Emergency Solutions Grant (ESG)	\$ 190,000
Total:	\$4,019,076
*Amounts subject to change	

CDBG public service programs, CDBG or HOME capital projects, and ESG activities that benefit low- and moderate-income Irvine residents are strongly encouraged.

Submission Guidelines

For funding consideration, all proposed programs and/or projects must meet the CDBG, ESG, and/or HOME eligibility requirements identified in this NOFA. Respondents to this NOFA must complete the appropriate application noted below:

- Application for CDBG Public Service Programs
- Application for CDBG/HOME Capital Projects
- Application for ESG Activities

Beginning November 9, 2023, electronic fillable copies of the applications may be obtained online at www.cityofirvine.org/cdbg. Please note that any modifications and/or changes made to the format of the application will result in the rejection of your application. The application must be **typed** (not handwritten).

The application technical workshop scheduled to be held on November 9, 2023 at 1:30 p.m. via teleconference. Attendance at the workshop is not mandatory. To register for this event, applicants were instructed to register via the registration link at www.CityofIrvine.org/CDBG . All applications for eligible activities submitted by eligible applicants are welcome.

Submission Deadline

Applications shall be accepted in electronic format only, using one PDF document attached to an email transmitted to CDBG@CityofIrvine.org by 5:00 p.m. on Friday, December 15, 2023. **Late applications may not be accepted.** Applicants are encouraged to submit well in advance of this deadline to ensure confirmation of receipt prior to the deadline.

This requirement is firm as to date and time. No faxed or hardcopy applications will be accepted. Include a cover letter, the application form (signed), and the required supporting documentation only within the PDF file(s) sent via email. Be cognizant of file size limitations and keep files less than 5MB whenever possible or break attachments into more than one file if necessary. Any additional information not requested may be disposed of and not considered as part of the application.

Applications that are incomplete, exceed the prescribed response limits, have content errors or deficiencies, or that are submitted after the deadline may be rejected. Once submitted, proposals may not be amended, unless the amendment has been requested by the City. The City reserves the right to contact an applicant if additional information is required. The City, at its sole and absolute discretion, with or without cause, and without liability to any applicant, reserves the right to accept or reject any and/or all proposals either in whole or in part, waive any informalities or irregularities of any proposals, cancel this NOFA at any time, and/or take any action in the best interest of the City.

City staff is available to answer questions and provide technical assistance to any agency wishing to submit an application until December 8, 2023. Please call the Housing & Supportive Services Division at 949-724-6114 to request technical assistance.

Right to Waive Irregularities

The City of Irvine reserves the right to:

1. Withdraw this solicitation at any time without prior notice and, furthermore, make no representation that any contract occur and that funds will be awarded to any respondent to this solicitation.
2. Waive any irregularities in the NOFA process and to reject any and all submissions not in the best interest of the City.
3. To request additional information and materials.
4. Retain all submitted applications. Selection or rejection of an application does not affect these rights.

Application Review and Decision Process

The application review process has three phases. In the first phase, all applications are reviewed by Housing & Supportive Services Division staff for completeness and eligibility under federal regulations. Ineligible applications will not be submitted for consideration by the Community Services Commission. Agency capacity, experience and past performance are also considered. Based on this review, Housing & Supportive Services Division staff prepares general funding recommendations that are provided to the Community Services Commission.

The second phase of the application review process may include three Community Services Commission Meetings. The first meeting provides an overview of the process and includes a public hearing to receive comments from residents and stakeholders concerning housing and community development needs in Irvine and prior year program performance. An overview of the NOFA process is provided to the Commission during this meeting. The second meeting generally provides applicants with the opportunity to make a three-minute presentation to the Community Services Commission. The third meeting is when the Community Services Commission determines its final funding recommendations to the City Council.

The third phase of the application review process includes a public hearing before the City Council concerning the Annual Action Plan, which will include the Community Services Commission's funding recommendations. The decision of the City Council concerning the CDBG, ESG, and HOME funding allocations shall be final. The action of the City Council adopts the Annual Action Plan, which is the CDBG, ESG, and HOME program annual budget submission to HUD.

Applications considered at the Community Services Commission and City Council public hearings are limited to those submitted according to the rules outlined in this NOFA. Applicants are encouraged to attend and participate at public meetings and public hearings.

If you have questions or require additional information, please contact Sarah Escobedo, Assc. Housing Analyst, at 949-724-7447 or by email at SEscobedo@cityofirvine.org.

