incurs in providing any such defense, either before, during or after the time Franchisee elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Franchisee. Franchisee shall receive credit towards this indemnity obligation for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City

15.1.2□ Franchisee, upon demand of City, made by and through the City Attorney, shall protect City and appear in and defend the City Indemnitees in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of “Solid Waste” or “Recyclable Material,” the scope of the rights granted herein, conflicts between the rights granted herein and rights asserted by other persons, or the limits of City’s authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting rights under the Dormant Commerce Clause or any other federal or state laws to provide Collection services in the City.

15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.3□any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1 ☐ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4 ☐ Workers’ Compensation Insurance.

16.4.1 ☐ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5 ☐ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6 ☐ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 ☐ Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 ☐ Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 ☐ Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 ☐ Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 ☐ City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager

If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

Construction and Demolition Recycling SB 1383 Compliance Guide – City of Irvine

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the [permitting](https://www.cityofirvine.org/c&d) process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and Kevin Ray Demolition, Inc. (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

COVENANTS

In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.5 ☐ Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment .

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 ☐ Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

15.2.2.2□any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

To Franchisee: Kevin Ray Demolition, Inc.

Brea, CA. 92821

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

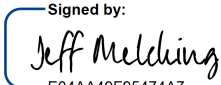

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

Construction and Demolition Recycling SB 1383 Compliance Guide – City of Irvine

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

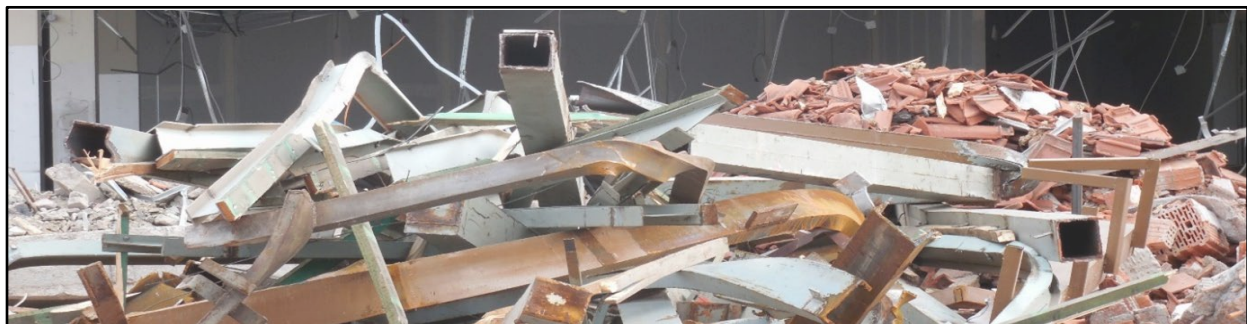

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the permitting process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement ("Agreement") is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation ("City") and Key Disposal & Recycling, Inc. ("Franchisee"), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City's Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the "Parties" and individually as a "Party."

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 ("AB 939"), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City's Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the "Prior Agreement"), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act ("RCRA" – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA" – 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an "arranger" or a "generator" as those terms are used in CERCLA, and that it is Franchisee, not City, who is "arranging for" the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2 Amendments to Scope of Franchise; Planning Area 51

3.2.1 The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2 As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3 As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4 Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 Limitations on Scope of Franchise.

3.4.1 *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. Franchisee understands and acknowledges City may enter similar non-exclusive franchise agreements pursuant to the same, or substantially similar terms, with any qualified Solid Waste enterprise.

3.4.2 *Exclusions.* Notwithstanding any other provisions set forth in this Agreement to the contrary, the non-exclusive contract, right, franchise, license, and privilege granted herein excludes:

(b) except as provided otherwise herein, the Collection, transportation, or disposal of Hazardous Contaminants; Hazardous Substances; Hazardous Waste; items

(c) Those Solid Waste Handling Services, if any, which are governed by or subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.5 Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 Public Resources Code Section 49523 Acknowledgment.

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

SECTION 4 ACCEPTANCE; WAIVER

Franchisee agrees to be bound by and comply with all the requirements of this Agreement. Franchisee waives Franchisee's right to challenge the terms of this Agreement under federal, state,

or local law, or administrative regulation. Additionally, by and upon the execution of this Agreement, Franchisee agrees to the termination of the Prior Agreement as of the Effective Date, agrees to waive any and all rights under the Prior Agreement, and agrees to release and hold the City harmless from any of the City's obligations thereunder (excepting, however, the right to compensation accrued and unpaid for services provided prior to the Effective Date); provided, however, nothing contained in this provision is intended to or shall relieve Franchisee from any obligation existing under the Prior Agreement pertaining to insurance, indemnification, or other legal obligations to City or Franchisee's Customers (as opposed to obligations to provide service pursuant to the terms thereof), or from any obligation set forth in the Prior Agreement which are called out as surviving the termination thereof, and all such obligations, including specifically those indemnification obligations relating to Environmental Laws, general liability, and AB 939 shall survive the termination of the Prior Agreement.

Franchisee's Designated Annual SB 1383 Contribution applicable to this payment shall be the pro-rata share of One Hundred Seventy One, Three Hundred Thirty Three Dollars (\$171,333.00) equal to the percent of Solid Waste Collected (in tons) by Franchisee in the Franchise Area during the period between September 1, 2024 and January 31, 2025, as compared to the total of all Solid Waste Collected (in tons) in the Franchise Area during that same period by all Franchisee's that have been granted one of the Non-Exclusive Franchise Agreements. One Hundred percent (100%) of Franchisee's Designated Annual SB 1383 contribution for the period of September 1, 2025 to March 31, 2025 (as noted above) shall be due on April 1, 2025.

11.3.1 A sum of money equal to five percent (5%) of the amount due. This amount is required in order to defray those additional expenses and costs incurred by City by reason of the delinquent payment including, but not limited to, the cost of administering, accounting for, and collecting said delinquent payment and the cost to City of postponing services and projects necessitated by the delay in receiving the revenue; and

11.3.2 Interest on the delinquent sum (excluding the late payment charge referred to in Section 11.3.1) at the maximum legal rate, with said sum to be applied as interest for loss of use of the money due and to be calculated commencing on the date first due through and including the date upon which full payment, including all interest and penalties, is made.

Such Records shall be made available to City at Franchisee's regular place of business, but in no event outside the County of Orange. Among other things, City shall be allowed to review Franchisee's contracts with its Customers, and shall be allowed to communicate directly with Franchisee's Customers, for the purpose of determining whether Franchisee is in compliance with this Agreement.

13.2 CERCLA Defense Records. City views the ability to defend against CERCLA Claims and related litigation as a matter of great importance. For this reason, the City regards the ability to prove where Solid Waste Collected in the City was taken for disposal, as well as where it was not taken, to be matters of significant importance. Franchisee shall maintain data retention and preservation systems which can establish where Solid Waste Collected in the City was landfilled (and therefore establish where it was not landfilled) for not less than five (5) years following the termination of this Agreement, and agrees to notify the City Manager, City Clerk and City Attorney before destroying such records thereafter. The independent qualified auditor shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law. The City Audit shall include, without limitation, a review of Franchisee's cash receipts records, Solid Waste tonnage Collection, diversion, and other related records, as well as those of each of its parent, subsidiary and/or affiliated companies, as appropriate, to determine Franchisee's Gross Receipts, the accuracy of Franchise Fees paid, and such other information as is reasonably deemed appropriate by the City Manager to evaluate Franchisee's performance hereunder. As part of the City Audit Franchisee's Customer's accounts and related records may be subject to review. While Franchisee will not be required to submit detailed account records, such as the names and addresses of Customers, to the City in connection with required reports hereunder, Franchisee shall make such records and information available for review in connection with the City Audit at Franchisee's business offices.

Should any City Audit reveal an underpayment of any Franchise Fee required pursuant to this Agreement, the amount of such underpayment shall become due and payable to City not later than fifteen (15) days after written notice of such underpayment is sent to Franchisee by City,

complete with any additional late charges as set forth herein. If a City Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Franchisee's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Franchisee shall bear the entire cost of such City Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

SECTION 14 **RULES AND REGULATIONS OF CITY MANAGER**

The City Manager shall have the power to establish rules and regulations respecting the accumulation, Collection and transportation of Solid Waste not inconsistent with the provisions of this Agreement, providing such rules and regulations are found to be reasonably necessary by the City Manager for enforcement of the provisions of this Agreement, or any and all Applicable Laws and ordinances, and for the preservation of the public peace, health and safety. Franchisee agrees to comply with any and all such rules and regulations.

Franchisee further agrees to and shall, upon demand of City, at Franchisee's sole cost and expense, defend (with attorneys acceptable to City) the City Indemnitees against and all Claims in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse City for any and all costs and expenses City

15.1.3 The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2 Hazardous Substances Indemnification.

15.2.1 Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims, (including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.3 Additional Indemnification Requirements.

15.3.1 The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2 The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3 With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all "owned," "hired" and "non-owned" vehicles, or coverage for "any auto." Such insurance shall be endorsed to:

16.3.1 Name the City and City Personnel as additional insureds for claims arising out of Franchisee's performance of this Agreement.

