

# COMMUNITY MEETING HOSTED BY THE CITY OF IRVINE

## Great Park Development Town Hall

### *Getting Ready for Demolition and Site Preparation*

In July 2022, the City of Irvine approved the Great Park Framework Plan to guide the next phase of development. In preparation for construction, site preparation and demolition of vacant structures will get underway in the coming months. This includes soil testing, remediation and monitoring, and other precautions to limit disruption in the neighborhood.

Join us for a town hall to learn more about the progress at Great Park and the plan for work on-site in the coming months. This is an opportunity to learn more about the process, ask questions, and provide feedback.

We will discuss the measures being taken to protect the environment and ensure the safety of our community.

**Monday, March 20, 7–9 p.m.**

### **Great Park Artist Studios**