Appeals

The funding decision of the Irvine City Council shall be final. Appeals of Housing & Supportive Services Division staff determinations of non-eligibility shall be made within 10 days of receipt of written notification of staff's determination. For the purpose of determining the time period for appeals, written notification shall be considered "received" by the applicant on the next business day following an e-mail notification. Appeals shall be made in writing via e-mail to SEscobedo@cityofirvine.org. The decision of the Housing & Supportive Services Division concerning appeals shall be final. A written response will be provided to any appeal within 5 business days.

Income Limits

The purpose of the CDBG, ESG, and HOME programs is to provide housing and community development opportunities for low- and moderate-income individuals and/or households and to address homelessness. HUD establishes income limits annually based upon the Area Median Income (AMI) for eligibility under these programs. The 2023 income limits for Orange County are provided below:

Household Size	Extremely-Low Income Equal to or Less Than 30% of Area Median	Low Income 31% to 50% of Area Median	Moderate Income 51% to 80% of Area Median
1	\$30,150	\$50,250	\$80,400
2	\$34,450	\$57,400	\$91,850
3	\$38,750	\$64,600	\$103,350
4	\$43,050	\$71,750	\$114,800
5	\$46,500	\$77,500	\$124,000
6	\$49,950	\$83,250	\$133,200
7	\$53,400	\$89,000	\$142,400
8	\$56,850	\$94,750	\$151,550

Written Agreements

If selected and awarded funding, your agency will be required to execute a written agreement with the City of Irvine. The agreement must be executed and returned to the City within 60 days of the City's transmittal to your agency. Failure to do so may result in termination of the award and loss of funding. The agreement outlines terms and conditions of funding for your agency and the City. The agreement is a legally binding contract and failure to adhere to its terms and conditions may result in the termination and required repayment of the funding award. Each agreement will contain, at a minimum, the following information derived from your agency's application:

Description of Program Services: This provides an overview of the program services or project as described in the application, goals and objectives, and specific services (e.g., working hours, location of services, number of clients to be served) achievable based on the funding level approved by the City Council. The description of program services also describes in detail how the funds will be used to support the program or project.

Project Budget: The budget lists the specific uses of funds approved by the City (e.g., personnel, consultants, utilities, supplies, rental assistance payments). Please note that all CDBG, ESG, and HOME funding is disbursed on a reimbursement basis.

Program Performance Measurement Plan / Schedule of Performance: This schedule outlines the major activities and expected outcomes for each quarter of the year based on HUD and/or City performance indicators and goals specified in your agency's application. For capital projects, this schedule outlines the major milestones through project completion.

General Requirements

Leverage/Match Funds: Applicants for capital projects must demonstrate that CDBG and/or HOME funds will be leveraged or matched with resources from state, local, private, or other non-federal sources by not less than 25 percent (excluding City sponsored projects). Match or leverage may be cash or grant, but should be reasonably expected to be available for the project. For the HOME program, matching funds must be either committed or in-hand at the time of application and must be spent prior to reimbursement from HOME, unless approved by City staff. ESG activities require the applicant to match City ESG funding dollar-for-dollar.

Readiness: Programs and projects must display evidence of readiness to proceed. All leverage and match funding must be in place and all land use requirements met prior to submission of application. Applicants must demonstrate that CDBG and HOME funds will be fully spent within the program year. Applicants for affordable housing construction projects may request a waiver of this requirement. Such waivers may be granted only for affordable housing and/or City sponsored capital improvement projects and at the sole discretion of City staff.

CDBG Public Service Conditions to Disbursement: The written agreement will specify that the disbursement of CDBG Public Service funds to your agency is subject to the following conditions at the time each disbursement is to be made:

- Your agency shall have provided to City a complete payment request with documentation supporting the eligible CDBG costs incurred;
- Your agency shall have submitted to City a quarterly report of progress toward achieving the Program Performance Measurement Plan;
- If payment is for the professional services of a consultant or contractor, your agency will be required to provide the City with appropriate evidence that consultant or contractor is not federally debarred or suspended and shall have provided a copy of the executed contract between your agency and the consultant or contractor;
- The ratio of disbursement of CDBG funds to your agency shall not exceed the ratio of progress toward achieving the Program Specific Performance Measurement Plan identified in the written agreement; and
- That City's obligation to provide CDBG funds to your agency shall be subject to the availability of CDBG funds to the City from HUD.