16.3.2 Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4 Workers' Compensation Insurance.

16.4.1 In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer's right of subrogation against the City and City Personnel with respect to the performance of Franchisee's obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee's completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee's rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers' compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers' compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5 Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6 Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to "Ongoing Operations"
- (2) Exclude "Contractual Liability"
- (3) Restrict coverage to the "Sole" liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3 In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5 City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6 City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7 Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8 Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1 Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2 Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3 Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4 Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9 City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1 Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2 Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3 Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

To Franchisee: Key Disposal & Recycling, Inc.
John Katangian
5202 Industry Ave.
Pico Rivera, CA 90660

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

IN WITNESS WHEREOF, the parties hereto have executed this agreement on the dates indicated below.

EXHIBIT E
IMPLEMENTATION, OUTREACH AND EDUCATION PLAN
(To be provided by Franchisee and approved by City Manager)

At the moment, our protocols at Key Disposal for complaints are as follows:

A customer calls in to establish a complaint and one of our customer service reps logs the complaint in the customer's account in our database and then works directly with the appropriate department (dispatch, billing etc.) to handle the complaint. Once the issue is resolved a return call is made to the customer to ensure satisfaction. The account is then updated again to close the complaint

Customer Service, Outreach and Education Technical Approach:

While much of the customer service, outreach and education will be done face to face, Key Disposal will also utilize the following strategies:

- **Constant Contact** - Key Disposal will implement an email campaign via Constant Contact to encourage customers to take part in the recycling programs that are offered.
- **Facebook /Twitter/ Instagram** - Key Disposal is in the process of putting up a Facebook Page to encourage traffic to the page for updates on the recycling efforts, current promotions or friendly competitions to get customers engaged and excited about the recycling effort. Twitter and Instagram will be used in this light as well.

Contingency Plan:

Waste that is generated in an emergency can cause health and environmental risks depending on the type of waste and if the emergency has caused a unique circumstance (damage to containers, spills, fallen buildings, etc.). Waste materials that because concern are solvents, paints, pesticides, oil, lead-acid batteries, acid-based cleaners, etc. As a way to prevent leakage of these materials, Key Disposal will provide education at the time of the outreach to remind customers to properly dispose of any of these items if they have them around and do not need them.

Key Disposal will prioritize the cleanup needs based on the materials that pose the most risk to the public. First and foremost, Key Disposal will identify and work with hazardous waste vendors to remove any hazardous waste.

Second, Key Disposal will provide removal services for any waste or debris that might be affecting roadway access for emergency vehicles. At this point, Key Disposal will also identify all municipal solid waste, food waste and any other waste that might undergo decomposition for

removal. At this point, Key Disposal will also remove any spoiled foods that may have been caused due to a breakdown of refrigeration equipment at a customer's location. All precautions will be taken to prevent any spillage of these materials.

Third, Key Disposal will identify and remove all inert waste which includes metal, wood, bricks, asphalt or concrete, plaster, drywall, siding, shingles, insulation, ceramics, plastic and glass.

Household inert waste products include carpet, draperies, upholstered and wooden furniture, mattresses, clothing, bedding, paper, plastic and cardboard. Inert waste is usually the largest amount of waste that results from an emergency situation. When possible, Key Disposal will recycle as much of this material as possible to keep waste removal costs down. Consolidated Fabricators has Emergency Response Bins which Key Disposal will have ready to disperse in the event of an emergency. Each bin is a 3-yard bin that has been specially designed to carry much needed items to secure an environment.

Container Information:

Bins: 1 to 6 cubic yard bins will be available. The most common used are 3- and 4-yard bins, followed by 1- and 2-yard bins.

Roll Off Containers: 10 cubic yard, 20 cubic yard, 30 cubic yard and 40 cubic yard containers will be provided.

Compactors: Key Disposal will have compactors available for lease or to purchase if the customer chooses to do so.

Bin sizes offered for organics collection will be 1 yard, 2-yard, 3 yard or 4-yard bins. Anything larger than a 4-yard bin full of organics would be too heavy for a front loader truck to dump.

Once a request to have a cart, bin or roll off replaced due to damage, graffiti etc., has been received, Key Disposal will complete this task within 24 - 48 hours of receipt of the request. As of now, Key Disposal typically replaces the container the next business day. These services will be done free of charge. Additionally, any service request that is placed for equipment that is

owned by the customer will be done for a fee to the customer. City of Irvine customers will receive free annual bin replacement.

Customers that require a lockable lid for their bins will receive lids with a gravity lock. This will allow the customers to put any kind of lock on the bin they choose and the driver will still be able to empty the bin without the hassle of unlocking it.

Key Disposal and Recycling will have all containers delivered within 30 days of start date of contract.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and L.A.L. Services, Inc. (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment .

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. 15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2□ any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□ any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□ any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 ☐ Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 ☐ Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 ☐ Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 ☐ Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 ☐ City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

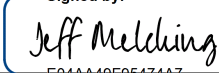

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

19	Mobile Equipment Subject To Compulsory Or Financial Responsibility Or Other Motor Vehicle Insurance Law Only	Only those "autos" that are land vehicles and that would qualify under the definition of "mobile equipment" under this Policy if they were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where they are licensed or principally garaged.
----	--	---

B. Owned Autos

1. If Symbols **1, 2, 3, 4, 5, 6** or **19** are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire after the policy period begins of the type described for the remainder of the policy period.
2. But, if Symbol **7** is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire after the policy period begins will be a covered "auto" for that coverage only if:
 - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
 - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.
3. An "auto" that is leased or rented to you without a driver, under a written agreement for a continuous period of at least six months that requires you to provide primary insurance covering such "auto", will be considered a covered "auto" you own.

C. Certain Trailers, Mobile Equipment And Temporary Substitute Autos

If Covered Autos Liability Coverage is provided by this Coverage Form, the following types of vehicles are also covered "autos" for Covered Autos Liability Coverage:

1. "Trailers" with a registered Gross Vehicle Weight Rating of 3,000 pounds or less designed primarily for travel on public roads.
2. "Mobile equipment" while being carried or towed by a covered "auto".

- e. Destruction.

SECTION II – COVERED AUTOS LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Covered Autos Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto".

BUSINESS AUTO COVERAGE FORM

Various provisions in this Policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this Policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERED AUTOS

Item Two of the Declarations shows the "autos" that are covered "autos" for each of your coverages. The following numerical symbols describe the "autos" that may be covered "autos". The symbols entered next to a coverage on the Declarations designate the only "autos" that are covered "autos".

A. Description Of Covered Auto Designation Symbols

This includes "autos" owned by your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households but only while used in your business or your personal affairs.

- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".

- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed, we will:

- (1) Increase the Limit of Insurance for Covered Autos Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

- (2) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

- b. All electronic equipment that reproduces, receives or transmits audio, visual or data signals in any one "loss" is \$1,000, if, at the time of "loss", such electronic equipment is:

- (1) Permanently installed in or upon the covered "auto" in a housing, opening or other location that is not normally used by the "auto" manufacturer for the installation of such equipment;
- (2) Removable from a permanently installed housing unit as described in Paragraph b.(1) above; or
- (3) An integral part of such equipment as described in Paragraphs b.(1) and b.(2) above.

- 2. An adjustment for depreciation and physical condition will be made in determining actual cash value in the event of a total "loss".
- 3. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of the betterment.

D. Deductible

For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations prior to the application of the Limit Of Insurance, provided that:

- 1. The Comprehensive or Specified Causes Of Loss Coverage deductible applies only to "loss" caused by:
 - a. Theft or mischief or vandalism; or
 - b. All perils.
- 2. Regardless of the number of covered "autos" damaged or stolen, the maximum deductible applicable for all "loss" in any one event caused by:
 - a. Theft or mischief or vandalism; or
 - b. All perils,

will be equal to five times the highest deductible applicable to any one covered "auto" on the Policy for Comprehensive or Specified Causes Of Loss Coverage. The application of the highest deductible used to calculate the maximum deductible will be made regardless of which covered "autos" were damaged or stolen in the "loss".

SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this Policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:
 - (1) How, when and where the "accident" or "loss" occurred;
 - (2) The "insured's" name and address; and
 - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
 - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
 - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".

- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
 - (4) Authorize us to obtain medical records or other pertinent information.
 - (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.
- c. If there is "loss" to a covered "auto" or its equipment, you must also do the following:
- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
 - (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
 - (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
 - (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Covered Autos Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this Policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option, we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceals or misrepresents a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Covered Autos Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own; or

(2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".
- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Covered Autos Liability Coverage is primary for any liability assumed under an "insured contract".
- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this Policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this Policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the Policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and
- b. Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
- (4) Canada; and

- (5) Anywhere else in the world if a covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less,

provided that the "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada, or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

SECTION V – DEFINITIONS

A. "Accident" includes continuous or repeated exposure to the same conditions resulting in "bodily injury" or "property damage".

