

REENVISION SOUTH YALE AVENUE

SOUTH YALE IMPROVEMENTS

Saturday, August 26
11 a.m.–2 p.m.

ON SOUTH YALE AVENUE, BETWEEN
MICHELSON DRIVE & ROYCE ROAD

Join us as the City of Irvine demonstrates potential changes along Yale Avenue based on community input to make walking and biking in our community safer and more enjoyable for all. Walk along the sidewalk or bring your bike to test ride a “separated bikeway,” the first potential improvement of its kind in the City!

This is an opportunity to share your feedback and vision on walking and biking improvements in the City of Irvine. Your input will help us shape the future of Irvine’s pedestrian and bicycle networks.
