MEMORANDUM OF UNDERSTANDING  
BETWEEN  
IRVINE CITY EMPLOYEES ASSOCIATION  
AND  
CITY OF IRVINE

NOVEMBER 12, 2022 to June 30, 2029

Article 1 - Preamble

This Agreement is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500 et seq.) and City Resolution No. 341, for the purpose of memorializing the Agreements reached between the City and Irvine City Employees Association (ICEA) as part of the meet-and-confer process, in order to provide harmonious relations, cooperation and understanding between the City and its employees.

Article 2 - Recognition

ICEA is hereby acknowledged as the exclusive Recognized Employee Organization representing the employees in the classifications listed in Attachment I (Full-time, hourly, non-sworn, non-confidential employees).

Article 3 - Purpose

The parties agree that the purpose of this Agreement is: to promote and provide harmonious relations, cooperation and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving differences which may arise under this Agreement, and to set forth the full agreements of the parties reached as a result of meeting and conferring in good faith regarding matters within the scope of representation for employees represented by the ICEA.

#### Article 4 - Scope

The scope of representation shall include all matters relating to employment conditions and employer-employee relations, including, but not limited to, wages, hours, and other terms and conditions of employment, except, however, that the scope of representation shall not include consideration of the merits, necessity, or organization of any service or activity provided by law or executive order.

#### Article 5 - City Rights

The City retains all rights it had prior to this Agreement except those rights specifically delegated by this Agreement, provided the City shall exercise those rights in compliance with applicable state law, the City Charter, and the provisions of this Agreement.

Except as expressly limited by this Agreement, the City retains the exclusive right (a) to direct employees of the City; (b) to hire, promote, transfer and assign employees to positions within the City; (c) to dismiss employees because of lack of work; (d) to reprimand, demote, suspend or discharge employees for proper cause as provided by City Ordinance; (e) to determine the mission of the City and its various departments, its budget, its organization, the number of employees, and the methods and technology for performing its work; and (f) to take whatever action may be appropriate to carry out its mission in situations of emergency. The parties further understand that all rights not clearly and expressly limited by this Agreement are specifically reserved to the City, even though not enumerated.

#### Article 6 - Employee Rights

The City shall not hinder, interfere, intimidate, restrain, discriminate, coerce, or discipline any employee for exercising any rights or benefits provided in this Agreement or law.

#### Article 7 - Association Rights

ICEA shall notify the City in writing of the names of its representatives as follows: Consultant, Officers, Bargaining Committee Members, and Departmental Representatives.

The City shall provide ICEA on a monthly basis, if changes occur, with the following: A list of employees in the classifications set forth in Attachment 1; the names of new hires, promotions, and terminations in the classifications set forth in Attachment 1; City of Irvine job postings; and copies of current salary schedules. On a quarterly basis, the City will provide ICEA with names and home addresses of all ICEA-represented employees. This information is for the confidential use of ICEA and the City shall not be responsible and will be held harmless by ICEA for inappropriate release of this information by ICEA. Upon written request, the ICEA shall receive available information relating to contract administration and fringe benefits including pension and insurance plans.

The City shall make available reasonable bulletin board space in designated employee areas for the use of ICEA to post notices relating to matters of interest to ICEA and to the employees. Areas will include the employee lounge, one locked bulletin board at the Operations Support Facility, and one coffee/copy center in each major department.

A reasonable number of employees shall be entitled to leave their work during working hours without loss of pay for reasonable periods of time, with prior approval of their supervisor, for purposes of participation in the meet-and-confer process.

A designated ICEA representative shall be entitled to leave his/her work during working hours without loss of pay for reasonable periods of time, with prior approval of their supervisor for purposes of reviewing and processing grievances.

ICEA staff may have access to ICEA members providing that supervisors are notified prior to a meeting being scheduled and that meetings held will not interfere with work.

In order to allow the Association an opportunity to handle the business affairs of its members, the City shall, at the beginning of each calendar year, establish a time bank of 220 hours to be used by board members as authorized by the Association president, for training, grievances, board meetings, etc. The Association agrees the effective operation of the City departments are not to be adversely affected by the use of the time bank by the association members. No overtime will be paid for an employee to fill in for another using the time bank.

Hours from the time bank will not be cumulative from year to year. Time for meet-and-confer preparation and meetings and/or attendance at special meetings called by the City shall not be charged against the time bank.

The City shall allocate office space to ICEA in the Civic Center at no cost to ICEA. At the orientation of new employees, a City-approved ICEA informational packet will be provided to those who would be eligible to join ICEA. In addition, ICEA and/or its representative will be provided with the opportunity to have 10-minute access to employees in ICEA-represented positions during new employee orientation.

#### Article 8 - Payroll Deductions

The City will, during the term of this Agreement, deduct bi-weekly dues and other fees as specified by ICEA under the authority of a membership application signed by each participating employee which shall be approved by ICEA and remitted promptly to the Payroll Office.

#### Article 9 - Quarterly City-ICEA Meetings

The City's designated management staff shall meet with the ICEA President, representative and ICEA board members, on a quarterly basis. The purpose of these meetings is to discuss issues of common interest and to solve mutual problems in a constructive fashion. The parties shall exchange suggested agenda topics one week before the meeting date. Grievances or disciplinary action in progress may be discussed at these meetings only by mutual consent, and discussion of such topics does not preclude subsequent resolution via the grievance or disciplinary procedure. Meet-and-confer subjects may be discussed by mutual consent, but this does not preclude exercise of further meet-and-confer options by either party. Persons other than those described above may attend these meetings only by prior mutual consent.

#### Article 10 - Complaint Resolution Procedure

##### A. Purpose

To enhance communications between employees and supervisors and management by providing employees a process for the review of complaints or concerns not

covered by the grievance process within a reasonable time period without jeopardizing employees' positions or employment.

B. Matters Subject to the Complaint Resolution Procedure

A complaint may be filed for alleged violation of any personnel rule or regulation not grievable under Article 11 Grievance Procedure or alleged unfair treatment of an employee. Complaints involving alternative work schedules or promotional recruitments would appropriately fall under this procedure.

C. Complaint Resolution Procedure

Any complaint or concern not covered by the grievance process shall be resolved as follows:

1. The employees shall first attempt to resolve the matter with his/her immediate supervisor within seven (7) calendar days from the date the employee had notice of the action that he/she believes constitutes a complaint.
2. In the event that the immediate supervisor does not resolve the matter to the employee's satisfaction within fourteen (14) calendar days of the employee's presentation of the matter, then the employee may bring the matter to the attention of the next level of authority (i.e., the immediate supervisor's direct supervisor) within fourteen (14) calendar days of the receipt of response from the immediate supervisor.
3. If the next level of authority does not resolve the matter to the employee's satisfaction within fourteen (14) calendar days of the employee's presentation of the matter then the employee may bring the matter in writing to the attention of the Department Director, within fourteen (14) calendar days of receiving a response.
4. If the complaint is not resolved by the Department Director to the satisfaction of the employee within fourteen (14) calendar days of the Department Director's receipt of the written complaint, the employee may request in writing,

review of the complaint by the City Manager's office. The employee shall present his/her complaint in writing, summarizing efforts to resolve the complaint and a copy of the Department Director's response. The City Manager shall consider the matter and make a final decision.

5. In the case of an incident of serious unfair treatment of an employee, which is not resolved through the Complaint Resolution Procedure, the employee may file a formal grievance with his/her department director within appropriate time frames.

Any extension of the time limits specified in this process may be provided when mutually agreed upon by all parties concerned.

