INTERACTION WAIVER

Animals at the Irvine Animal Care Center (IACC) come from a variety of situations and environments. We may have limited or no background information about an animal's behavioral status or history. In addition, animals in a shelter environment may react differently than in a home environment. Due to this, the IACC does not recommend rough or excited play, holding, or cuddling with our animals during your visit. All children under the age of 16 must be supervised at all times by the child(ren)'s parent, legal guardian, or a responsible adult while at the IACC. It is important to follow any cautions or interaction strategies recommended by staff to help ensure a positive experience for both you and the animal you are meeting.

By signing this document, I understand that interacting with any animal at the IACC poses a potential risk of injury either from a bite or scratch. I agree to interact with the animal(s) in a respectful and humane manner. If I do sustain any type of injury involving the pet I am interacting with, I will report it to an IACC staff member immediately.