B. "Auto" means:

- 1. A land motor vehicle, "trailer" or semitrailer designed for travel on public roads; or

C. "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of these.

D. "Covered pollution cost or expense" means any cost or expense arising out of:

2. Any claim or "suit" by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

"Covered pollution cost or expense" does not include any cost or expense arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

- a. That are, or that are contained in any property that is:
 - (1) Being transported or towed by, handled or handled for movement into, onto or from the covered "auto";
 - (2) Otherwise in the course of transit by or on behalf of the "insured"; or
 - (3) Being stored, disposed of, treated or processed in or upon the covered "auto";
- b. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto"; or
- c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

- (1) The "pollutants" escape, seep, migrate or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and
- (2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraph 6.b. or 6.c. of the definition of "mobile equipment".

Paragraphs b. and c. above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
 - (b) The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.
- E. "Diminution in value" means the actual or perceived loss in market value or resale value which results from a direct and accidental "loss".
 - F. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".
 - G. "Insured" means any person or organization qualifying as an insured in the Who Is An Insured provision of the applicable coverage.  - 5. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another to pay for "bodily injury" or "property damage" to a third party or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement; or

6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

- a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;

- a. Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well-servicing equipment; or
- b. Cherry pickers and similar devices used to raise or lower workers; or

6. Vehicles not described in Paragraph 1., 2., 3. or 4. above maintained primarily for purposes other than the transportation of persons or cargo. However, self-propelled vehicles with the following types of permanently attached equipment are not "mobile equipment" but will be considered "autos":

- a. Equipment designed primarily for:

- (1) Snow removal;

- (3) Street cleaning;

- b. Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and

Exhibit E**Implementation, Outreach and Education Plan****Construction and Demolition Recycling
SB 1383 Compliance Guide – City of Irvine**

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the permitting process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and NASA Services, Inc. (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

3.1 Grant and Scope of Franchise.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.4.1 ☐ *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. Franchisee understands and acknowledges City may enter similar non-exclusive franchise agreements pursuant to the same, or substantially similar terms, with any qualified Solid Waste enterprise.

3.4.2 ☐ *Exclusions.* Notwithstanding any other provisions set forth in this Agreement to the contrary, the non-exclusive contract, right, franchise, license, and privilege granted herein excludes:

(a) ☐ Solid Waste Handling Services at Village Commercial Premises or Residential Premises, other than Temporary Service at such Premises.

(b) ☐ except as provided otherwise herein, the Collection, transportation, or disposal of Hazardous Contaminants; Hazardous Substances; Hazardous Waste; items

(f) ☐ Provide City with advice on Recycling, source reduction, and other technical assistance related to compliance with the Applicable Laws;

(g) ☐ Defend, with counsel acceptable to City, the City Indemnitees against the imposition of fines and/or penalties, or any other liabilities, issued by CalRecycle as a result of Franchisee's failure to comply with Applicable Laws, including, without limitation, AB 939, AB 341, AB 1826, and SB 1383; and

(h) ☐ Be solely responsible for and pay, any fees, penalties or other costs imposed against City by CalRecycle and reimburse, indemnify and hold harmless City against any and all costs, fees, charges, fines, penalties, or other liabilities, levied against it for violation of any state-mandated diversion requirements, or violation of any other provision of Applicable Laws to the extent arising from or in any way related to Franchisee's performance of its obligations under this Agreement; provided, however, Franchisee's obligation to indemnify City for any penalties or fines set forth in this sub-paragraph shall be in proportion to the amount of such fines or penalties imposed because of Franchisee's delay or failure to perform its obligations hereunder.

12.4 ☐ Annual Compliance Review. City intends to review Franchisee's performance annually at its expense to ensure compliance with the terms and provisions of this Agreement ("Annual Compliance Review"). At a minimum, City intends to have internal staff or qualified outside consultants review Franchisee's performance to ensure ongoing compliance with the terms hereof, including, but not limited to, the payment of required fees, performance of the Solid Waste Handling Services stated herein, implementation of programs required under the Agreement, Franchisee's maintenance and upkeep of records, and Franchisee's compliance with all Applicable Laws. Franchisee shall provide any and all information reasonably requested by City in connection with its efforts to ensure compliance with the terms hereof, regardless of whether such information is specifically otherwise called out herein as an item that Franchisee is required to maintain and provide to City; provided that any qualified outside consultant shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law.

SECTION 13

FRANCHISEE'S BOOKS AND RECORDS; AUDITS

13.1 Examination of Records. Franchisee shall maintain all records relating to the Solid Waste Handling Services provided hereunder, including but not limited to Customer lists, billing records, accounts payable records, maps, service requests, cash receipts records, AB 939 compliance records, and other documents and materials which reasonably relate to Franchisee's compliance with and performance of the provisions of this Agreement (the "Records"), for the full Term of this Agreement, and an additional period thereafter of not less than three (3) years, or any longer period required by law. City shall have the right, upon five (5) business days advance notice, to inspect the Records. Such Records shall be made available to City at Franchisee's regular place of business, but in no event outside the County of Orange. Among other things, City shall be allowed to review Franchisee's contracts with its Customers, and shall be allowed to communicate directly with Franchisee's Customers, for the purpose of determining whether Franchisee is in compliance with this Agreement.

13.2 CERCLA Defense Records. City views the ability to defend against CERCLA Claims and related litigation as a matter of great importance. For this reason, the City regards the ability to prove where Solid Waste Collected in the City was taken for disposal, as well as where it was not taken, to be matters of significant importance. Franchisee shall maintain data retention and preservation systems which can establish where Solid Waste Collected in the City was landfilled (and therefore establish where it was not landfilled) for not less than five (5) years following the termination of this Agreement, and agrees to notify the City Manager, City Clerk and City Attorney before destroying such records thereafter. At any time, including after the expiration of the Term hereof, Franchisee shall provide copies of such records to City. The requirements of this Section shall survive the expiration of the Term of this Agreement.

13.3 Audits by City. City shall have the right to conduct or to contract with an independent qualified auditing firm to perform an audit, at City's expense, of Franchisee's records (the "City Audit") to ensure compliance with the provisions of this Agreement on an annual and/or as-needed basis, to be determined by the City. The independent qualified auditor shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law. The City Audit shall include, without limitation, a review of Franchisee's cash receipts records, Solid Waste tonnage Collection, diversion, and other related records, as well as those of each of its parent, subsidiary and/or affiliated companies, as appropriate, to determine Franchisee's Gross Receipts, the accuracy of Franchise Fees paid, and such other information as is reasonably deemed appropriate by the City Manager to evaluate Franchisee's performance hereunder. As part of the City Audit Franchisee's Customer's accounts and related records may be subject to review. While Franchisee will not be required to submit detailed account records, such as the names and addresses of Customers, to the City in connection with required reports hereunder, Franchisee shall make such records and information available for review in connection with the City Audit at Franchisee's business offices.

Should any City Audit reveal an underpayment of any Franchise Fee required pursuant to this Agreement, the amount of such underpayment shall become due and payable to City not later than fifteen (15) days after written notice of such underpayment is sent to Franchisee by City,

complete with any additional late charges as set forth herein. If a City Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Franchisee's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Franchisee shall bear the entire cost of such City Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

SECTION 14

RULES AND REGULATIONS OF CITY MANAGER

The City Manager shall have the power to establish rules and regulations respecting the accumulation, Collection and transportation of Solid Waste not inconsistent with the provisions of this Agreement, providing such rules and regulations are found to be reasonably necessary by the City Manager for enforcement of the provisions of this Agreement, or any and all Applicable Laws and ordinances, and for the preservation of the public peace, health and safety. Franchisee agrees to comply with any and all such rules and regulations.

SECTION 15

INDEMNIFICATION; LEGAL EXPENSES; BONDS

15.1 ☐ General Indemnification.

15.1.1 ☐ Franchisee hereby agrees to and shall defend, reimburse, indemnify and hold harmless the City Indemnitees from and against any and all claims, suits, actions, proceedings, liabilities, damages, injuries, demands, orders, losses, costs, fees, charges, expenses, fines, liens, penalties, attorneys' fees, consultant fees, forfeitures and judgments, of whatever kind or nature (collectively, "Claims") in law or equity or in other proceedings, whether judicial, quasi-judicial or administrative in nature, of any and every kind and description (including, but not limited to, injury to and death of any Person and damage to any property, or for contribution or indemnity claimed by third parties) arising out of, resulting from, and/or in any way connected with this Agreement including: (1) the negligence or willful misconduct of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement; (2) the failure of Franchisee, its officers, employees, agents, and/or subcontractors to comply in all respects with the provisions of this Agreement (including without limitation Franchisee's obligation to ensure City complies with the requirements of the County Agreement), all Applicable Laws (including, without limitation, the Environmental Laws), ordinances and regulations, and/or applicable permits and licenses; (3) the acts of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement for which strict liability is imposed by law (including, without limitation, the Environmental Laws); and (4) any challenge to the award of, or any provisions of this Agreement (including any claim that the application of any provision hereof violates any provision of the California Constitution). The foregoing defense, reimbursement, indemnity and hold harmless provisions shall apply regardless of whether such Claim is also caused in part by any of City Indemnitees' negligence, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct. Franchisee further agrees to and shall, upon demand of City, at Franchisee's sole cost and expense, defend (with attorneys acceptable to City) the City Indemnitees against and all Claims in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse City for any and all costs and expenses City

incurs in providing any such defense, either before, during or after the time Franchisee elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Franchisee. Franchisee shall receive credit towards this indemnity obligation for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City

15.1.2□ Franchisee, upon demand of City, made by and through the City Attorney, shall protect City and appear in and defend the City Indemnitees in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of “Solid Waste” or “Recyclable Material,” the scope of the rights granted herein, conflicts between the rights granted herein and rights asserted by other persons, or the limits of City’s authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting rights under the Dormant Commerce Clause or any other federal or state laws to provide Collection services in the City.