Indemnification: Agencies approved for funding must agree to defend, indemnify, and hold harmless the City, its officers, agents and employees from and against all liability, claims, demand, losses, and expenses, including attorney's fees, original and on appeal, arising out of or related in any way to the performance of the agreement.

Insurance: Agencies approved for funding will be required to maintain the insurance coverages described below, each of which shall contain a provision that forbids any cancellation, changes or material alterations without prior notice to the City at least 30 days in advance. The insurance coverage shall be evidenced by an original certificate of insurance provided through the City's third-party risk management firm prior to the execution of the written agreement. The required insurance (as of July, 2023, subject to change in the written agreement) is as follows:

- a. Commercial General Liability Insurance – shall be written to cover liability arising from premises and operations, independent contractors, products and completed operations, personal and advertising injury, and contractual liability. The minimum bodily injury and property damage liability limit shall be \$1,000,000 per occurrence.
- b. Workers' Compensation Insurance – shall cover all employees engaged in work for the agency in accordance with the laws of the State of California. The minimum employer's liability limit shall be \$1,000,000 per accident.
- c. Auto Insurance – shall be required to cover all employees who may operate a vehicle as part of the proposed program/project. The minimum employer's liability limit shall be \$500,000 per accident.

Licenses: Agencies approved for funding will be required to obtain a City of Irvine business license.

Program Monitoring: Agencies approved for funding will be required to maintain and submit adequate information necessary to monitor program accountability and progress in accordance with the terms and conditions of the written agreement.

Fair Housing, Nondiscrimination and Equal Opportunity: The City of Irvine, in accordance with federal and state law and City policy, prohibits discrimination on the basis of race, color, national origin, religion, sex, gender identity, pregnancy, physical or mental disability, medical condition, ancestry, marital status, age, sexual orientation, citizenship or service in the uniformed services. Agencies awarded funding will be required to comply with all applicable fair housing, nondiscrimination and equal opportunity requirements.

Notification: All applicants will be notified between April 26, 2024 and June 30, 2024 of funding determinations. Receipt of an award letter does guarantee funding. Funds may not be obligated until an environmental review has been prepared by City staff and approved by HUD, the written agreement is signed by all parties and a notice to proceed is issued. Please be aware that past funding does not guarantee future funding or funding at the same level.

Compliance with Applicable Laws, Rules and Regulations: Agencies that are awarded CDBG, ESG, and/or HOME funding must act in accordance with all applicable federal, State of California, and City of Irvine laws, rules, and regulations. Applicants are strongly encouraged to be familiar with these requirements prior to submitting a funding request. These include, but are not limited to, the following:

- **24 CFR Part 570, as amended** – The regulations governing the CDBG program.
- **24 CFR Part 576, as amended** – The regulations governing the ESG program.
- **24 CFR Part 92, as amended** – The regulations governing the HOME program.
- **24 CFR Part 1 and 6, Public Law 90-284, Fair Housing Act** – The regulations issued following Title VI of the 1964 Civil Rights Act and Section 109 of the 1975 Housing and Community Development Act that prohibits discrimination in HUD programs based on sex, race, color, national origin, and religion and requires all programs and activities to be administered in a manner to affirmatively further the policies of the Fair Housing Act.
- **24 CFR Part 107 and 108** – The regulations issued following Executive Order 11063 and Executive Order 12892 which prohibit discrimination and promote equal opportunity in housing.
- **Section 504 of the Rehabilitation Act of 1973, 24 CFR Part 40 and 41** – The regulations that set forth policies and procedures for the enforcement of standards and requirements for disabled accessibility. The Architectural Barriers Act of 1968 and the Americans with Disabilities Act provide additional laws on accessibility and civil rights of individuals with disabilities.

