

You're Invited... to Learn About the General Plan Update

IRVINE

2045 GENERAL PLAN

The City of Irvine is preparing an update to its General Plan, a state-required document representing the City's vision for the next 25 years and beyond. The 2045 General Plan Update will include goals and policies to help the City reach its long-term vision of preserving and enhancing Irvine's high quality of life as the City matures. The General Plan Update's success relies on input from community members, landowners, and other stakeholders to shape future planning vision and goals.

Join us at a community workshop to learn more about the General Plan Update as we focus on the land use and circulation elements. Ask questions and provide your input.

For details about the workshops listed below and for translation services, call Senior Planner Justin Equina at 949-724-6581 or email gpupdate2045@cityofirvine.org.