15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2□any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1 ☐ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4 ☐ Workers’ Compensation Insurance.

16.4.1 ☐ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5 ☐ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6 ☐ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

Exhibit E**Implementation, Outreach and Education Plan****Construction and Demolition Recycling
SB 1383 Compliance Guide – City of Irvine**

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the permitting process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and Pacific Line Cleanup, Inc. (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

SECTION 3

NON-EXCLUSIVE FRANCHISE

3.1 ☐ Grant and Scope of Franchise.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.4.1 ☐ *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. Franchisee understands and acknowledges City may enter similar non-exclusive franchise agreements pursuant to the same, or substantially similar terms, with any qualified Solid Waste enterprise.

3.4.2 ☐ *Exclusions.* Notwithstanding any other provisions set forth in this Agreement to the contrary, the non-exclusive contract, right, franchise, license, and privilege granted herein excludes:

(a) ☐ Solid Waste Handling Services at Village Commercial Premises or Residential Premises, other than Temporary Service at such Premises.

(b) ☐ except as provided otherwise herein, the Collection, transportation, or disposal of Hazardous Contaminants; Hazardous Substances; Hazardous Waste; items

commonly known in the waste industry as “universal waste” and/or “e-waste”; biohazardous waste; untreated medical waste; infectious waste; Animal Waste; used cooking fats, oils, grease and similar waste; Special Waste; or other materials which do not constitute Solid Waste.

(c) ☐ Those Solid Waste Handling Services, if any, which are governed by or subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.5 ☐ Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment.

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 ☐ Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

SECTION 4 **ACCEPTANCE; WAIVER**

Franchisee agrees to be bound by and comply with all the requirements of this Agreement. Franchisee waives Franchisee’s right to challenge the terms of this Agreement under federal, state,

or local law, or administrative regulation. Additionally, by and upon the execution of this Agreement, Franchisee agrees to the termination of the Prior Agreement as of the Effective Date, agrees to waive any and all rights under the Prior Agreement, and agrees to release and hold the City harmless from any of the City's obligations thereunder (excepting, however, the right to compensation accrued and unpaid for services provided prior to the Effective Date); provided, however, nothing contained in this provision is intended to or shall relieve Franchisee from any obligation existing under the Prior Agreement pertaining to insurance, indemnification, or other legal obligations to City or Franchisee's Customers (as opposed to obligations to provide service pursuant to the terms thereof), or from any obligation set forth in the Prior Agreement which are called out as surviving the termination thereof, and all such obligations, including specifically those indemnification obligations relating to Environmental Laws, general liability, and AB 939 shall survive the termination of the Prior Agreement.

Franchisee shall make three additional payments to City equal to this payment on or before July 1, 2025, October 1, 2025 and January 1, 2025.

11.3 Additional Charges and Interest For Late Payments. In the event Franchisee fails to make any of the payments provided for in this Agreement on or before the dates due, Franchisee shall pay to City, in addition to the amount due, the following amounts:

11.3.1 A sum of money equal to five percent (5%) of the amount due. This amount is required in order to defray those additional expenses and costs incurred by City by reason of the delinquent payment including, but not limited to, the cost of administering, accounting for, and collecting said delinquent payment and the cost to City of postponing services and projects necessitated by the delay in receiving the revenue; and

11.3.2 Interest on the delinquent sum (excluding the late payment charge referred to in Section 11.3.1) at the maximum legal rate, with said sum to be applied as interest for loss of use of the money due and to be calculated commencing on the date first due through and including the date upon which full payment, including all interest and penalties, is made.

SECTION 12

INDEMNIFICATION, WARRANTIES GUARANTEES AND RELATED OBLIGATIONS PROVIDED IN CONNECTION WITH APPLICABLE LAWS

12.1 Warranties and Representations.

12.1.1 Franchisee warrants and represents that it is familiar with City's SRRE, it is familiar with City's waste stream, and it has the ability to and will provide sufficient programs and services to ensure City will meet or exceed the diversion requirements (including, without limitation, amounts of Solid Waste to be diverted, time frames for diversion, and any other requirements) set forth in the Applicable Laws, and all amendments thereto, with respect to the Customers it services hereunder.

12.1.2 Without regard to any related indemnification requirements, Franchisee guarantees to City that it shall carry out its obligations under this Agreement so that with respect to the Customers Franchisee services hereunder: (1) both it and City will at all times be in compliance with the requirements of all Applicable Laws, including specifically AB 939, AB 341, AB 1826 and SB 1383, and (2) City will meet or exceed the diversion requirements (including, without limitation, amounts of Solid Waste to be diverted, time frames for diversion, and any other requirements) set forth in the Applicable Laws. In meeting this obligation, Franchisee shall be mindful of and comply with all requirements of the County Agreement, including specifically, without limitation, the requirements thereof generally relating to (i) the delivery of Solid Waste only to transfer stations that provide quarterly certifications of Solid Waste delivered, and (ii) the

disposal of residual Solid Waste that remains after Recycling processes have been completed. Commencing immediately upon the Effective Date, Franchisee shall implement all programs necessary to ensure City complies with all state-mandated programs relevant to the services provided hereunder and shall perform public education, awareness, and outreach activities as required by any state-mandated program or as reasonably required by the City Manager in accordance with this Agreement. Franchisee shall submit to the City Manager for review and approval all proposed written public educational, awareness and outreach materials. Franchisee shall engage in any required education, awareness, and outreach activities within thirty (30) days of commencing services to any new Customers, and on not less than an annual basis with all existing Customers. Franchisee shall provide City with monthly, quarterly and annual written reports in a form acceptable to the City Manager and adequate to meet City's filing and reporting requirements under the Applicable Laws, throughout the Term of this Agreement. At City's request, Franchisee shall be responsible to prepare, or assist City with the preparation of, all reports and other information as may be required by any agency, including specifically, the State of California, in order to comply with any Applicable Laws related to the services contemplated by this Agreement.

12.2 ☐ Mutual Cooperation. City and Franchisee shall reasonably cooperate in good faith with all efforts by each other to meet City's diversion and other compliance requirements imposed by AB 939, AB 341, AB 1826, SB 1383, and other Applicable Laws. In this regard, City's obligations shall include, without limitation, making such petitions, requests and applications as may be reasonably requested by Franchisee for time extensions in meeting diversion goals, reductions in diversion goals, or other exceptions from the terms of AB 939, AB 341, AB 1826, SB 1383 and other Applicable Laws.

12.3 ☐ Performance Requirements. Franchisee's obligations pursuant to the provisions of this Section shall include, but not be limited to, the following terms:

12.3.1 ☐ Indemnification Requirements. Franchisee agrees to defend, with counsel reasonably approved by City, indemnify, and hold harmless the City Indemnitees from and against all fines and/or penalties and other liabilities which may be imposed by CalRecycle or any other regulatory agency if (1) Franchisee fails or refuses to timely provide information relating to its operations which is required pursuant to this Agreement or any Applicable Laws and such failure or refusal prevents or delays City from submitting reports required by Applicable Laws in a timely manner; (2) Franchisee fails or refuses to timely implement programs or otherwise comply with the provisions of this Agreement related to the mandates of the Applicable Laws and such failure or refusal prevents or delays City from complying with the Applicable Laws in a timely manner; or (3) the source reduction and Recycling goals, diversion goals, program implementation requirements, or any other requirements of Applicable Laws are not met with respect to the Customers Franchisee services hereunder.

12.3.2 ☐ Assistance to City; Payment of Fees, Fines, and Penalties. In addition to the forgoing, Franchisee agrees, at its sole cost and expense, to:

- (a) ☐ Assist City in responding to inquiries from CalRecycle;

(b) ☐ Assist City in preparing for, and participating in, CalRecycle's biennial review of City's compliance with Applicable Laws;

(c) ☐ Assist City in applying for any extension to comply with any of the Applicable Laws, if so directed by City;

(d) ☐ Assist City in any hearing conducted by CalRecycle relating to City's compliance with Applicable Laws;

(e) ☐ Assist City in the development and implementation of a public awareness and education program that is consistent with Applicable Laws, as well as any related requirements of Applicable Laws;

(f) ☐ Provide City with advice on Recycling, source reduction, and other technical assistance related to compliance with the Applicable Laws;

(g) ☐ Defend, with counsel acceptable to City, the City Indemnitees against the imposition of fines and/or penalties, or any other liabilities, issued by CalRecycle as a result of Franchisee's failure to comply with Applicable Laws, including, without limitation, AB 939, AB 341, AB 1826, and SB 1383; and

(h) ☐ Be solely responsible for and pay, any fees, penalties or other costs imposed against City by CalRecycle and reimburse, indemnify and hold harmless City against any and all costs, fees, charges, fines, penalties, or other liabilities, levied against it for violation of any state-mandated diversion requirements, or violation of any other provision of Applicable Laws to the extent arising from or in any way related to Franchisee's performance of its obligations under this Agreement; provided, however, Franchisee's obligation to indemnify City for any penalties or fines set forth in this sub-paragraph shall be in proportion to the amount of such fines or penalties imposed because of Franchisee's delay or failure to perform its obligations hereunder.