- **Age Discrimination Act of 1975 (42 U.S.C. 6101)** – The regulations that prohibit discrimination on the basis of age.
 - **29 CFR Parts 3 and 5** – The regulations on labor standard provisions that include the payment of prevailing wages on federally assisted projects as mandated by the Davis-Bacon Act and Contract Work Hours and Safety Standards Act. 24 CFR Part 70 provides information on the use of volunteers.
 - **Copeland “Anti-Kickback” Act (18 U.S.C. 874 and 40 U.S.C. 276c)** – The regulations on contracts for construction or repair awarded by subrecipients shall include a provision for compliance.
 - **24 CFR Part 58** – The regulations prescribing the Environmental Review procedure under the National Environmental Policy Act of 1969.
 - **National Flood Insurance Act of 1968, 24 CFR Part 55 under Executive Order 11988** – The regulations for proposed projects and properties located in a floodplain.
 - **36 CFR Part 800** – The regulations outlining the procedures for the protection of historic and cultural properties.
 - **Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970** – the policies for displacement, relocation assistance, and real property acquisition as defined by 42 U.S.C. 4601 (URA) and implementing regulations issued by the Department of Transportation at 49 CFR part 24 and section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)).
 - **24 CFR Part 7 and 41 CFR Part 60** – The regulations outlining equal employment opportunity without regard to race, sex, color, religion, age, national origin, and disability in federally assisted construction contracts.
- 24 CFR Part 75** – This part establishes the requirements to be followed to ensure the objectives of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Section 3) are met. The purpose of Section 3 is to ensure that economic opportunities, most importantly employment, generated by certain HUD financial assistance shall be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing or residents of the community in which the Federal assistance is spent.
- **Residential Lead Based Paint Hazard Reduction Act of 1992** – The regulations implemented by 24 CFR Part 35, Subpart B imposes certain requirements on disclosure of lead based paint hazards.
 - **24 CFR Part 24** – The regulations that prohibit use of debarred or suspended contractors on federally assisted projects and Drug Free Workplace requirements, issued according to Executive Order 12459.

- **2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards** – These regulations include requirements for procurement, contracting, cost principles and audit requirements including the Single Audit required for organizations expending \$750,000 or more derived from federal awards during the organization’s fiscal year. Community Development Block Grant (CDBG) Program

Introduction

The Housing and Community Development Act of 1974, as amended, has as its primary objective the development of viable urban communities through the provision of decent housing, a suitable living environment, and expanding economic opportunities, principally for persons of low- and moderate-income. Recipients of CDBG funds must certify that their use of funds will address one of three broad objectives – benefit low- and moderate-income families, aid in the elimination of blight, or meet urgent needs which pose a serious threat to the health or welfare of a community.

City of Irvine’s CDBG Program

The CDBG Program generally provides for a wide range of eligible activities. This NOFA process shall prioritize allocation of CDBG funds to programs and projects that:

1. Clearly and measurably address the needs of low- and moderate-income Irvine residents;
2. Directly contribute to, or are consistent with, ongoing housing, community and economic development efforts in Irvine;
3. Have well-defined sources and uses of funding, including proposed uses that are necessary and reasonable to address identified needs;
4. Identify appropriate leveraged or matching funds that are committed or in-hand at the time of application; and
5. Will be implemented by incorporated public, nonprofit and for-profit entities possessing appropriate capacity relative to the complexity and size of the proposed program or project.

Eligible Applicants

1. Applicants must be incorporated public, nonprofit or for-profit agencies able to implement the approved program or project within the boundaries of the City of Irvine.
2. Applicants must demonstrate the financial management and programmatic expertise to successfully develop, design, implement and monitor the proposed program or project. This expertise can be demonstrated through previous experience in successfully developing programs or projects similar to the one proposed, either by partners or key agency staff.

3. Applicants must be able to meet all federal, State of California, and City of Irvine requirements relative to the CDBG program, specifically those concerning equal opportunity and fair housing, affirmative marketing, environmental review, displacement, relocation, acquisition, labor, lead-based paint, conflict of interest, debarment and suspension and flood insurance. Pertinent requirements are noted in *General Requirements*. All applicants should be aware that if funded, additional requirements will apply.
4. Applicants submitting applications to provide fair housing services on the behalf of the City of Irvine must be able to report on their progress in addressing the impediments identified in the current effective Analysis of Impediments to Fair Housing Choice, available at www.cityofirvine.org/cdbg.

Eligible CDBG Activities

Under current regulations, programs and projects assisted with CDBG funds may include only the following activities. Construction projects must be shovel-ready and able to commence within the program year and be completed within a reasonable and defined schedule thereafter.

