

# Jamboree & Michelson Pedestrian Bridge Construction Contract

## Pre-Bid Industry Outreach

Wednesday, June 26, 10 a.m. (PDT) | Virtual Meeting  
[Register Now](#)

Join us for a pre-bid outreach event regarding the unique and innovative Jamboree/Michelson Pedestrian Bridge within the City of Irvine in Orange County, CA.

### The bridge will feature:

- Structural Stainless Steel
- Geometrically Complex Cladding Frame Nodes (3D Printed, Cast, or Welded)
- Elevators
- Timber (Black Locust) Deck Panels
- Glass Curtain Walls
- Color Changing Lighting
- Glass Safety Railing
- Lock Up Devices
- Corian Cladding (Complex Façade)

For more information or to register, visit [cityofirvine.org/pedestrianbridge](https://cityofirvine.org/pedestrianbridge).