12.4 ☐ Annual Compliance Review. City intends to review Franchisee's performance annually at its expense to ensure compliance with the terms and provisions of this Agreement ("Annual Compliance Review"). At a minimum, City intends to have internal staff or qualified outside consultants review Franchisee's performance to ensure ongoing compliance with the terms hereof, including, but not limited to, the payment of required fees, performance of the Solid Waste Handling Services stated herein, implementation of programs required under the Agreement, Franchisee's maintenance and upkeep of records, and Franchisee's compliance with all Applicable Laws. Franchisee shall provide any and all information reasonably requested by City in connection with its efforts to ensure compliance with the terms hereof, regardless of whether such information is specifically otherwise called out herein as an item that Franchisee is required to maintain and provide to City; provided that any qualified outside consultant shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law.

SECTION 13

FRANCHISEE'S BOOKS AND RECORDS; AUDITS

13.1 Examination of Records. Franchisee shall maintain all records relating to the Solid Waste Handling Services provided hereunder, including but not limited to Customer lists, billing records, accounts payable records, maps, service requests, cash receipts records, AB 939 compliance records, and other documents and materials which reasonably relate to Franchisee's compliance with and performance of the provisions of this Agreement (the "Records"), for the full Term of this Agreement, and an additional period thereafter of not less than three (3) years, or any longer period required by law. City shall have the right, upon five (5) business days advance notice, to inspect the Records. Such Records shall be made available to City at Franchisee's regular place of business, but in no event outside the County of Orange. Among other things, City shall be allowed to review Franchisee's contracts with its Customers, and shall be allowed to communicate directly with Franchisee's Customers, for the purpose of determining whether Franchisee is in compliance with this Agreement.

13.2 CERCLA Defense Records. City views the ability to defend against CERCLA Claims and related litigation as a matter of great importance. For this reason, the City regards the ability to prove where Solid Waste Collected in the City was taken for disposal, as well as where it was not taken, to be matters of significant importance. Franchisee shall maintain data retention and preservation systems which can establish where Solid Waste Collected in the City was landfilled (and therefore establish where it was not landfilled) for not less than five (5) years following the termination of this Agreement, and agrees to notify the City Manager, City Clerk and City Attorney before destroying such records thereafter. At any time, including after the expiration of the Term hereof, Franchisee shall provide copies of such records to City. The requirements of this Section shall survive the expiration of the Term of this Agreement.

13.3 Audits by City. City shall have the right to conduct or to contract with an independent qualified auditing firm to perform an audit, at City's expense, of Franchisee's records (the "City Audit") to ensure compliance with the provisions of this Agreement on an annual and/or as-needed basis, to be determined by the City. The independent qualified auditor shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law. The City Audit shall include, without limitation, a review of Franchisee's cash receipts records, Solid Waste tonnage Collection, diversion, and other related records, as well as those of each of its parent, subsidiary and/or affiliated companies, as appropriate, to determine Franchisee's Gross Receipts, the accuracy of Franchise Fees paid, and such other information as is reasonably deemed appropriate by the City Manager to evaluate Franchisee's performance hereunder. As part of the City Audit Franchisee's Customer's accounts and related records may be subject to review. While Franchisee will not be required to submit detailed account records, such as the names and addresses of Customers, to the City in connection with required reports hereunder, Franchisee shall make such records and information available for review in connection with the City Audit at Franchisee's business offices.

Should any City Audit reveal an underpayment of any Franchise Fee required pursuant to this Agreement, the amount of such underpayment shall become due and payable to City not later than fifteen (15) days after written notice of such underpayment is sent to Franchisee by City,

complete with any additional late charges as set forth herein. If a City Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Franchisee's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Franchisee shall bear the entire cost of such City Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

SECTION 14

RULES AND REGULATIONS OF CITY MANAGER

The City Manager shall have the power to establish rules and regulations respecting the accumulation, Collection and transportation of Solid Waste not inconsistent with the provisions of this Agreement, providing such rules and regulations are found to be reasonably necessary by the City Manager for enforcement of the provisions of this Agreement, or any and all Applicable Laws and ordinances, and for the preservation of the public peace, health and safety. Franchisee agrees to comply with any and all such rules and regulations.

SECTION 15

INDEMNIFICATION; LEGAL EXPENSES; BONDS

15.1 ☐ General Indemnification.

15.1.1 ☐ Franchisee hereby agrees to and shall defend, reimburse, indemnify and hold harmless the City Indemnitees from and against any and all claims, suits, actions, proceedings, liabilities, damages, injuries, demands, orders, losses, costs, fees, charges, expenses, fines, liens, penalties, attorneys' fees, consultant fees, forfeitures and judgments, of whatever kind or nature (collectively, "Claims") in law or equity or in other proceedings, whether judicial, quasi-judicial or administrative in nature, of any and every kind and description (including, but not limited to, injury to and death of any Person and damage to any property, or for contribution or indemnity claimed by third parties) arising out of, resulting from, and/or in any way connected with this Agreement including: (1) the negligence or willful misconduct of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement; (2) the failure of Franchisee, its officers, employees, agents, and/or subcontractors to comply in all respects with the provisions of this Agreement (including without limitation Franchisee's obligation to ensure City complies with the requirements of the County Agreement), all Applicable Laws (including, without limitation, the Environmental Laws), ordinances and regulations, and/or applicable permits and licenses; (3) the acts of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement for which strict liability is imposed by law (including, without limitation, the Environmental Laws); and (4) any challenge to the award of, or any provisions of this Agreement (including any claim that the application of any provision hereof violates any provision of the California Constitution). The foregoing defense, reimbursement, indemnity and hold harmless provisions shall apply regardless of whether such Claim is also caused in part by any of City Indemnitees' negligence, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct. Franchisee further agrees to and shall, upon demand of City, at Franchisee's sole cost and expense, defend (with attorneys acceptable to City) the City Indemnitees against and all Claims in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse City for any and all costs and expenses City

incurs in providing any such defense, either before, during or after the time Franchisee elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Franchisee. Franchisee shall receive credit towards this indemnity obligation for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City

15.1.2□ Franchisee, upon demand of City, made by and through the City Attorney, shall protect City and appear in and defend the City Indemnitees in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of “Solid Waste” or “Recyclable Material,” the scope of the rights granted herein, conflicts between the rights granted herein and rights asserted by other persons, or the limits of City’s authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting rights under the Dormant Commerce Clause or any other federal or state laws to provide Collection services in the City.

15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2□any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

To Franchisee: Pacific Line Cleanup, Inc

Laguna Niguel, CA 92677

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

Exhibit E**Implementation, Outreach and Education Plan****Construction and Demolition Recycling
SB 1383 Compliance Guide – City of Irvine**

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the permitting process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and PATRIOT SERVICES INC. (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

City and Franchisee shall reasonably cooperate in good faith with all efforts by each other to meet City's diversion and other compliance requirements imposed by AB 939, AB 341, AB 1826, SB 1383, and other Applicable Laws. In this regard, City's obligations shall include, without limitation, making such petitions, requests and applications as may be reasonably requested by Franchisee for time extensions in meeting diversion goals, reductions in diversion goals, or other exceptions from the terms of AB 939, AB 341, AB 1826, SB 1383 and other Applicable Laws.

12.3 ☐ Performance Requirements. Franchisee's obligations pursuant to the provisions of this Section shall include, but not be limited to, the following terms:

12.3.1 ☐ Indemnification Requirements. Franchisee agrees to defend, with counsel reasonably approved by City, indemnify, and hold harmless the City Indemnitees from and against all fines and/or penalties and other liabilities which may be imposed by CalRecycle or any other regulatory agency if (1) Franchisee fails or refuses to timely provide information relating to its operations which is required pursuant to this Agreement or any Applicable Laws and such failure or refusal prevents or delays City from submitting reports required by Applicable Laws in a timely manner; (2) Franchisee fails or refuses to timely implement programs or otherwise comply with the provisions of this Agreement related to the mandates of the Applicable Laws and such failure or refusal prevents or delays City from complying with the Applicable Laws in a timely manner; or (3) the source reduction and Recycling goals, diversion goals, program implementation requirements, or any other requirements of Applicable Laws are not met with respect to the Customers Franchisee services hereunder.