#### Article 11 - Grievance Procedure

##### A. Purpose

The purpose of the grievance procedure is to enhance communication between employees and employer by providing a fair and impartial review and consideration of grievances within a reasonable time period without jeopardizing employees' positions or employment.

##### B. Matters Subject to the Grievance Procedure

A grievance may be filed by an employee for the alleged violation of any personnel rule or regulation related to mandatory subjects of bargaining and not specifically reserved to the City in the City Rights Clause, Article 5; for the alleged violation of a section of this Agreement; or alleged violation of commonly accepted safety practices or procedures, or a dispute over an annual performance evaluation rating received by an employee with an overall rating of needs development, or unsatisfactory. The grievance procedure shall not be used to establish new policies or change any existing rules and regulations or in lieu of the Complaint Resolution Procedure - Article 10. It shall not be used in matters resulting from disciplinary action or other appeal procedures that exist in accordance with the Personnel Ordinance and Resolution.

Any matter being grieved by an employee will be kept confidential by immediate supervisors and higher-level authorities except in conjunction with the investigation of the grievance.

C. Informal Grievance Adjustment

An employee who believes an alleged violation of matters subject to the grievance process has occurred shall first be required to exhaust the informal grievance level prior to filing a formal grievance. The employee shall have fourteen (14) calendar days from the date the employee had notice of the alleged violation that he/she believes constitutes a grievance.

The informal grievance level shall consist of the employee verbally informing his/her immediate supervisor, or next higher level of supervision if the employee's grievance is with that supervisor, of the alleged violation. The supervisor to whom the verbal grievance is made shall make whatever investigation he/she deems necessary and reply within fourteen (14) calendar days. Any matters for which he/she does not have authority to make a decision should be brought to the attention of a higher-level supervisor who does have the proper authority.

If the employee is not satisfied with the decision reached through the informal discussion, he/she may bring the matter to the attention to the next level of authority (i.e., the immediate supervisor's direct supervisor) within fourteen (14) calendar days of the immediate supervisor's response. The next level of authority shall have fourteen (14) calendar days to reply. If the employee is still not satisfied with the decision, he/she may file a formal grievance within fourteen (14) calendar days after having received the reply.

In incidents involving disputes of the Agreement with an employee group, a representative of the involved group may meet with a designated representative of the City in an informal attempt to resolve the matter. Employees have the right to authorize the Association to represent them in any grievance under this provision, informal or formal.

D. Formal Grievance Procedure

1. First Level

The formal grievance procedure may be followed only after failure to resolve a problem through informal grievance adjustment. If, after this discussion, the employee is not in Agreement with the decision reached, he/she may, within fourteen (14) calendar days, file a formal grievance in writing to their Department Director, with a copy to the Personnel Officer (i.e., the Assistant City Manager or his/her designee). The Department Director shall make whatever investigation he/she deems necessary to allow fair consideration of the situation and shall present a written reply to the employee within fourteen (14) calendar days after receipt of the grievance. A copy of the reply shall be forwarded to the Personnel Officer.

2. Second Level

In the event the grievance is not satisfied with the decision at the Department Director level, the grievant may appeal the decision to the Assistant City Manager or his/her designee, within fourteen (14) calendar days of receipt of the decision. This written appeal statement should include a copy of the original grievance, the decision rendered at a previous level, and a clear, concise statement of the reasons for the appeal. The written appeal described herein shall not expand the scope of the formal grievance submitted to the Department Director.

The Assistant City Manager or his/her designee shall communicate a decision within fourteen (14) calendar days after receiving the appeal. Either the grievant or the Assistant City Manager may request a personal conference within the foregoing limits to discuss the grievance. Either party may have a representative present at such a conference.

3. Third Level

If the grievant is not satisfied with the decision by the Assistant City Manager, he/she may request the Association to submit the grievance to advisory arbitration, or appeal directly to the City Manager.

a. Advisory Arbitration Procedure

If the Association concurs with the employee request for advisory arbitration, the Association shall within twenty-eight (28) calendar days of the Assistant City Manager's decision to submit a request in writing to the Assistant City Manager for advisory arbitration of the dispute and the City shall comply with the request, except in cases of disputed arbitration which shall be provided for hereinafter. The Association and the City shall attempt to agree upon an arbitrator and if no agreement can be reached, the parties shall request the State Mediation and Conciliation Service (SMCS) to supply a panel of seven (7) names of persons experienced in hearing grievances for cities. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the Advisory Arbitrator. The order of striking shall be determined by mutual agreement or flipping a coin

The fees and expenses of the arbitrator and the hearing shall be borne equally by the City and the Association. All other expenses, including fees for witnesses and conferees, or the costs for witnesses and conferees, shall be borne by the party incurring them.

The Advisory Arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues that were submitted to advisory arbitration. If the parties cannot agree upon the issues for the arbitrator to decide, the arbitrator shall determine the issue(s) to decide based on the grievance and other evidence submitted by the parties including the responses at the lower levels. In cases where the City contends that the grievance submitted is not arbitrable, the Advisory Arbitrator shall

rule on the arbitrability of the issue and the arbitrator's decision on arbitrability cannot be challenged by the City or overturned.

The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or City Policy.

After a hearing and after both parties have had an opportunity to make written arguments, the Advisory Arbitrator shall submit, within thirty (30) calendar days to all parties the written findings and advisory recommendations that he/she has prepared.

The City Manager shall have the authority to accept the recommendation of the advisory arbitrator in whole, or in part, or reject the recommendation entirely and formulate his/her own decision on the grievance. The decision of the City Manager shall be provided to all parties within thirty (30) calendar days.

The City Manager has the power to render a final decision of a grievance, which shall be binding on all parties. If, upon review, the City Manager determines that he/she is unable to render a final determination on the record, he/she may reopen the record for the taking of additional evidence prior to rendering the binding decision.

b. City Manager Review

If the Association does not concur with the employee request for advisory arbitration, the employee, within thirty-five (35) calendar days of the Assistant City Manager's decision, may request and shall be granted a hearing by the City Manager, which will be closed to the public but open to all parties at interest for final resolution of the grievance.

E. General Conditions

1. A formal grievance on interpretations/actions of this Agreement, not involving a specific supervisor or Department Director may be submitted directly to the Personnel Officer or his/her designee. The decision of the City Manager on

Agreement disputes shall not restrict an employee from other avenues of appeal available under law.

2. The Personnel Officer shall receive and retain copies of all written material pertaining to the grievance.
3. At any step of the informal grievance adjustment or formal grievance procedure, a Department Director, supervisor, or employee may request a representative of the Human Resources Office to participate in any discussion which may take place.
4. Grievance may be initiated only by the concerned employee or group of concerned employees or ICEA.
5. An employee may represent himself/herself or select whomever he/she desires to represent him/her in the grievance procedure.
6. If an employee fails to proceed with a grievance within any of the time limits specified in this policy, it shall be assumed that the grievance has been settled on the basis of the last decision reached.
7. If management fails to respond within any of the time limits specified in this policy, the employee may proceed to the next level as if management responded on the last day possible.
8. Any extension of the time limits specified in this process may be provided when mutually agreed upon by all parties concerned.

## Article 12 - Disciplinary Action

### A. Disciplinary Authority

The Department Director shall have the right, with reasonable cause, to demote, dismiss, reduce in pay or accrued leaves or suspend without pay for up to thirty (30) calendar days any regular (i.e., passed probation) member of the unit.

### B. Disciplinary Procedure

Upon determination that some form of discipline should be imposed upon an employee, the Department Director or his/her designee shall provide the employee with written notice, which includes the components listed below.

