# Into the Garden

November 18–February 3

Exhibition Opening: November 18, 2–4 p.m.

*Into the Garden* couples works on fabric by Dani Dodge and sculptural works by Carolyn Mason in an environment that invites viewers to indulge in the act of looking and imagining.

The exhibition features Mason's vivid sculptures comprised of expanding foam, wood, various metals, and felt. Transformed by the artist's imaginative use of materials, and drawing upon inspiration found in biological forms such as fungi, fauna, and reptiles, Mason's works stand before viewers as radically new objects that evoke curiosity. Similarly evocative of a sense of wonder and discovery, Dodge's fabric and ink installation reflects affirmative moments the artist has spent in the Southern California desert.
