

Electrification 101 Workshop

Wednesday, January 17 | 6–8 p.m.

Irvine City Hall, Conference Training Center

The City of Irvine is partnering with the Switch is On and Southern California Edison to provide the community with a free Electrification 101 Workshop. An event expo offers the chance to connect with local organizations and contractors. Attendees will learn:

- ✓ What it means to transition from gas to electric-powered appliances.
- ✓ What federal, state, and local rebates are available.
- ✓ How to make energy-efficient upgrades that save both energy and money.
- ✓ How local residents have made the switch from firsthand testimonials.