1. The proposed action to be taken.
2. The charges on which the proposed action is based, including all relevant written materials, written reports, and documents which support these charges.
3. The proposed date on which the disciplinary action will take place.
4. The fact that the employee is entitled to respond to the charges either orally or in writing to the Department Director at least seven (7) calendar days after receipt of notification. If the written notice has been issued by the Department Director, the employee may direct his/her response to the Personnel Officer. Failure of the employee to make a written or oral response of request will constitute waiver of the right to respond.
5. If the employee elects to respond in person, a meeting shall be conducted at which the employee shall be given the opportunity to respond to the charges. The meeting shall be held by the Department Director or the Personnel Officer in those instances where the written notice has been issued by the Department Director. The employee shall be entitled to be represented by counsel or other person of his/her choosing during the course of the above proceeding.

6. After following the above procedure, the Department Director shall prepare the written notice of decision to be served personally upon the employee. Said notice shall inform the employee of his/her appeal rights, if any.

The City shall have the right to place any employee on paid administrative leave pending investigation and processing of any potential disciplinary action. The provisions of this Article shall not apply to reductions in pay that are part of a general plan to reduce salaries and wages or to eliminate positions.

C. Appeal

1. Right of Appeal

When formal disciplinary action of dismissal, demotion, reduction in pay, accrued leaves or suspension without pay for three (3) or more days has been taken pursuant to this Article, the employee shall have the right to appeal as provided below. Failure to appeal by the employee or his/her representative will make the disciplinary action final and conclusive.

2. Appeal Procedure

An employee who has passed initial probation who has been demoted, dismissed, reduced in pay or accrued leaves or suspended without pay for three (3) or more days may appeal to the City Manager within fourteen (14) calendar days after having been furnished with a copy of the notice of discipline by filing a written answer to such charges and requesting a hearing thereon.

3. Hearing Procedure

- a. The City Manager shall appoint a Hearing Officer to conduct hearings on appealable disciplinary action imposed pursuant to this Article. In case of termination, however, the Association may request a Hearing Officer be selected from a list provided by the State Mediation and Conciliation Service (SMCS). The parties shall request the SMCS to supply a panel of seven (7) names of persons experienced in hearing disciplinary cases for cities. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the

Hearing Officer. The order of striking shall be determined by mutual agreement or flipping a coin. The Hearing Officer will not be an employee of the City of Irvine. If the Association requests a Hearing Officer from the SMCS, the costs of the Hearing Officer's services shall be equally divided by the Association and the City.

- b. Hearings shall be conducted in the manner most conducive to determination of the truth, and the Hearing Officer shall not be bound by technical rules of evidence.
- c. The Hearing Officer shall determine the relevancy, weight and credibility of testimony and evidence. The Hearing Officer shall base his/her findings on the preponderance of evidence.
- d. Each side will be permitted an opening statement and closing argument. The Department Director shall first present his/her witnesses and evidence to sustain the charges, and the employee will then present his/her witnesses and evidence in defense.
- e. Each side will be allowed to examine and cross-examine witnesses.
- f. Both the Department Director and the employee, or their respective designees, may be represented by legal counsel.
- g. The Hearing Officer shall, if requested by either party, subpoena witnesses and/or require production of other relevant records or material evidence.
- h. The Hearing Officer may, prior to or during a hearing, grant a continuance for any reason he/she believes to be important to his/her reaching a fair and proper decision.

- i. The Hearing Officer shall prepare a recommended decision and forward it to the City Manager after the matter of appeal was taken under submission by the Hearing Officer. The recommended decision shall set forth which charge the Hearing Officer sustains or does not sustain and the reasons therefore.
  - j. After receiving the recommendation of the Hearing Officer, the City Manager may sustain or reject any or all of the charges filed against the employee. He/she may sustain, reject or modify the disciplinary action invoked against the employee. However, in the event the City rejects the recommendation of the Hearing Officer to reverse a termination decision, the City will bear the entire costs of the Hearing Officer.
  - k. The employee or his/her representative may obtain a copy of the transcript of the hearing upon request and agreement to pay for necessary costs.
4. Appeal Procedure for Suspensions of Less Than Three (3) Days and Reductions of Accrued Leaves Equivalent to less than Three (3) Days
- a. A member of the unit who has received a reduction of accrued leaves of less than three days (3) or who has been suspended without pay for less than three (3) days, may appeal to the Department Director, or in the event the discipline has been issued by the Department Director, the Personnel Officer within seven (7) calendar days after having been furnished with a copy of the notice of discipline by filing a written answer to such charges and requesting a hearing.
  - b. Hearing Procedure:
    - At least seven (7) calendar days prior to the hearing, both parties shall provide a list of witnesses and/or exhibits to the Department Director or Personnel Officer.

- During the hearing, the Department Director or Personnel Officer shall hear and consider the evidence, witnesses, and/or exhibits from both parties.
- The Department Director or Personnel Officer may grant a continuance for any reason he/she believes to be important to reaching a fair decision.
- The Department Director or Personnel Officer shall consider all evidence and shall base his/her findings on the preponderance of evidence. He/she shall render his/her decision as soon as possible after the conclusion of the hearing, but in no event later than fourteen (14) calendar days after conducting the hearing, unless agreed to by the parties.
- The Department Director or Personnel Officer's decision shall be final and binding.

5. Mediation Procedure

In cases of dismissal, after the parties have selected a Hearing Officer and hearing date as provided above, the parties may, by mutual agreement, request non-binding mediation to resolve the dispute prior to arbitration. The selection of the mediator shall be made by mutual agreement. The costs of the mediator services shall be equally divided by the Association and the City.

D. Dismissal

Dismissal of any employee shall, unless otherwise ordered:

1. Constitute a dismissal as of the same date from all positions which the employee may hold in the competitive service.

2. Result in an automatic removal of the employee's name from all employment lists on which it may appear.
3. Terminate the salary of the employee as of the effective date of his/her dismissal, as indicated in the notice of discipline except that he/she shall be compensated for any unpaid salary, unused vacation and unused compensatory time off to his/her credit as of the date of dismissal.

E. Polygraph Examination

In reference to this provision, no disciplinary action shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take or refusal to take, or the results of a polygraph examination, be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.

Article 13 - Maintenance of Benefits

It is the understanding of the parties that the wages, hours and other terms and conditions of employment contained in this Agreement will not be reduced and shall remain in full force and effect during the entire term of this Agreement, except as expressly provided herein or except by mutual agreement.

Article 14 - Salary

Upon his/her return to work, the employee will be reinstated into the bilingual pay program and receive his/her \$50 monthly stipend effective the first working day of the new calendar month following his/her return to work. The employee will not be required to perform bilingual interpretation services during any period which he/she is not receiving bilingual pay.
4. For positions requiring extensive contact with the public or contractors, bilingual pay will be rotated among employees who are deemed as qualified by the City. The Department Director will have the discretion to determine the number of employees and the sections/units that qualify to participate in a "rotation pool." Rotations will occur every 12 months, effective the first pay period each November.

5. An employee in a bilingual assignment may request to have the bilingual assignment and corresponding pay removed.

ICEA agrees to meet with the Communications Administrator to reach an agreement if training needs within the Bureau change.