1. **Acquisition** of real property for a public purpose. Applications seeking funds for acquisition or rehabilitation of affordable housing units are advised that the minimum affordability period shall be 55 years, secured by a Regulatory Agreement recorded against property title.
2. **Disposition** of real property acquired with CDBG funds.
3. Acquisition, construction, reconstruction, rehabilitation, or installation of **public facilities and improvements** including senior citizen centers, parks, playgrounds, centers for the disabled, neighborhood facilities, solid waste disposal facilities, fire protection facilities and equipment, parking facilities, public utilities, street improvements, water and sewer facilities, foundations and platforms, pedestrian walks and walkways, and flood and drainage facilities. Buildings for the general conduct of business are excluded. *To be eligible, public facility improvements must demonstrate a predominant benefit to seniors, disabled adults and/or low- and moderate-income Irvine residents.*
4. **Clearance, demolition, and removal** of buildings and improvements.
5. **Public services** directed toward improving the community's services concerned with employment, crime prevention, childcare, health, drug abuse, education, welfare, or recreation. *There is a minimum \$15,000 for all CDBG public services requests. However, please be mindful that there is only \$338,215 anticipated to be available for allocation in this funding category and that there are multiple public service needs identified in the Consolidated Plan.*
6. **Interim assistance** to alleviate harmful conditions in deteriorating areas where permanent improvements will be carried out at a later date.

7. **Relocation payments** and assistance for persons displaced by housing and community development program activities.
8. **Removal architectural barriers** to enhance the mobility and accessibility for elderly and disabled persons to publicly or privately-owned buildings.
9. Acquisition, construction, reconstruction, rehabilitation, or installation of distribution facilities of **privately-owned utilities** where necessary and appropriate to implement revitalization or housing.
10. **Rehabilitation and preservation** of privately-owned buildings, including low-income housing, publicly owned residential and non-residential buildings (except buildings for the general conduct of business), code enforcement and historic preservation.

CDBG National Objectives

Each activity must be eligible and must address one of the three CDBG National Objectives:

1. Benefit persons of low- and moderate-income, including those presumed to be low- and moderate-income as described at 24 CFR Part 570.208(a)(1)(ii)(A) and those who are able to supply appropriate evidence of low- and moderate-income status as described at 24 CFR Part 570.208(a)(1)(ii)(B). For area benefit activities described at 24 CFR Part 570.208(a)(1)(i), the project must have a direct impact on a primarily residential area in which the total population residing in the designated Census Tract block groups is at least 51.00 percent low- and moderate-income. The Census Tract block groups do not need to be coterminous, but must be the entire area served by the project. Note that the low- and moderate-income percentage is subject to change each year based on data supplied to the City by HUD.
2. Aid in the prevention or elimination of blight.
3. Meet other community development needs of particular urgency (usually the result of a natural disaster).

More detailed information on Eligible Activities and National Objectives can be found in the *Guide to National Objectives and Eligible Activities for Entitlement Communities* handbook. This document can be found on the U.S. Department of Housing and Urban Development web site at:

<https://www.hudexchange.info/resource/89/community-development-block-grant-program-cdbg-guide-to-national-objectives-and-eligible-activities-for-entitlement-communities/>.

Ineligible CDBG Activities

Pursuant to 24 CFR 570.207, the following activities may not be assisted with CDBG funds unless authorized under provisions of 24 CFR 570.203 or as otherwise specifically noted here or when carried out by an entity known as a Community Based Development Organization pursuant to 24 CFR 570.204:

1. Funds spent on buildings used for the general conduct of government, except to remove architectural barriers to the mobility or accessibility of elderly persons or of adults meeting the Bureau of the Census Current Population Report definition of “severely disabled.”
2. General government expenses, which includes expenses required to carry out the regular responsibilities of the unit of general local government.
3. Political activities.
4. Purchase of equipment:
 - a. Construction equipment. The purchase of construction equipment is ineligible, but compensation for the use of such equipment through leasing or depreciation pursuant to 2 CFR part 200, subpart E, as applicable for an otherwise eligible activity is an eligible use of CDBG funds. However, the purchase of construction equipment for use as part of a solid waste disposal facility is eligible under §570.201(c).
 - b. Fire protection equipment. Fire protection equipment is considered for this purpose to be an integral part of a public facility and thus, purchase of such equipment would be eligible under §570.201(c).
 - c. Furnishings and personal property. The purchase of equipment, fixtures, motor vehicles, furnishings, or other personal property not an integral structural fixture is generally ineligible. CDBG funds may be used, however, to purchase or to pay depreciation in accordance with 2 CFR part 200, subpart E, for such items when necessary for use by a recipient or its subrecipients in the administration of activities assisted with CDBG funds, or when eligible as fire fighting equipment, or when such items constitute all or part of a public service pursuant to §570.201(e).
5. Operating and Maintenance Expenses. The general rule is that any expense associated with repairing, operating or maintaining public facilities, improvements and services is ineligible. Specific exceptions to this general rule are operating and maintenance expenses associated with public service activities, interim assistance, and office space for program staff employed in carrying out the CDBG program. For example, the use of CDBG funds to pay the allocable costs of operating and maintaining a facility used in providing a public service would be eligible under §570.201(e), even if no other costs of providing such a service are assisted with such funds. Examples of ineligible operating and maintenance expenses are:
 - a. Maintenance and repair of publicly owned streets, parks, playgrounds, water and sewer facilities, neighborhood facilities, senior centers, centers for persons with a disabilities, parking and other public facilities and

