

An illustration of eight animals (four dogs and four cats) of various breeds and colors (brown, white, grey, orange, and tabby) sitting together against a teal background with white polka dots. The animals are positioned above a dark blue wavy line that separates them from the title.

Cooling Center Requirements for Animals

Animals are allowed at designated “Animal-Friendly” cooling centers only.

Public Guidelines

- ▶ All dogs and cats must have proof of vaccinations (rabies included)
- ▶ All dogs must be on leash (no retractable leashes allowed)
- ▶ Food, food dish, and water dish must be provided by owner
- ▶ Waste clean-up supplies (litter, litter box, poop bags) must be provided by owner
- ▶ Cats must be in suitable crate with food and water dishes
- ▶ Other animals (rabbits, birds, etc.) must be contained in suitable crate
- ▶ Owner must maintain possession of their animal(s) at all times
- ▶ No more than 3 dogs and/or 3 cats per owner

Irvine cooling centers will provide the following:

- ▶ Separate designated areas for dogs and cats
- ▶ Access to water for owners to fill water dishes
- ▶ Emergency waste cleanup supplies (paper towels and disinfectant wipes, hand sanitizer, garbage bags)

For questions or guidance on guidelines,
please call 949-724-7162 or 949-724-7740.