D. Class A/B License Stipend

This payment shall be made annually, no later than the pay period that includes December 1 of each year. E. Shift Differential

Employees who have been regularly assigned to a standard shift that requires them to work between the hours of 6 p.m. and 6 a.m. shall be paid additional compensation of \$1.50 per hour for each hour that is worked between 6 p.m. and 6 a.m. This provision applies to regularly scheduled shifts only. This payment does not apply to flex hours, (i.e., if an employee is able to flex his/her hours to work between 6 p.m. and 6 a.m.) overtime, holiday pay, emergency call-outs or other non-scheduled work during these hours.

F. Compensation For Employees Assigned to Care For Animals At Home

Employees who are assigned to care for animals in their home are entitled to compensation for the off-duty hours spent caring, grooming and feeding their animal. The parties acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for off duty caring, grooming and feeding of animals, entitles the parties to agree to a reasonable number of hours per week or per month for the performance of such duties. It is the intent of the parties through the provisions of this agreement to fully comply with the requirements of the Fair Labor Standards Act. In addition, both parties believe that this agreement does comply with the requirements of the Fair Labor Standards Act, including, but not limited to Department of Labor regulation 29 CFR Section 785.23.

Employees assigned as animal caregivers at home shall be paid \$7.25 per hour for such duties and are not permitted to work more than two (2) hours per week on such duties. The \$7.25 is intended to comply with the federal minimum wage per the FLSA. If that wage increases, the compensation for such duties will increase to match the federal minimum wage. Since such hours are in addition to an employee's regular work hours, if such employees exceed the overtime threshold for the week by the performance of the off-duty animal caregiver duties, employees will be paid at 1.5

times the \$7.25 per hour rate, i.e., \$10.875 (up to a maximum of two hours per week) for such duties for a total weekly amount of \$21.75.

1. Only Community Services employees who are regularly assigned to the Irvine Animal Care Center are eligible for this compensation;
2. The Department Director, with the concurrence of the Personnel Officer, will determine which assignments are eligible for this compensation, depending on the frequency and regularity of these duties.

G. SWAT Tactical Dispatchers

Tactical Dispatchers assigned to the SWAT team shall receive monthly special assignment compensation of one and one-half percent (1.5%) of the employee's regular rate of pay. The number of tactical dispatchers eligible for this pay shall be capped at six (6).

The parties agree that to the extent permitted by CalPERS or law the City will report this pay to CalPERS in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1(b)(3).

H. Drone Operator

Employees that are assigned to work as Drone Operators shall receive special assignment compensation of one and one-half percent (1.5%) of the employee's regular rate of pay.

The parties agree that to the extent permitted by CalPERS or law the City will report this pay to CalPERS in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1(b)(3).

I. Major Accident Investigation Team (MAIT)

Employees that are assigned to work the Major Accident Investigation team shall receive special assignment compensation of one and one-half percent (1.5%) of the employee's regular rate of pay.

J Support Dog Handler Pay

Employees assigned as Support Dog Handlers shall receive special assignment compensation of one and one-half percent (1.5%) of the employee's base rate of pay.

Employees who are assigned to the support dog detail with a canine assigned to them, and are not an alternate handler, are entitled to compensation for the off-duty hours spent caring, grooming, feeding, and training their canine and maintaining their canine vehicle/unit. The parties acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for off-duty canine duties, entitles the parties to agree to a reasonable number of hours per month for the performance of such duties. The Fair Labor Standards Act also allows the parties to agree on appropriate compensation for the performance of such off-duty canine duties. It is the intent of the parties through the provisions of this Article to fully comply with the requirements of the Fair Labor Standards Act. In addition, both parties believe that the following agreement does comply with the requirements of the Fair Labor Standards Act. Compensation for off-duty canine duties shall not be considered or reported as compensation earnable for Canine Pay.

For this off-duty time, these employees will be paid a \$150.00 per month stipend, paid biweekly. The parties acknowledge that since employees in this unit are subject to the 28-day FLSA work period and these hours do not cause the employee to have

regularly scheduled overtime per that work period (which as an overtime threshold of 171 hours), these hours shall be paid at base rate. This pay for off-duty time is not reportable to CalPERS.

Employees assigned to the support dog detail who are required to perform extraordinary off-duty canine care, such as a veterinary emergency or other rare occurrence, which causes a substantial increase in the normal off-duty hours worked for that month, shall submit a written request to the Police of Chief or the Chief's assigned designee for additional compensation for the hours spent performing such work.

The parties agree that to the extent permitted by CalPERS or law the City will report this pay to CalPERS in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1(b)(3).

K. Multiple Collateral Assignments

Employees that are assigned to multiple collateral assignments designated in this Section will receive the pay for each assignment, unless otherwise prohibited (e.g., Hazard Pay & Class A/B Stipend).

The parties agree that to the extent permitted by CalPERS or law, the City will report the special compensation outlined in Article 15 to CalPERS in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1 (b)(3).

Article 16 – Longevity Pay

Effective the pay period including July 1, 2025, employees covered by this agreement shall be provided compounding longevity compensation in recognition for their full-time, consecutive years of service to the City of Irvine. Any employee classified as a PS Dispatcher or Supervising PS Dispatcher covered by this agreement with previous POST-certified, full-time dispatcher service with another agency shall also have that service time credited towards the application of

Longevity Pay. The compensation will be provided to the employee at the start of their 10, 15, or 20-year period, as follows:

- a. Upon commencement of the 10<sup>th</sup> year of service, pursuant to the longevity terms outlined above, employee shall earn a 3% longevity increase above the employee's base rate of pay.
- b. Upon commencement of the 15<sup>th</sup> year of service, pursuant to the longevity terms outlined above, the employee shall earn an additional 3% longevity increase for a total of 6.09% of the employee's base rate of pay.
- c. Upon commencement of the 20<sup>th</sup> year of service, pursuant to the longevity terms outlined above, the employee shall earn an additional 4% longevity increase, for a total of 10.33% of the employee's base rate of pay.

Employees covered by this agreement who transfer or promote from the position of PS Dispatcher or Supervising PS Dispatcher and have been credited with prior service towards the application of Longevity Pay will retain their Longevity Pay. The City of Irvine will report approved prior service to PERS as pensionable special compensation. However, the City acknowledges that PERS retains sole discretion in determining service credit and pensionable status and the decision to provide such credit is ultimately within PERS' authority.

The parties agree that to the extent permitted by CalPERS or law, the City will report the special compensation outlined in Article 15 to CalPERS in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1 (b)(3).

#### Article 17 - Overtime and Work Schedule

##### A. Overtime Compensation

Hours worked or earned in excess of forty (40) hours in each employee's defined FLSA workweek shall be compensated at the rate of one and one-half (1 1/2) times the employee's hourly rate when such work is approved by the Department Director (or his/her designee). Unit members work a seven-day FLSA workweek (168 recurring

hours). Unit members shall be paid for all hours worked. Unit members shall record hours worked in fifteen-minute increments of time. When an employee works less than eight minutes into the next pay increment, the time should round down to zero. When an employee works more than eight minutes into the next payroll increment, the time rounds up to fifteen minutes. Overtime may be converted to compensatory time or paid for at the option of the employee.

As of the effective date of this Agreement, no hourly classifications qualify as exempt from the overtime provisions of the Fair Labor Standards Act.

B. Compensatory Time

Employees may accumulate a maximum of two hundred forty (240) hours compensatory time in lieu of overtime compensation on the basis of one and one-half (1 1/2) hours compensatory time for one (1) hour of overtime work. The time during which an employee may use accrued compensatory time off is subject to approval by the department head or his/her designee with due regard for the wishes of the employee and the need to provide service. However, an employee wishing to use his/her accrued compensatory time off shall provide the City with reasonable notice of such request. Reasonable notice is defined as at least one week. If reasonable notice is provided, the employee's request may not be denied unless it is unduly disruptive to the department to grant the request. A request to use compensatory time off without reasonable notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.

