

SOLARIZE IRVINE

Community Group Discount Purchasing Program

Virtual Workshop #2

Monday, September 12, 7 p.m.

ECONOMICAL

Group-purchasing discounts and 30% Federal Solar Tax Credit reduce barriers to cost and increase benefits for all residents.

ENVIRONMENTAL

Solar energy is one of the most direct ways residents can impact global climate change and carbon emissions in their community.

EMPOWERING

The program is led by community members and subject matter experts who strive to empower residents and ensure no one is left behind.

Solarize Irvine is a limited-time campaign in partnership with the City of Irvine. Program enrollment ends November 1.

Register at ocgoessolar.org.