- improvements. Examples of maintenance and repair activities for which CDBG funds may not be used include the filling of potholes in streets, repairing of cracks in sidewalks, the mowing of recreational areas, and the replacement of expended street light bulbs; and
- b. Payment of salaries for staff, utility costs and similar expenses necessary for the operation of public works and facilities.
6. New housing construction, except that certain activities in support of the development of low or moderate income housing may be eligible such as the costs of site assemblage (land acquisition) and the provision of public improvements when those improvements are publicly owned and are undertaken by the City using CDBG funds.
 7. Income payments, such as housing allowances, down payments, and mortgage subsidies, except emergency grant payments made over a period of up to three consecutive months to the provider of such items or services on behalf of an individual or family.

Emergency Solutions Grant (ESG) Program

Introduction

The ESG program is designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those persons to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. The ESG regulations include the following eligible activities: street outreach, emergency shelter, homelessness prevention, and rapid re-housing. The City will be undertaking program administration and will enter into an agreement with the local operator of the countywide Homelessness Management Information System (HMIS).

HUD requires grantees including the City of Irvine to determine the activities to be funded through their local Consolidated Planning process. The Consolidated Planning process includes citizen participation and consultation with various organizations, including the local Continuum of Care. Similarly, the Continuum of Care is required to coordinate with ESG recipients on homeless assistance activities and funding. The City of Irvine conducted consultations with the Continuum of Care and current homeless service providers serving Irvine residents during the spring of 2021. Homeless and/or formerly homeless individuals were also consulted.

For the 2024 NOFA, the City will accept applications for any of the eligible ESG activities in the NOFA. The total amount of funds awarded for street outreach and emergency shelter activities may not exceed 60 percent of the City's ESG grant. The minimum application amount (request amount) is \$50,000. Applicants must adequately support the need for the proposed activity in Irvine and clearly establish that the activity will benefit those at risk of homelessness in Irvine or those who are currently homeless in Irvine.

Eligible Activities

Street Outreach

In accordance with 24 CFR 576.101, essential services related to reaching out to unsheltered homeless individuals and families, connecting them with emergency shelter, housing, or critical services, and providing them with urgent, non-facility-based care. Eligible costs include engagement, case management, emergency health and mental health services, transportation, and services for special populations.

Emergency Shelter

In accordance with 24 CFR 576.102, renovation, including major rehabilitation or conversion, of a building to serve as an emergency shelter. The emergency shelter must be owned by a government entity or private nonprofit organization. The shelter must serve homeless persons for at least 3 or 10 years, depending on the type of renovation and the value of the building. Note: Property acquisition and new construction are ineligible ESG activities.

Essential Services, including case management, child care, education services, employment assistance and job training, outpatient health services, legal services, life skills training, mental health services, substance abuse treatment services, transportation, and services for special populations.

Shelter Operations, including maintenance, rent, repair, security, fuel, equipment, insurance, utilities, food, furnishings, and supplies necessary for the operation of the emergency shelter. Where no appropriate emergency shelter is available for a homeless family or individual, eligible costs may also include a hotel or motel voucher for that family or individual.

Homelessness Prevention

In accordance with 24 CFR 576.103, this assistance is intended for households that are currently housed, but that are at-risk of losing their housing, and that earn less than 30 percent of median family income for the area, as determined by HUD. This activity generally entails providing housing relocation and stabilization services and/or short and/or medium-term rental assistance necessary to prevent the individual or family from moving into an emergency shelter or another place described in paragraph (1) of the “homeless” definition in § 576.2.

Component services and assistance categories for homelessness prevention include:

1. Short-term (up to three months) and medium-term (four-24 months) rental assistance for up to 24 months in any three-year period, including up to six months of rental arrears, to individuals and families at imminent risk of homelessness. Housing assistance provided must be in permanent housing.
2. Homelessness prevention housing relocation and stabilization services, including financial assistance such as rental application fees, security deposits, advance payment of last month's rent, utility deposits and payments, moving costs, housing search and placement, housing stability case management, mediation, legal services, and credit repair.
3. HMIS and data collection, including staff costs for contributing data to the HMIS designated by the local CoC, including time to complete data entry, monitoring and reviewing of data quality. If the applicant agency is a victim services provider, funds may be used to establish and operate a City-approved and CoC-consistent comparable database. All ESG-funded activities shall comply with HUD's standards on participation, data collection and reporting under HMIS, including implementation of privacy policies to ensure that a program participant's personal identifying information is protected.