C. Stand-by-Time

Regular full-time employees shall receive two (2) hours base salary for each day he/she is required to be available for non-scheduled work assignments. Employees on standby on a City holiday or a weekend shall receive an additional two (2) hours standby pay for each of these days.

If the employee is not placed off-call 48 hours prior to 0900 the morning of the subpoena appearance date, the employee will receive two (2) hours of standby time.
2. Any employee who is off duty and is required to appear in court will receive overtime compensation for the actual hours required for the court appearance with a minimum of two (2) hours. When such court appearance requires the employee to be in attendance before and after the court lunch recess, such lunchtime will be included in determining the employee's court overtime pay.

An employee who is on call for a morning session and is called in to appear for that same morning session shall be paid for the time of the actual appearance at his/her overtime rate with a minimum of two (2) hours. If an employee is on-call for a morning session and is subsequently called in to appear that afternoon, that employee shall be paid standby pay for the morning (two (2) hours at his/her base hourly rate) and court appearance pay for the afternoon (time for the actual call with a minimum of two (2) hours).

3. Employees who participate in a DMV hearing while off-duty will receive a minimum of two (2) hours of overtime or the actual time, whichever is greater. If the hearing scheduled during the employee's off-duty time is cancelled and the employee is not notified 48 hours prior to the scheduled time, the employee will receive the two (2) hours of overtime.
4. Employees, while on standby, who are called into work four (4) hours or more shall be granted a five-(5) hour rest period between the end of the standby work shift and the start of their regular work shift unless a longer off duty break period is required by law (e.g. for commercial driver's license). If that five-(5) hour rest period or legally mandated off-duty break period overlaps with the employee's

regularly assigned work shift, the employee will be compensated by the City for those hours which overlap with the regularly assigned work shift. This provision applies seven days a week, regardless if the employee worked the day they were called in.

D. Work Schedules for Purposes of Calculating Overtime

Employees shall be scheduled to work regular work shifts. In the event overtime is required, compensation for said overtime shall take the form of one of the following, at the employee's request, subject to the approval of the Department Director (or his/her designee):

1. Paid overtime at 1 1/2 times the employee's hourly rate;
2. Accrued compensatory time to a maximum of 240 hours;
3. An employee will be able to flex his/her time within the same workweek (i.e., take off an equivalent number of hours).

In the event the City institutes a City-wide policy to prohibit or restrict paid overtime, employees shall request, subject to the approval of the Department Director (or his/her designee), one of the following methods of compensation for overtime.

1. Flex time within the same workweek (i.e., take off an equivalent number of hours).
2. Accrued compensatory time to maximum of 240 hours.

An employee may be required to take flex time in lieu of paid overtime or accrued compensatory time off by his/her Department Director (or his/her designee) to attend meetings of City Council, City Commissions, or City committees, provided the employee is given written notification at least 14 calendar days in advance.

E. Distribution of Overtime

1. Every effort shall be made to equalize overtime opportunities for employees fully qualified to perform the work required.

Requests for an alternate work schedule will include the information required by the Department Directors to make an informed decision and a summary of how necessary coverage and current service levels will be improved or maintained. Approved alternate work schedules may be temporarily modified by a Department Director in the case of vacations, vacancies or other absences that are in excess of one week.
- D. In an emergency, the Department Director may direct the employee to work a different schedule on a 24-hour notice. If the alternate work schedule is not effective, the Department Director will require that the employee to work a different alternative workweek or return to a more standard workweek (i.e., a 5/40) with a 14-calendar day notice. B. Personal Sick Leave

Employees shall accrue personal sick leave credits at the rate of eight (8) hours per month.

In order to receive compensation while absent on sick leave, the employee shall notify her/his immediate superior or the designated department contact prior to or within one (1) hour after the time set for beginning his/her daily duties, or as may be specified by the director of her/his department. When absence is for one workday or more, the

employee may be required to file a physician's certificate with the Personnel Officer or designee.

An employee receiving temporary disability payments under the Workers' Compensation laws may use a pro-rated amount of accumulated sick leave in order to continue to maintain her/his regular income. Under such circumstances, the employee shall submit any benefit payments from the Worker's Compensation fund to the Finance Officer. An employee may be required to provide a doctor's release to return to work following an illness or injury resulting in an inability to perform assigned duties.

C. Personal Sick Leave Conversion

1. Regular employees shall be eligible, if they so desire, each quarter (during the pay periods including January 1, April 1, July 1, and October 1) to convert unused Personal Sick Leave in excess of 168 hours at a ratio of eight (8) hours day of vacation for every twenty-four (24) hours of Personal Sick Leave. Except that employees with at least ten years of full-time consecutive service shall be eligible to convert sick leave at the ratio of eight (8) vacation hours for sixteen (16) sick leave hours. One hundred sixty-eight (168) hours must be accrued and retained prior to converting any excess Personal Sick Leave hours to vacation hours.
2. Regular full-time employees having less than ten (10) years of consecutive full-time service shall be eligible to convert unused personal sick leave in excess of 168 hours to cash at a ratio of three (3) hours sick leave to one (1) hour of pay at the employee's -regular rate of pay, subject to a maximum conversion of 120 hours of sick leave per employee per year. Regular full-time employees with at least ten (10) years of consecutive full-time service shall be eligible to convert unused personal sick leave in excess of 168 hours to cash at a ratio of two (2) hours of sick leave to one (1) hour of pay at the employee's regular rate of pay, subject to a maximum conversion of 80 hours of sick leave per employee per year. Conversion requests can be made only in whole hour increments that are evenly divisible by the conversion ratio. Conversion

requests shall be submitted on appropriate forms as determined by the Personnel Officer. The annual election period and payment period shall be designated and announced by Administrative Services annually.

Upon separation or retirement, a regular full-time employee with less than ten (10) years or more continuous service may convert any accrued and unused sick leave to vacation hours at a ratio of 2 to 1 at the regular rate of pay. A regular full-time employee who has a minimum of ten (10) years or more of full-time continuous service may convert any accrued and unused sick leave to vacation hours at the ratio of 2 to 1.5 at the regular rate of pay. In this situation, the employee may exceed his/her vacation accrual limits. This paragraph shall not apply to employees who separate due to termination for cause; or who resign or retire in lieu of termination for cause.

D. Personal Leave

1. Effective the pay period which includes January 1 of each year, regular and probationary employees shall receive a Personal Leave Benefit of eighty (80) hours per year. Such leave shall be available for employees to use from the beginning of the first pay period beginning in the calendar year through the end of the last pay period beginning in the calendar year. Such hours shall not accrue from year to year. This leave has no cash value and cannot be cashed out. If, at the end of the calendar year, the employee has any of this leave on the books, with the pay period including January 1, he/she will be provided with whatever amount of leave is necessary to bring his/her bank up to 80 hours. Probationary employees who commence employment with the City after January 1 will receive twenty (20) less Personal Leave hours for every three (3) months the employee is not on paid status with the City.
2. Effective beginning January 1, 2023, employees who are unable or choose not to participate in the Irvine Telecommuting Program, will receive up to 40 hours of additional Personal Leave annually. This leave is non-cashable and will expire on December 31 of the year it is awarded. This leave will be prorated at

a rate of ten (10) hours less of this Personal Leave for every full three (3) months the employee is not participating in the Irvine Telecommuting Program.

Employees who commence employment with the City or return from an unpaid leave of absence from the City after January 1 will receive ten (10) hours less of this Personal Leave for every full three (3) months the employee is not in paid status with the City.

