

Join Us!

ONE IRVINE

Join us at the ONE IRVINE Community Resource Fair!

ONE IRVINE is excited to be expanding its resources to owners of qualifying single-family homes and condominiums built in or before 1975. Come and meet City departments and local home improvement vendors all while connecting with your neighbors!

ONE IRVINE is a neighborhood revitalization program that connects Irvine residents with community strengthening resources, and with each other. The program focuses resources in Irvine's older neighborhoods to spark community-led reinvestment.