12.3.2 ☐ Assistance to City; Payment of Fees, Fines, and Penalties. In addition to the forgoing, Franchisee agrees, at its sole cost and expense, to:

- (a) ☐ Assist City in responding to inquiries from CalRecycle;

(b) ☐ Assist City in preparing for, and participating in, CalRecycle's biennial review of City's compliance with Applicable Laws;

(c) ☐ Assist City in applying for any extension to comply with any of the Applicable Laws, if so directed by City;

(d) ☐ Assist City in any hearing conducted by CalRecycle relating to City's compliance with Applicable Laws;

(e) ☐ Assist City in the development and implementation of a public awareness and education program that is consistent with Applicable Laws, as well as any related requirements of Applicable Laws;

(f) ☐ Provide City with advice on Recycling, source reduction, and other technical assistance related to compliance with the Applicable Laws;

(g) ☐ Defend, with counsel acceptable to City, the City Indemnitees against the imposition of fines and/or penalties, or any other liabilities, issued by CalRecycle as a result of Franchisee's failure to comply with Applicable Laws, including, without limitation, AB 939, AB 341, AB 1826, and SB 1383; and

(h) ☐ Be solely responsible for and pay, any fees, penalties or other costs imposed against City by CalRecycle and reimburse, indemnify and hold harmless City against any and all costs, fees, charges, fines, penalties, or other liabilities, levied against it for violation of any state-mandated diversion requirements, or violation of any other provision of Applicable Laws to the extent arising from or in any way related to Franchisee's performance of its obligations under this Agreement; provided, however, Franchisee's obligation to indemnify City for any penalties or fines set forth in this sub-paragraph shall be in proportion to the amount of such fines or penalties imposed because of Franchisee's delay or failure to perform its obligations hereunder.

12.4 ☐ Annual Compliance Review. City intends to review Franchisee's performance annually at its expense to ensure compliance with the terms and provisions of this Agreement ("Annual Compliance Review"). At a minimum, City intends to have internal staff or qualified outside consultants review Franchisee's performance to ensure ongoing compliance with the terms hereof, including, but not limited to, the payment of required fees, performance of the Solid Waste Handling Services stated herein, implementation of programs required under the Agreement, Franchisee's maintenance and upkeep of records, and Franchisee's compliance with all Applicable Laws. Franchisee shall provide any and all information reasonably requested by City in connection with its efforts to ensure compliance with the terms hereof, regardless of whether such information is specifically otherwise called out herein as an item that Franchisee is required to maintain and provide to City; provided that any qualified outside consultant shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law.

SECTION 13

FRANCHISEE'S BOOKS AND RECORDS; AUDITS

13.1 Examination of Records. Franchisee shall maintain all records relating to the Solid Waste Handling Services provided hereunder, including but not limited to Customer lists, billing records, accounts payable records, maps, service requests, cash receipts records, AB 939 compliance records, and other documents and materials which reasonably relate to Franchisee's compliance with and performance of the provisions of this Agreement (the "Records"), for the full Term of this Agreement, and an additional period thereafter of not less than three (3) years, or any longer period required by law. City shall have the right, upon five (5) business days advance notice, to inspect the Records. Such Records shall be made available to City at Franchisee's regular place of business, but in no event outside the County of Orange. Among other things, City shall be allowed to review Franchisee's contracts with its Customers, and shall be allowed to communicate directly with Franchisee's Customers, for the purpose of determining whether Franchisee is in compliance with this Agreement.

13.2 CERCLA Defense Records. City views the ability to defend against CERCLA Claims and related litigation as a matter of great importance. For this reason, the City regards the ability to prove where Solid Waste Collected in the City was taken for disposal, as well as where it was not taken, to be matters of significant importance. Franchisee shall maintain data retention and preservation systems which can establish where Solid Waste Collected in the City was landfilled (and therefore establish where it was not landfilled) for not less than five (5) years following the termination of this Agreement, and agrees to notify the City Manager, City Clerk and City Attorney before destroying such records thereafter. At any time, including after the expiration of the Term hereof, Franchisee shall provide copies of such records to City. The requirements of this Section shall survive the expiration of the Term of this Agreement.

13.3 Audits by City. City shall have the right to conduct or to contract with an independent qualified auditing firm to perform an audit, at City's expense, of Franchisee's records (the "City Audit") to ensure compliance with the provisions of this Agreement on an annual and/or as-needed basis, to be determined by the City. The independent qualified auditor shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law. The City Audit shall include, without limitation, a review of Franchisee's cash receipts records, Solid Waste tonnage Collection, diversion, and other related records, as well as those of each of its parent, subsidiary and/or affiliated companies, as appropriate, to determine Franchisee's Gross Receipts, the accuracy of Franchise Fees paid, and such other information as is reasonably deemed appropriate by the City Manager to evaluate Franchisee's performance hereunder. As part of the City Audit Franchisee's Customer's accounts and related records may be subject to review. While Franchisee will not be required to submit detailed account records, such as the names and addresses of Customers, to the City in connection with required reports hereunder, Franchisee shall make such records and information available for review in connection with the City Audit at Franchisee's business offices.

Should any City Audit reveal an underpayment of any Franchise Fee required pursuant to this Agreement, the amount of such underpayment shall become due and payable to City not later than fifteen (15) days after written notice of such underpayment is sent to Franchisee by City,

complete with any additional late charges as set forth herein. If a City Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Franchisee's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Franchisee shall bear the entire cost of such City Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

SECTION 14

RULES AND REGULATIONS OF CITY MANAGER

The City Manager shall have the power to establish rules and regulations respecting the accumulation, Collection and transportation of Solid Waste not inconsistent with the provisions of this Agreement, providing such rules and regulations are found to be reasonably necessary by the City Manager for enforcement of the provisions of this Agreement, or any and all Applicable Laws and ordinances, and for the preservation of the public peace, health and safety. Franchisee agrees to comply with any and all such rules and regulations.

SECTION 15

INDEMNIFICATION; LEGAL EXPENSES; BONDS

15.1 ☐ General Indemnification.

15.1.1 ☐ Franchisee hereby agrees to and shall defend, reimburse, indemnify and hold harmless the City Indemnitees from and against any and all claims, suits, actions, proceedings, liabilities, damages, injuries, demands, orders, losses, costs, fees, charges, expenses, fines, liens, penalties, attorneys' fees, consultant fees, forfeitures and judgments, of whatever kind or nature (collectively, "Claims") in law or equity or in other proceedings, whether judicial, quasi-judicial or administrative in nature, of any and every kind and description (including, but not limited to, injury to and death of any Person and damage to any property, or for contribution or indemnity claimed by third parties) arising out of, resulting from, and/or in any way connected with this Agreement including: (1) the negligence or willful misconduct of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement; (2) the failure of Franchisee, its officers, employees, agents, and/or subcontractors to comply in all respects with the provisions of this Agreement (including without limitation Franchisee's obligation to ensure City complies with the requirements of the County Agreement), all Applicable Laws (including, without limitation, the Environmental Laws), ordinances and regulations, and/or applicable permits and licenses; (3) the acts of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement for which strict liability is imposed by law (including, without limitation, the Environmental Laws); and (4) any challenge to the award of, or any provisions of this Agreement (including any claim that the application of any provision hereof violates any provision of the California Constitution). The foregoing defense, reimbursement, indemnity and hold harmless provisions shall apply regardless of whether such Claim is also caused in part by any of City Indemnitees' negligence, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct. Franchisee further agrees to and shall, upon demand of City, at Franchisee's sole cost and expense, defend (with attorneys acceptable to City) the City Indemnitees against and all Claims in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse City for any and all costs and expenses City

incurs in providing any such defense, either before, during or after the time Franchisee elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Franchisee. Franchisee shall receive credit towards this indemnity obligation for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City

15.1.2□ Franchisee, upon demand of City, made by and through the City Attorney, shall protect City and appear in and defend the City Indemnitees in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of “Solid Waste” or “Recyclable Material,” the scope of the rights granted herein, conflicts between the rights granted herein and rights asserted by other persons, or the limits of City’s authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting rights under the Dormant Commerce Clause or any other federal or state laws to provide Collection services in the City.

15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2□any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 ☐ **Force Majeure.** Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 ☐ **Property Damage.** Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 ☐ **Pavement Damage.** Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 ☐ **Right of Entry.** Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 ☐ **City's Authorized Agent.** Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

Rules applicable to insurance with terms less than or more than one year:

- A. If insurance has been in force for one year or less, apply the short rate table for annual insurance to the full annual premium determined as for insurance written for a term of one year.
- B. If insurance has been in force for more than one year:

1. Determine full annual premium as for insurance written for a term of one year.

2. Deduct such premium from the full insurance premium, and on the remainder calculate the pro rata earned premium on the basis of the ratio of the length of time beyond one year the insurance has been in force to the length of time beyond one year for which the policy was originally written.

3. Add premium produced in accordance with items (1) and (2) to obtain earned premium during full period insurance has been in force.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:
 - (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and

- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

- b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.
- (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

2. Paragraphs **1.b.** and **2.** of the Supplementary Payments provision do not apply.

2. Each of the following is also an insured:
 - a. Each of your "employees" who is or was authorized to administer your "employee benefit program".
 - b. Any persons, organizations or "employees" having proper temporary authorization to administer your "employee benefit program" if you die, but only until your legal representative is appointed.