3. The employee shall notify his/her immediate supervisor of the use of a Personal Leave day at least 36 hours in advance unless circumstances beyond the employee's control prevent such notification.

E. Bereavement Leave

Upon request, employees shall receive necessary time off with pay, not to exceed forty (40) hours in any one (1) instance, to arrange for or attend a funeral or memorial service of a member of their immediate family. Bereavement leave will be granted in instances where the funeral or memorial service is taking place within 30 calendar days after the date of the immediate family member's death. The employee may determine the number of hours, up to 40, that are necessary for each instance of bereavement. For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, brother-in-law, step-brother, sister, sister-in-law, step-sister, wife, husband, registered domestic partner, child, step-child, grandparent, grandparents-in-law, grandchild, legal guardian or other individuals whose relationship to the employee is that of a dependent, a domestic partner as defined by California Family Code Section 297, or a person who stood *in loco parentis* (in place of a parent) to the employee.

F. Parenthood Leave

1. A regular employee will be granted parenthood leave of absence with pay not to exceed 160 hours per year upon presentation of evidence to his/her department director of the birth or adoption of the employee's child or children. Any such leave must be taken within one year of the birth or adoption of the employee's child or children.

2. A regular employee may be granted a single parenthood leave of absence without pay, not to exceed one-hundred and eighty (180) calendar days per year, upon approval from the City Manager. The employee requesting such leave shall present evidence to his/her Department Director of the birth or adoption of the employee's child or children. The City will comply with all elements of parenthood leave under the Family Medical Leave Act and the California Family Rights Act. Any such leave will run concurrently with parenthood leave as provided for under the FMLA and CFRA.

G. Jury Duty and Subpoenas

Every employee of the City who is subpoenaed as a witness for a local, state or federal government shall be entitled to absent herself/himself from her/his duties with the City during the period of such service or while necessarily being present in court as a result of such call or subpoena and shall receive full compensation.

In order to balance the City of Irvine's interest in maintaining productivity with the interest that employees are able to support our system of justice by serving on juries, paid Jury Duty is limited to a maximum of 80 hours in a calendar year. If an employee, despite reporting the limit to the Court, is required to serve beyond 80 hours, he or she can request an exception of the limit on paid Jury Duty Leave by the City Manager.

For employees working on shifts in the Police Department, time served on jury duty will be counted as work hours for that date up to the maximum number of hours normally worked by the employee on that date.

If a unit member is required to be absent from work to report for jury duty, the employee will notify his/her supervisor of the absence as soon as possible, including, a phone message the night before if the employee finds out via a phone recording that he/she must report the next day.

An employee on jury duty must either return to work after the jury service is done for the day if there are still four hours left on his/her shift or call in to his/her supervisor and ask to use leave to cover the rest of his/her shift.

Employees who are scheduled for a swing or graveyard shift on a day they are called to jury service will be authorized to change their work hours in order to report to jury service.

Employees who are called to jury duty will not be subject to working their full graveyard or swing shift if there is not a minimum of 10 hours before or after assigned jury duty. If there is less than 10 hours between the end of a shift and the start of jury duty, employees will be permitted to leave their shift early to allow for a minimum break of 10 hours. In this situation, employees will be paid for the remainder of their shift. If there is less than 10 hours between the end of jury duty and the start of their shift, employees will be able to delay their usual start time to ensure a 10-hour break in between. In this event, the employee's usual end time will remain the same. In this situation, employees will be paid from the start time of their shift until they report to work at the appropriate time to ensure a 10-hour break in between the end of jury duty and when they report to work. The 10-hour leave periods are provided by the City and employees are not required to use their accrued time.

For any additional time taken off before or after jury duty, an employee will be required to utilize paid accrued time subject to supervisor approval.

An employee who is called to jury duty on a non-working day will not receive compensation or be authorized to change their schedule as a result of being called to jury duty.

#### H. Military Leave

An employee shall be entitled to such benefits as are provided in the law. An employee requesting such military leave shall present a copy of her/his military orders to her/his Department Director prior to the beginning of the leave.

I. Industrial Accident Salary Continuance

In the event that it is determined that a regular full-time employee is absent from work as a result of any injury or disease arising solely out of the employment with the City and in no way related to any prior existing condition, the City shall provide up to six months of Industrial Accident Salary Continuance during any two-year period under the following conditions:

1. In the event the employee qualifies for compensation under State law, the employee shall receive the difference between the Worker's Compensation payments and his/her regular salary.
2. The employee's condition is not permanent and stationary as determined by the City's appointed doctor.
3. The employee shall accrue sick leave and vacation leave during the term of the Industrial Accident Salary Continuance.

In the event of an on-the-job injury or accident resulting in loss of time beyond that required for immediate medical attention, such employee may be required to be examined by a licensed physician appointed by the City of Irvine for 30 calendar days following report of injury. Any on-the-job injury or accident must be reported to the employee's immediate supervisor within twenty-four (24) hours after said injury or accident. Failure to report said injury or said accident shall be grounds for disciplinary action.

- J. All paid leave hours accrued shall be prorated based on the number of hours worked or paid up to 80 hours in a pay period.

K. Conversion of Leave to Vacation or Comp Time

Effective the pay period including July 1, 2024, and annually on July 1, thereafter, employees may convert up to 40 hours of Personal Leave to Vacation or Compensatory time.

L. Funeral Expenses

Regular full-time employees shall receive holiday pay equivalent to their regularly scheduled shift of 8 hours, 9 hours, 10 hours, 12 hours, or other schedules approved for Public Safety employees by the Director of Public Safety. An employee must be paid for all of the regularly scheduled workday immediately prior to a holiday and the regularly scheduled workday immediately after that holiday in order to receive holiday pay. If a holiday falls on an employee's regularly scheduled day off, the employee may take off another day within the workweek upon approval of his/her supervisor or

be paid holiday pay equivalent to their regularly scheduled shift of 8 hours, 9 hours, 10 hours, 12 hours, or other schedules approved for Public Safety employees by the Director of Public Safety.

For employees not assigned to a 7-day work schedule, holidays falling on Sunday shall be observed on the following Monday. Holidays falling on Saturday shall be observed on the preceding Friday unless this, too, is a holiday and then one day sooner. The classifications subject to a seven (7) day work schedule (i.e., the nature of their work requires coverage seven days per week:

- 2) Civilian Investigator I/II;

- a. Article 15 - Special Assignment Pay

Employees assigned to work on authorized holidays shall receive regular holiday compensation and compensation in the form of overtime (one and one-half times the employee's hourly rate) for actual hours worked. At the request of the employee, and

within the City's ability to maintain appropriate service levels, such assigned employees may be granted compensatory time off, in lieu of pay.

Employees who are assigned to a 7-day work schedule (i.e., where their department is open seven days a week), as designated by their department shall observe holidays on the same days as employees who are not assigned to a 7-day work schedule with the following exceptions:

New Year's Day  
Independence Day (4th of July)  
Christmas Eve  
Christmas Day

In this case, employees shall observe the holiday on the actual day of the holiday. If another City holiday falls on a Friday that City Hall is closed, as a result, the City observes the holiday on a different day, the holiday for employees assigned to a 7-day work schedule shall be observed on the Friday.

Notwithstanding the previous two paragraphs, for employees assigned to 7-day schedules, Human Resources may designate alternate dates the City will observe holidays in order to occur in conjunction with the Holiday Leave benefit provided below in subparagraph B of this Article.

