreach events beginning in 2023. A virtual attendance option is also available via Zoom, and registration is required [here](#).

For details about the information session listed below, and for translation services, call Senior Planner Justin Equina at 949-724-6581 or email gpupdate2045@cityofirvine.org.