- D. For the purposes of the coverage provided by this endorsement, **Section III – Limits Of Insurance** is replaced by the following:

1. Limits Of Insurance

- a. The Limits of Insurance shown in the Schedule and the rules below fix the most we will pay regardless of the number of:
 - (1) Insureds;
 - (2) "Claims" made or "suits" brought;
 - (3) Persons or organizations making "claims" or bringing "suits";
 - (4) Acts, errors or omissions; or
 - (5) Benefits included in your "employee benefit program".
- b. The Aggregate Limit is the most we will pay for all damages because of acts, errors or omissions negligently committed in the "administration" of your "employee benefit program".
- c. Subject to the Aggregate Limit, the Each Employee Limit is the most we will pay for all damages sustained by any one "employee", including damages sustained by such "employee's" dependents and beneficiaries, as a result of:
 - (1) An act, error or omission; or
 - (2) A series of related acts, errors or omissions negligently committed in the "administration" of your "employee benefit program".

However, the amount paid under this endorsement shall not exceed, and will be subject to, the limits and restrictions that apply to the payment of benefits in any plan included in the "employee benefit program".

The Limits of Insurance of this endorsement apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations of the policy to which this endorsement is attached, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits Of Insurance.

2. Deductible

- a. Our obligation to pay damages on behalf of the insured applies only to the amount of damages in excess of the deductible amount stated in the Schedule as applicable to Each Employee. The limits of insurance shall not be reduced by the amount of this deductible.
- b. The deductible amount stated in the Schedule applies to all damages sustained by any one "employee", including such "employee's" dependents and beneficiaries, because of all acts, errors or omissions to which this insurance applies.
- c. The terms of this insurance, including those with respect to:
 - (1) Our right and duty to defend any "suits" seeking those damages; and
 - (2) Your duties, and the duties of any other involved insured, in the event of an act, error or omission, or "claim"

apply irrespective of the application of the deductible amount.
- d. We may pay any part or all of the deductible amount to effect settlement of any "claim" or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as we have paid.
- E. For the purposes of the coverage provided by this endorsement, Conditions 2. and 4. of **Section IV – Commercial General Liability Conditions** are replaced by the following:
 - 2. **Duties In The Event Of An Act, Error Or Omission, Or "Claim" Or "Suit"**
 - a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a "claim". To the extent possible, notice should include:
 - (1) What the act, error or omission was and when it occurred; and

- (2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.

b. If a "claim" is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the "claim" or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the "claim" or "suit" as soon as practicable.

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "claim" or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the "claim" or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of an act, error or omission to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation or incur any expense without our consent.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this endorsement, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below.

b. Excess Insurance

- (1) This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis that is effective prior to the beginning of the policy period shown in the Schedule of this insurance and that applies to an act, error or omission on other than a claims-made basis, if:

- (a) No Retroactive Date is shown in the Schedule of this insurance; or

- (b) The other insurance has a policy period which continues after the Retroactive Date shown in the Schedule of this insurance.

- (2) When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of the total amount that all such other insurance would pay for the loss in absence of this insurance; and the total of all deductible and self-insured amounts under all that other insurance.

- (4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Schedule of this endorsement.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limits of insurance to the total applicable limits of insurance of all insurers.

- F. For the purposes of the coverage provided by this endorsement, the following Extended Reporting Period provisions are added, or, if this endorsement is attached to a claims-made Coverage Part, replaces any similar Section in that Coverage Part:

EXTENDED REPORTING PERIOD

1. You will have the right to purchase an Extended Reporting Period, as described below, if:
 - a. This endorsement is canceled or not renewed; or
 - b. We renew or replace this endorsement with insurance that:
 - (1) Has a Retroactive Date later than the date shown in the Schedule of this endorsement; or
 - (2) Does not apply to an act, error or omission on a claims-made basis.
2. The Extended Reporting Period does not extend the policy period or change the scope of coverage provided. It applies only to "claims" for acts, errors or omissions that were first committed before the end of the policy period but not before the Retroactive Date, if any, shown in the Schedule. Once in effect, the Extended Reporting Period may not be canceled.
3. An Extended Reporting Period of five years is available, but only by an endorsement and for an extra charge.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:

- a. The "employee benefit programs" insured;
- b. Previous types and amounts of insurance;
- c. Limits of insurance available under this endorsement for future payment of damages; and
- d. Other related factors.

The additional premium will not exceed 100% of the annual premium for this endorsement.

The Extended Reporting Period endorsement applicable to this coverage shall set forth the terms, not inconsistent with this Section, applicable to the Extended Reporting Period, including a provision to the effect that the insurance afforded for "claims" first received during such period is excess over any other valid and collectible insurance available under policies in force after the Extended Reporting Period starts.

4. If the Extended Reporting Period is in effect, we will provide an extended reporting period aggregate limit of insurance described below, but only for claims first received and recorded during the Extended Reporting Period.

The extended reporting period aggregate limit of insurance will be equal to the dollar amount shown in the Schedule of this endorsement under Limits of Insurance.

Paragraph **D.1.b.** of this endorsement will be amended accordingly. The Each Employee Limit shown in the Schedule will then continue to apply as set forth in Paragraph **D.1.c.**

- G. For the purposes of the coverage provided by this endorsement, the following definitions are added to the **Definitions** Section:

 - b. Profit sharing plans, employee savings plans, employee stock ownership plans, pension plans and stock subscription plans, provided that no one other than an "employee" may subscribe to such benefits and such benefits are made generally available to all "employees" who are eligible under the plan for such benefits;
 - c. Unemployment insurance, social security benefits, workers' compensation and disability benefits;
 - d. Vacation plans, including buy and sell programs; leave of absence programs, including military, maternity, family, and civil leave; tuition assistance plans; transportation and health club subsidies; and
 - e. Any other similar benefits designated in the Schedule or added thereto by endorsement.
- H. For the purposes of the coverage provided by this endorsement, Definitions 5. and 18. in the **Definitions** Section are replaced by the following:
 5. "Employee" means a person actively employed, formerly employed, on leave of absence or disabled, or retired. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".
 18. "Suit" means a civil proceeding in which damages because of an act, error or omission to which this insurance applies are alleged. "Suit" includes:
 - a. An arbitration proceeding in which such damages are claimed and to which the insured must submit or does submit with our consent; or

a. If this policy has been in effect for more than 60 days, or is a renewal of a policy we issued, we may cancel this policy only upon the occurrence, after the effective date of the policy, of one or more of the following:

(1) Nonpayment of premium, including payment due on a prior policy we issued and due during the current policy term covering the same risks.

(2) Discovery of fraud or material misrepresentation by:

(a) Any insured or his or her representative in obtaining this insurance; or

(b) You or your representative in pursuing a claim under this policy.

(3) A judgment by a court or an administrative tribunal that you have violated a California or Federal law, having as one of its necessary elements an act which materially increases any of the risks insured against.

- (4) Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards, by you or your representative, which materially increase any of the risks insured against.
- (5) Failure by you or your representative to implement reasonable loss control requirements, agreed to by you as a condition of policy issuance, or which were conditions precedent to our use of a particular rate or rating plan, if that failure materially increases any of the risks insured against.
- (6) A determination by the Commissioner of Insurance that the:
 - (a) Loss of, or changes in, our reinsurance covering all or part of the risk would threaten our financial integrity or solvency; or
 - (b) Continuation of the policy coverage would:
 - (i) Place us in violation of California law or the laws of the state where we are domiciled; or
 - (ii) Threaten our solvency.
- (7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the policy.
- b. We will mail or deliver advance written notice of cancellation, stating the reason for cancellation, to the first Named Insured, at the mailing address shown in the policy, and to the producer of record, at least:
 - (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium or discovery of fraud; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason listed in Paragraph 3.a.

B. The following provision is added to the **Cancellation** Common Policy Condition:

7. Residential Property

This provision applies to coverage on real property which is used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household personal property in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

- a. If such coverage has been in effect for 60 days or less, and is not a renewal of coverage we previously issued, we may cancel this coverage for any reason, except as provided in **b.** and **c.** below.
- b. We may not cancel this policy solely because the first Named Insured has:
 - (1) Accepted an offer of earthquake coverage; or
 - (2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, we shall cancel this policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

- c. We may not cancel such coverage solely because corrosive soil conditions exist on the premises. This restriction (**c.**) applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:
 - (1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or
 - (2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph **D.** Covered Causes Of Loss – Special.

d. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not cancel this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred. However, we may cancel:

- (1) When you have not paid the premium, at any time by letting you know at least 10 days before the date cancellation takes effect;
- (2) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against; or
- (3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.

C. The following is added and supersedes any provisions to the contrary:

Nonrenewal

1. Subject to the provisions of Paragraphs **C.2.** and **C.3.** below, if we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at least 60 days, but not more than 120 days, before the expiration or anniversary date.

We will mail or deliver our notice to the first Named Insured, and to the producer of record, at the mailing address shown in the policy.