Employees scheduled off their regularly scheduled shift of 8 hours, 9 hours, 10 hours, or 12 hours, due to a holiday, shall receive holiday pay equivalent to their regularly scheduled shift.

B. Holiday Leave

The dates of the three "Holiday Leave" days will be designated annually by Human Resources. Employees will be provided with three days of paid

leave based on the number of hours they are regularly scheduled to work on designated "Holiday Leave" days. Employees must use this leave on the designated days unless directed to work by the Department Director or designee. In cases where the employee is directed to work on such days, the employee will be credited with leave in an amount equivalent to what they would have used had they not been directed to work. In cases where a designated "Holiday Leave" day falls on an employee's regularly scheduled day off, the employee will be credited with leave in an amount equivalent to what they would have used had it been a regularly scheduled workday. Such leave shall have no cash value and will expire if not utilized within the pay period that includes November 30 of the following year.

Employees wanting to take additional days off in conjunction with the observed Holidays and designated Holiday Leave Days must utilize other accrued leave in accordance with existing rules.

#### Article 22 – Required Licenses, Trainings and Certifications

The City will pay for any trainings, licenses and certifications (including renewals) that are a requirement of a position. This only applies to requirements of positions currently held by the employee and does not apply to positions an employee wishes to attain in the future.

#### Article 23 - Health and Wellness Benefit

Employees covered by this agreement shall receive \$1000 per year as a health and wellness benefit. While the use of these funds are at the employee’s sole discretion, they may be used to offset work related expenses, training costs and may also go toward gym membership fees, exercise classes, and unreimbursed expenses associated with an annual physical examination. Annual payments shall be made in lump sum proactively upon hire and annually in January thereafter, to all employees active at time of processing. Employees will not need to submit receipts to be eligible.

Additionally, employees shall be eligible for reimbursement for one preventative early detection screening provided by Longevity on an annual basis.

Article 25 - Promotions

It shall be the City's policy to recruit the best-qualified persons available regardless of race, religion, color, creed, national origin, sexual preference, sex, or handicap unless sex or physical ability is a bona fide occupational qualification.

While recognizing the need for introduction of persons from outside City employment at all levels, the policy of the City is to promote employees already employed by the City when their

personal qualifications, training, work performance, and work experience are determined to be comparable to applicants from other sources.

The Personnel Officer shall determine whether a recruitment shall be open or promotional, on the basis of assuring an adequate number of applicants with appropriate skills to constitute a competitive merit process.

An open selection process shall be held for all position vacancies in each class and class series. However, a promotional selection process may be utilized when the Personnel Officer, after review with the Department Director, determines such a process is in the best interest of the City. Any unit employee who elects to participate in the recruitment and meets the minimum requirements for the position will be eligible to compete in the examination process. If the examination process includes a written test or graded test the employee will automatically receive an additional five (5) points to their score. Does not apply to practical tests or safety related tests.

When appropriate, vacancies within the unit may be filled by promotion or transfer of probationary or regular employees or other employees at the discretion of the appointing authority. Such promotion transfer shall be based on competitive examination and may include one (1) or more of the selection techniques set forth in the Personnel Rules and Procedures and measure of qualifications as may be determined by the Personnel Officer.

As set forth in the Personnel Rules and Regulations (Article 6, Section 5), an employee rejected during the probationary period from a position to which he/she was promoted shall be reinstated to the position and salary held prior to promotion if a vacancy exists, unless he/she is discharged for a reason which would have been sufficient to cause his/her discharge from his/her former position. If no vacancy exists, the employee shall be placed on a re-employment list for the classification from which he/she was promoted. Employees are not entitled to notice or a hearing if rejected during probation.

## Article 26 - Layoff and Recall

Whenever in the judgment of the City Council, it becomes necessary for lack of work or lack of funds, or because the necessity for a position no longer exists, the City Council may abolish any position or employment in this bargaining unit. The employee holding such position may be laid off without the right of appeal. ICEA will be notified in writing of proposed layoffs of ICEA positions. Prior to the abolishment of any ICEA position in the competitive service due to lack of funds or a severe economic downturn, City Management will meet with ICEA representatives to discuss the following issues:

1. Reasons for proposed layoffs.
2. Possible alternatives to layoffs.
3. Alternative solutions to mitigate any effects of potential layoffs.

Although the City will consult with ICEA prior to implementing any layoffs in its bargaining unit, the final determination on the decision to implement any layoffs will be made by the City Council.

When a position within a department or division is abolished as is provided in Section II. G-110 of the City Code, the following general procedure shall be observed:

- A. The order of layoff shall be established by the Personnel Officer or his/her designee. He/she shall list all employees in the affected classification(s) using the employees' performance reviews and seniority ratings.
- B. An employee's seniority will be modified in the following manner, using the two most recent annual performance evaluation ratings for seniority demerits and the one most recent annual performance evaluation ratings for seniority merits:

<u>Number of Ratings</u>	<u>Level of Rating</u>	<u>Modification to Seniority</u>
1	Unsatisfactory or Needs Development	Subtract 1 year
2	Unsatisfactory or Needs Development	Subtract 3 years

1	Excellent	Add 1 year
---	-----------	------------

The employee's seniority will be modified in the following manner:

<u>Number of Ratings</u>	<u>Level of Rating</u>	<u>Modification to Seniority</u>
1	Does not receive a minimum of Accomplished Standards rating	Subtract 1 year
2	Does not receive a minimum of Accomplished Standards rating	Subtract 3 years
1	Outstanding	Add 1 year

- C. The order of layoff will begin with the employee(s) with the least modified total seniority. When the modified total seniority ranking is the same, the Appointing Authority shall take past performance evaluations and the needs of the City into consideration.
- D. Prior to the establishment of the order of layoff, the Personnel Officer or his/her designee shall furnish all employees proposed to be included on the layoff list with a copy of the "Proposed Order of Layoff" and a copy of any materials not otherwise available to the employee which were relied upon by the Personnel Officer or his/her designee in establishing the employee's position thereon. If the employee wishes to contest the application of the criteria set forth in this policy to his/her position on the list, the employee may request an opportunity to present his/her case to the Personnel Officer or his/her designee within seven (7) calendar days following the establishment and distribution of the "Proposed Order of Layoff" list and supporting materials. After meeting with all employees wishing to be heard with respect to their position on the layoff list, the Personnel Officer or his/her designee shall establish the "Final Order of Layoff." The decision of the Personnel Officer or his/her designee shall be final and not subject to the grievance process.

- E. No employee shall be laid off from his/her position in any department while an emergency, temporary, provisional, regular part-time and part-time, or contract employee is serving in the same classification in the same department. No regular employee shall be laid off in any department while a probationary employee is serving in the same classification in the same department. Employees to be laid off shall be given at least fourteen (14)-calendar days prior notice.
- F. An employee who receives a final layoff notice under the provisions of this policy who holds regular full-time status may within seven (7) calendar days of receipt of the layoff notice request demotion to a position within the employee's classification series for which the employee possesses the minimum qualifications and the position remains a budgeted position. In that event, the employee's position on the layoff list shall be reevaluated as though the employee is in the new classification utilizing the same criteria established for the original list.
- G. After the bumping process has occurred and if no budgeted position is available within the classification series, the employee may request a transfer or demotion to a position in a similar classification series for which the employee possesses the minimum qualifications and the position remains a vacant budgeted position. For the purposes of this Section, a similar classification will mean an ICEA-represented position that is in the same or lower pay grade and requires similar education, skills and/or experience as the position which the employee currently holds, as determined by the Personnel Officer. The employee's request will be considered by the Personnel Officer, who will make every effort to provide for reasonable education and experience equivalencies in determining an employee's minimum qualifications for the available position.

