GENERAL OVERVIEW

Executive Summary

The City of Irvine (City), California has been allocated \$56 million of American Rescue Plan Act (ARPA) – State and Local Fiscal Recovery Funds (SLFRF) to address the impact and recovery of the COVID-19 pandemic and address opportunities needed to prepare for future such events in alignment with U.S. Treasury Rules. As of June 30, 2024, the City has received its complete allocation of \$56 million.

At the December 6, 2021 and April 26, 2022, City Council meetings, the Councilmembers approved the City calculated revenue loss for the twelve-month period ended December 31, 2020 and December 31, 2021 of \$34.3 million and 22.1 million respectively. The total declared revenue loss has been used for government services.

As of June 30, 2024, all funds have been expended.

Uses of Funds

As of June 30, 2024, all funds have been expended for government services through a declared revenue loss.

Promoting equitable outcomes

All funding was expended for government services as a result there were no projects that promoted Equitable Outcomes.

Community Engagement

The City's webpage provides the Community the latest information concerning the ARPA funding and other important information regarding the use of ARPA funds. Some of the information available on the webpage are:

- Detailed ARPA information.
- Important Dates and Key Materials.
- Dedicated email address for questions and feedback.
- City reporting related to ARPA.

In the detailed ARPA information section is a video available in six different languages, which informs the Community on ARPA funding information.

The webpage is located at www.cityofirvine.org/city-managers-office/american-rescue-plan-act-funds.

Labor Practices

All funding was expended for the provision of government services therefore the tracking of labor practices is not required.

Use of Evidence

All funding was used for government services consequently there are no projects requiring an evidence based approach.
