

MELINDA LIU

City of Irvine Commissioner/Attorney

Dear Neighbor,

I've had the privilege of serving our community as City of Irvine's Finance Commissioner and a dedicated community volunteer. I'm now ready to serve as your next Irvine City Councilmember.

I've been endorsed by Irvine's Firefighters and first responders because they believe in my vision and know I will ensure our neighborhoods remain safe and resilient by prioritizing public safety.

As Finance Commissioner, I've overseen Irvine's \$750+ million budget, ensuring responsible fiscal management and transparent allocation of your tax dollars. My proven ability to make sound financial decisions ensures I'll hit the ground running on Day One.

As a working mom who has raised three children while caring for my aging parents, I understand our residents' challenges. My experience drives my dedication to creating a thriving environment for all Irvine families.

As Councilmember, together we will:

Create housing options so the children who we raise in Irvine, can afford to live in Irvine.

Enhance prevention measures to protect our homes from wildfire threat.

Invest in schools to ensure our children have access to excellent education.

I am proud to be supported by Congresswoman Katie Porter, Councilmember Tammy Kim, and working families.

I humbly ask for your vote. Thank you.