If there is more than one affected employee who is requesting a transfer or demotion into an available position, the City will determine the order of bumping by using the same methodology as described in Sections A, B and C of this Article.

- H. The names of employees laid off or demoted in lieu of layoff shall be placed upon reemployment lists for one year for those job classes requiring basically the same

qualifications, duties, and responsibilities of the class from which layoff or demotion in lieu of layoff was made.

- I. Persons whose names are placed on reemployment lists, and who are re-employed within the prescribed period, shall be regarded as having been on "unpaid" leave of absence during this period and will resume accruals of vacation, sick, and other leaves per this Agreement.

#### Article 27 – Seniority

Seniority shall be defined as the total amount of actual continuous service as a full-time employee, excluding approved leaves of absence without pay in excess of thirty (30) calendar days, including leave of absence for service in the Armed Forces of the United States. Seniority will be a factor when considering promotions and transfers and layoffs. Upon written request the ICEA shall receive whatever written seniority list is available at the time of the request.

An employee who is not a full-time employee shall not lose any previously accrued seniority by virtue of the employee having a status other than that of a full-time employee; however, no seniority shall accrue during any period of time in which an employee is on an approved leave without pay in excess of thirty (30) calendar days, or during any period of time in which an employee has a City employment status other than that of a full-time employee or a job-sharing employee. An employee shall only be entitled to a fifty percent (50%) seniority accrual (i.e., seniority shall be accrued at the rate of one day of seniority for each two days of service) during any period of time in which an employee is classified as a job-sharing employee.

#### Article 28 - Safety

The City shall provide and maintain a healthy and safe place of employment. No employee shall be required to work under conditions dangerous to the employee's health or safety. The City shall provide and maintain all safety equipment and comply with all health and safety

laws and regulations necessary for employees to perform their jobs in a safe manner. Employees shall report unsafe practices, equipment, or conditions to their supervisors.

ICEA shall have the right to appoint a voting member to the City Safety Committee. The Committee will develop appropriate rules and regulations to strengthen safety in the workplace.

Any employee has the right to request a Safety Committee review of workplace conditions in written form. The Safety Committee will investigate employee requests for review of worksite conditions and make recommendations to reduce or eliminate the concern. A report of findings shall be provided to the employee within sixty (60) calendar days from receipt of written concern. The secretary of the Safety Committee shall forward a copy of all regular meetings minutes to the Secretary of ICEA on a regular basis. The Safety Committee shall meet on a monthly basis unless the Committee deems otherwise.

#### Article 29 - Uniforms, Safety Gear and Inclement Weather Gear

Employees in designated classes shall be provided and required to wear City uniforms. Steel-toed shoes and safety glasses will be provided to employees whose regular duties require their usage. Rain gear will be provided to employees whose regular full-time duties require them to work outside on a continuous basis in adverse elements.

The City will provide an orange, reflective jacket to each full-time employee who regularly works in the public street section and traffic signal repair section. Each employee will be responsible for the reasonable care and cleaning of his or her jacket. Jackets shall be used for official City business only, and shall have the City logo or identification prominently displayed.

#### Article 30 - Personnel Files

The official personnel file for each City employee shall be maintained by Human Resources. Employees have the right to review their official personnel file in Human Resources by scheduling a specific date and time, at least 24 hours in advance, with Human Resources staff.

A copy of any commendations, written warnings or reprimands, disciplinary actions, Personnel Action Forms and performance reviews placed in the employee's personnel file will be provided to the employee.

Written reprimands shall be retained at least one year. If after one year no similar or other unacceptable behavior is reported, the employee may request in writing that the reprimand be purged from his/her file. Upon review and approval of the Department Director, the written reprimand shall be removed from the employee's file.

#### Article 31 - Child Care

It is understood that twenty percent (20%) of the enrollment of the Irvine Child Care Center will be made available to children of City of Irvine employees subject to availability of openings within the facility at the cost of the employee.

#### Article 32 - Probationary Period/Provisional Appointment/Job Sharing

The probationary period shall be six (6) months of actual and continuous service unless otherwise extended for up to 6 months under the Personnel Rules and Procedures, with the exception of the following classifications for which the probationary period shall be one (1) year of actual and continuous service; Public Safety Dispatcher I/II, Supervising Public Safety Dispatcher, Public Safety Representative I/II, Forensic Supervisor, Forensic Specialist I/II, Civilian Investigator I/II, and Police Recruit.

In the case of a current full-time employee in an ICEA represented class receiving a provisional appointment (i.e., moving to a position where there is a vacancy – Acting for current employees and Interim for employees hired from outside the City) such provisional appointment shall not be made for a period of less than twenty-eight (28) calendar days. If the position is in another bargaining unit, the employee shall not be entitled to the following changes in compensation and benefits: Annual Physical Examination reimbursement, Retiree Health Voluntary Employees' Beneficiary Association (VEBA) plan, and health plans.

Interested employees in ICEA-represented classes may be considered for job sharing.

### Article 33 - Non-Discrimination

Neither party to this Agreement shall discriminate against any employee on the basis of any legally protected status enumerated under the law. The parties further agree that they shall not interfere with, intimidate, restrain, coerce, or discriminate against any employee in his/her free choice to participate or not participate in the activities of and right to join the ICEA.

### Article 34 - Contracting Out

The City will notify ICEA in writing at least fourteen (14) calendar days in advance of entering into any contract which will result in a reduction in regular hours of existing employees in classifications set forth in Attachment I; provided, however, nothing herein shall limit the City's right to contract out beyond that notice. If ICEA feels that an impropriety has occurred regarding contracting out, ICEA may contact Human Resources in writing and the situation will be investigated.

In the event a member of the ICEA bargaining unit is laid-off from his/her employment with the City, without opportunity to voluntarily demote into a lower position or transfer into a comparable position in the City, due to privatization or contracting-out of a city service, the City will provide a severance. The severance shall be equivalent to forty (40) hours of pay, at the current base hourly rate of pay, for every year of full-time City service rounded to the closest full year of service. Additionally, the City will provide a one-time cash equivalent payment for continuing health insurance premiums, using the individual's current elected coverage levels and insurance providers, payable through the end of the month in which the severance expires.

### BIENNIAL SALARY SURVEY

The City's Employee Compensation Philosophy emphasizes that Irvine employees remain at the top of the labor market when compared against comparable agencies in Orange County. To achieve this objective, the City agrees to meet with the Association on a biennial basis to conduct a salary survey to identify where Irvine employee compensation sits compared against comparable agencies in Orange County.

Details related to how the salary survey shall be coordinated will be discussed, developed, and implemented in joint mutual cooperation between the City and the Association. As part of that biennial salary survey process, the City and the Association will work collaboratively in advance of the survey work to identify agreed-upon benchmark positions to survey; finalize the methodology to identify employee compensation rates that will be compared as part of the survey; and determine the appropriate Orange County agencies against which employee salaries will be compared to identify market standards. If through the review process it is identified that surveyed salaries fall outside of the City's existing Compensation Philosophy, a range adjustment shall be instituted, with details regarding implementation of that range adjustment to be collaboratively determined in partnership between the City and the Association.

To further the development of this biennial salary survey, the City and the Association shall form a Labor / Management Committee for the purpose of defining and implementing the details related to the biennial salary study and any necessary associated range adjustments. Unless mutually agreed upon by both parties, this Labor / Management Committee will begin meeting in February of 2025. This salary study will be completed by December 2025.