Rapid Re-Housing

In accordance with 24 CFR 576.104, housing relocation and stabilization services and/or short-and/or medium-term rental assistance as necessary to help individuals or families living in shelters or in places not meant for human habitation move as quickly as possible into permanent housing and achieve stability in that housing.

Eligible costs include:

- Rental Assistance: rental assistance and rental arrears
- Financial Assistance: rental application fees, security and utility deposits, utility payments, last month's rent, moving costs
- Services: housing search and placement, housing stability case management, landlord-tenant mediation, tenant legal services, credit repair

Minimum Requirements

The following threshold requirements shall be used to screen applicant eligibility for ESG funds:

- The application is submitted prior to the Application Deadline.
- The applicant is a nonprofit organization with federal 501(c)(3) tax-exempt status or a government entity.
- The applicant is in good standing with the California Secretary of State and Attorney General.
- The applicant is not debarred or prevented from participating in federally-assisted activities.
- The applicant has at least five (5) years of direct experience assisting the homeless or those at risk of homelessness.
- To the maximum extent practicable, the applicant must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG. This involvement may include employment or volunteer services.
- The application must be for ESG funds to implement activities that are eligible pursuant to 24 CFR Part 576.
- The applicant must address its ability to meet the required dollar-for-dollar funding match of the total grant award (see Exhibit 2 of the application form).
- The applicant must participate in the CoC's Homeless Management Information System (HMIS) or, if a victim service provider, be able to maintain an alternative database.
- The applicant must demonstrate the ability to meet applicable City requirements (See Exhibit 15 of the ESG Application).

HOME Investment Partnerships (HOME) Program

Introduction

The HOME program was created under Title II of the National Affordable Housing Act of 1990. The general purposes of HOME are: expanding the supply of decent and affordable housing, particularly rental housing, for low- and very low-income households; strengthening the ability of local government to design and implement strategies for achieving adequate supplies of decent affordable housing; and extending and strengthening partnerships among all levels of government and the private sector, including for-profit and nonprofit agencies, in the production and operation of affordable housing.

Funding applications through the City of Irvine's HOME program will be assessed for conformance with the HOME Program regulations at 24 CFR Part 92, including but not limited to cost reasonableness, market demand, developer capacity and the commitment of other funding sources. Additional considerations include conformance with the City's Housing Strategy and Implementation Plan and the goals, policies and housing programs included on pages 8-1 through 8-28 of the adopted and certified 2021-29 Housing Element of the General Plan. The Housing Strategy and Implementation Plan may be found online at: <http://www.cityofirvine.org/community-development/affordable-housing>. The Housing Element of the General Plan may be found online at: <http://www.cityofirvine.org/community-development/current-general-plan>.

City of Irvine's HOME Program

The HOME program generally provides for a wide range of eligible affordable housing activities. Within that framework, the City established a set of guidelines to assist it in meeting federal and local objectives. These include:

1. Working only with incorporated public, nonprofit and for-profit entities demonstrating appropriate capacity relative to the activity to be undertaken.
2. Requiring applicants to assist in satisfying the City's 25 percent match obligation. Matching contributions must be a permanent contribution to affordable housing and from non-federal sources. Qualifying project match includes, but is not limited to, cash, value of donated land and real property, and value of donated materials and labor. Proposed sources of matching funds must be approved and consistent with program regulations found at 24 CFR 92.220.

Priority Considerations

This NOFA process shall prioritize allocation of HOME funds to programs and projects that:

1. Conform to the City's Housing Strategy and Implementation Plan and the goals, policies and housing programs included on pages 8-1 through 8-28 of the adopted and certified 2021-29 Housing Element of the General Plan.

