Department Directors shall annually designate which positions will be assigned bilingual duties and which languages shall be eligible for bilingual pay. Qualified employees who meet the following criteria shall receive an additional \$50 per month, paid biweekly.

- A. An employee must be assigned to speak or translate a language in addition to English as part of their position responsibilities. This includes such specialized communication skills as sign language.
- B. To become qualified, employees must be certified as qualified by the Personnel Officer or designee.
- C. Any employee who has been determined as qualified for bilingual pay and who is on any leave of absence for at least one calendar month, exclusive of accrued vacation or compensatory time, will be ineligible for bilingual pay until his/her return to work. Upon his/her return to work, the employee will be reinstated into the bilingual pay program and receive his/her \$50 monthly stipend effective the first working day of the new calendar month following her/her return to work. The employee will not be required to perform bilingual interpretation services during any period in which he/she are not receiving the bilingual pay stipend.
- D. For positions requiring extensive contact with the public or contractors, bilingual pay will be rotated among employees who are deemed as qualified by the City. The Department Director will have the discretion to determine the number of employees and the sections/units that qualify to participate in a "rotation pool." Rotations will occur every 12 months, effective the first pay period each November. It is the Department Director's sole discretion to determine the order of rotation among the qualified employees. An employee, who has not

performed bilingual duties within the rotation for a period of 24 months or longer, must be re-certified by the City in order to receive bilingual pay.

An employee in a bilingual assignment may request to have the bilingual assignment and corresponding pay removed.

30. Funeral Expenses

The City will cover all funeral expenses in the event an employee covered by this agreement dies in the line of duty.

SECTION 3. SEVERANCE

SECTION 4. ADMINISTRATION OF COMPENSATION POLICY

The Personnel Officer shall establish procedures for the efficient administration of the compensation policy described in this Resolution.

The City Manager shall approve procedures for movement of an individual employee through salary ranges. Such procedures shall be reviewed annually. All adjustments to the salary ranges contained within this Resolution shall be approved by the City Council.

SECTION 5. EMPLOYEE RESPONSIBILITIES

Since it is the City's policy to recruit highly qualified staff at a competitive total compensation level, the employees shall be responsible for striving to meet the high performance standards established by the City management.

SECTION 6. EFFECTIVE DATE