Eligible Applicants

1. Applicants must be an incorporated public, nonprofit or for-profit agency able to undertake the approved program or project within the boundaries of the City of Irvine.
2. Applicants must demonstrate the financial management and programmatic expertise to successfully develop, design, implement and monitor the proposed program or project. This expertise can be demonstrated through previous experience in successfully developing projects similar to the one proposed, either by partners or key staff within the agency.
3. Applicants must be able to meet all federal, State of California, and City of Irvine requirements relative to the HOME program, specifically those concerning equal opportunity and fair housing, affirmative marketing, environmental review, displacement, relocation, acquisition, labor, lead-based paint, conflict of interest, debarment and suspension and flood insurance. Pertinent federal requirements are noted in *General Requirements*. All applicants should be aware that if funded, additional requirements will apply.
4. Applicants seeking consideration for funds to be reserved for Community Housing Development Organizations (CHDOs) are advised that funds awarded under this category are contingent upon certification as a CHDO by the City. Applicants are advised that additional documentation to support City's determination of your agency's CHDO status shall be requested by the City subsequent to submission of an application. Such additional documentation shall be provided to the City within 14 days of such request or your agency's application may not be considered for HOME funding. A Community Housing Development Organization (CHDO) has among its purposes the provision of decent housing that is affordable to low- and moderate-income persons; has a demonstrated capacity to carry out activities assisted with HOME funds including paid employees with experience implementing the type of project proposed for HOME funding; has a history of serving the community within which the housing to be assisted with HOME funds is located; is organized under state laws; has standards of financial accountability; has tax exemption under section 501(c) of the Internal Revenue Code; and maintains at least one-third of its governing board's membership for residents of low-income neighborhoods, other low-income community residents, or elected representatives of low-income neighborhood organizations.

Eligible Activities

There are two eligible HOME activity types in the City's Consolidated Plan.

1. Affordable Housing Development
2. Affordable Housing Preservation (rehabilitation)

Please note that any activity funded through the HOME program must result in the creation of affordable housing and that any units previously subsidized with HOME funds are not eligible for additional financial assistance under the HOME program for the duration of all HOME affordable housing regulatory controls.

Eligible Costs

1. Rehabilitation
2. Reconstruction
3. Acquisition of housing
4. Acquisition of land for housing (only if construction will begin within 12 months)
5. Demolition (only if construction will begin within 12 months)
6. Relocation
7. Capitalization of project reserves
8. Project-related soft costs

Eligible Activities for CHDOs

1. New construction of rental housing
2. Acquisition and/or rehabilitation of rental housing
3. Acquisition and/or rehabilitation of homebuyer properties
4. New construction of homebuyer properties
5. Direct financial assistance to buyers of housing developed by a CHDO with HOME funds

CDBG, ESG, & HOME NOFA Frequently Asked Questions

1. *Will we be held to the budget, timeline, and goals in the application?*

Yes. All will be part of your agreement with the City.

2. *What if something happens and we need to change our budget, timeline, or goals?*

An amendment to the agreement can be executed if there are legitimate reasons for doing so. However, you should not count on this, particularly if your agency wants an amendment because it did not begin the project on time or has changed its mind about the project scope or budget.

3. *Will we get the full amount of funding requested?*

Projects may receive full or partial funding depending on the nature of the project, amount requested, funds available and NOFA evaluation criteria results. If your project is not viable without full funding, make sure to indicate this fact on your application.

4. *Are leveraged/matching funds required?*

If applying for CDBG Public Service funds, leveraged funds from other federal, state, local, or private sources are not required but strongly encouraged. If applying for CDBG or HOME Capital Project funds, a 25 percent non-federal fund contribution towards the project is required. If applying for ESG funds, matching funds are required at a 1:1 ratio pursuant to 24 CFR 576.201. The application shall demonstrate how the matching requirement will be met.

5. *When will we know whether we will be funded? When can we spend the money?*

The City anticipates making preliminary award notification between April 23, 2024 and June 30, 2024, with funds available for reimbursement beginning on or about October 1, 2024. Receipt of an award letter is not a final guarantee of funding. Agencies must receive a written Notice to Proceed.

6. *Can we spend our money now and be reimbursed by CDBG/ ESG/HOME funds later?*

No. If you commit or expend funds before receiving Notice to Proceed, you will not be eligible for reimbursement at any time.

7. *Will we hear from you even if our application does not receive funding?*

Yes. All agencies will be notified in writing whether their application will be fully or partially funded or not funded at all.

8. *Is it acceptable to submit the original application late as long as it is faxed, or mailed by the submission deadline?*

No. The City of Irvine Housing & Supportive Services Division must receive the complete application package via email to CDBG@cityofirvine.org no later than the submission deadline. Faxed or mailed applications will not be accepted. Applications received by the Housing & Supportive Services Division after the deadline has passed will not be accepted. Please plan accordingly.