2. Residential Property

This provision applies to coverage on real property used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household property contained in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

a. If this policy provides coverage as described in the preceding paragraph, and we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at the mailing address shown in the policy, at least 75 days, but not more than 120 days, before the expiration or anniversary date.

If we fail to give the first Named Insured shown in the Declarations notice of nonrenewal at least 75 days prior to the policy expiration, as required in the paragraph above, this policy, with no change in its terms and conditions, shall remain in effect for 75 days from the date that the notice of nonrenewal is delivered or mailed to the Named Insured. A notice to this effect shall be provided by us to the first Named Insured with the notice of nonrenewal.

- b. We may elect not to renew such coverage for any reason, except as provided in Paragraphs **c.**, **d.** and **e.** below.
- c. We will not refuse to renew such coverage solely because the first Named Insured has accepted an offer of earthquake coverage.

However, the following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. We may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons applies:

- (1) The nonrenewal is based on sound underwriting principles that relate to the coverages provided by this policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;

- (2) The Commissioner of Insurance finds that the exposure to potential losses will threaten our solvency or place us in a hazardous condition. A hazardous condition includes, but is not limited to, a condition in which we make claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policyholder surplus of at least 25% for payment of those claims; or
- (3) We have:
 - (a) Lost or experienced a substantial reduction in the availability or scope of reinsurance coverage; or
 - (b) Experienced a substantial increase in the premium charged for reinsurance coverage of our residential property insurance policies; and

the Commissioner has approved a plan for the nonrenewals that is fair and equitable, and that is responsive to the changes in our reinsurance position.
- d. We will not refuse to renew such coverage solely because the first Named Insured has cancelled or did not renew a policy, issued by the California Earthquake Authority, that included an earthquake policy premium surcharge.
- e. We will not refuse to renew such coverage solely because corrosive soil conditions exist on the premises. This restriction (e.) applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:
 - (1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or
 - (2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph D. Covered Causes Of Loss – Special.
- f. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not nonrenew this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred.

However, we may nonrenew:

- (1) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against;
 - (2) If losses unrelated to the postdisaster loss condition of the property have occurred that would collectively render the risk ineligible for renewal; or
 - (3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.
3. We are not required to send notice of nonrenewal in the following situations:
- a. If the transfer or renewal of a policy, without any changes in terms, conditions or rates, is between us and a member of our insurance group.
 - b. If the policy has been extended for 90 days or less, provided that notice has been given in accordance with Paragraph C.1.
 - c. If you have obtained replacement coverage, or if the first Named Insured has agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.
 - d. If the policy is for a period of no more than 60 days and you are notified at the time of issuance that it will not be renewed.
 - e. If the first Named Insured requests a change in the terms or conditions or risks covered by the policy within 60 days of the end of the policy period.
 - f. If we have made a written offer to the first Named Insured, in accordance with the timeframes shown in Paragraph C.1., to renew the policy under changed terms or conditions or at an increased premium rate, when the increase exceeds 25%.

SECTION II – COVERED AUTOS LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Covered Autos Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed, we will:

- (1) Increase the Limit of Insurance for Covered Autos Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts if:

- (1) The "pollutants" escape, seep, migrate or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and
- (2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraphs 6.b. and 6.c. of the definition of "mobile equipment".

Paragraphs b. and c. above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and

Covered "autos" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. This insurance also does not apply while that covered "auto" is being prepared for such a contest or activity.

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit Of Insurance for Covered Autos Liability Coverage shown in the Declarations.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

We will pay up to \$20 per day, to a maximum of \$600, for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes Of Loss Coverage. 2. We will not pay for "loss" to any covered "auto" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. We will also not pay for "loss" to any covered "auto" while that covered "auto" is being prepared for such a contest or activity.

3. We will not pay for "loss" due and confined to:

5. Exclusions 4.c. and 4.d. do not apply to equipment designed to be operated solely by use of the power from the "auto's" electrical system that, at the time of "loss", is:

- a. Permanently installed in or upon the covered "auto";

6. We will not pay for "loss" to a covered "auto" due to "diminution in value".

C. Limits Of Insurance

1. The most we will pay for:

- a. "Loss" to any one covered "auto" is the lesser of:

D. Deductible

For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.

SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:
 - (1) How, when and where the "accident" or "loss" occurred;

- (2) The "insured's" name and address; and
 - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
 - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
 - (4) Authorize us to obtain medical records or other pertinent information.
 - (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.
- c. If there is "loss" to a covered "auto" or its equipment, you must also do the following:
- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
 - (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
 - (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
 - (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Covered Autos Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option, we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceals or misrepresents a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Covered Autos Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own; or
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Covered Autos Liability Coverage is primary for any liability assumed under an "insured contract".

- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and
- b. Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
- (4) Canada; and
- (5) Anywhere in the world if a covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less,

provided that the "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada, or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

- a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;

IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

Attachment #1

We pride ourselves on being up to date with all state and local legislation. We have implemented recycling programs for food waste, organics, and mixed recyclables for current customers. We also use state of the art material recovery facilities to ensure a maximum level of diversion for the solid waste we pick up.

The overall success of our programs requires consistent maintenance and continued waste characterization studies to ensure customers stick with the protocols of the programs we implement.

Our primary efforts and success start with source separated recycling. This allows us to achieve the highest diversion rates possible. This is what makes waste characterization studies so important. The study allows us to design and implement a comprehensive recycling program for customers and help maintain the program.

As part of our plan to better assist the city in meeting the State requirements it is our normal business practice to divert as much waste from the landfill as possible. This is why we currently take the majority of the waste stream we collect to materials recovery facilities. This allows us to enhance diversion and capture recyclable items that have been discarded in containers provided for waste.

It is also at this point where we do our own waste characterization studies to identify how much recyclable material, we collect from waste containers and through the efforts of our drivers and staff identify those who generate and dispose of recyclables in their waste streams. Once our drivers report which customers these are we perform site visits and offer recycling services to help them save on their disposal costs and help us increase our diversion efforts and increase our overall diversion rates in the city. This in our eyes is a win-win situation. It works to everyone's benefit and customers are happier with this proactive approach.

With heavy training and standard operating procedures in place this approach has now become second nature to our staff and has been easy to maintain. This practice and approach is our standard procedure for all waste streams we collect.

We are also committed to finding new ways to reduce, reuse and recycle. We are committed to engaging with organizations around the city to help us with these efforts in any capacity. Aside from waste collection and disposal, we will seek out organizations that have a use for items we may collect before they enter the waste stream. We can identify customers that normally dispose of items that can be re-used to those who may need it.

Currently we are providing and helping the City of El Segundo and City of Torrance comply with the California mandates SB1383, AB341, AB1826. We provide C&D service all over Los Angeles County and make sure all cities comply with SB1374.

We utilize front loader and roll off trucks for our collection methods. We transport all materials to its correct processing facilities. By doing so we insure the highest possible diversion rates. Currently our diversion rates are as follows:

MSW	5%
Organics	80%
Food Waste	95%
Mixed Recycling	80%
Carboard Recycling	100%
Metal Recycling	100%
C & D	90.5%

Trash

Patriot Services offers trash collection 7 days a week in containers sizes varying from 64-gallons up to 6-yard bins, roll-off containers, and compactors.

We recently purchased a new 2024 MACK TerraPro front load collection vehicle. Together with our current 2021 Peterbilt front load collection vehicle, these specialty waste & recycling collection vehicles enable us to service carts and bins with the same truck making our routes more efficient and reducing the number of vehicles on the streets.

Recyclables

Patriot Services offers 7 days a week recycling service in containers ranging in size from 35-gallons up to 6-yard bins, roll-off containers, and compactors.

Patriot Services believes in a personal touch with customers.

Prior to starting collection with a customer, our staff meets directly with all customers to explain our recycling service and describe what materials are acceptable and not acceptable for recycling.

For customers we prepare, plan and implement a custom designed recycling program to meet each customer's specific needs. We assist customers with training and protocol to ensure the programs succeed. This involves separate waste & recycling receptacles, and the types of bags used to help eliminate contamination. Pictured below is a customer that currently subscribed for recycling and organics recycling service.

Organic Materials

Patriot Services offers 7 days a week service in containers ranging in size from 35-gallon up to 3-yard bins and roll-offs.

As we do with recyclables, our staff meets directly with all customers prior to commencing organic materials disposal service to explain our organic materials disposal service and describe what materials are acceptable and not acceptable for disposal as organic recycling.

In addition, customers are advised that all food waste must be placed in clear compostable liner bags. In most cases we also provide customers with complimentary liners to begin service. Customers may also throw organics waste directly in the containers without a bag if they choose.

We encourage all our customers to participate in organics recycling and explain how to properly dispose of organic waste. Any contamination in the cart or bin will be tagged.

We also have our own food waste program specifically designed for restaurants. Since food waste has a very high diversion rate, we offer daily food waste collection service with container sizes varying from 35-gallon carts to 3-yard bins.

Sample Outreach Materials Distributed to Customers –

The following outreach flyers were mailed to our customers. The first flyer is an explanation of the new food and yard waste rules under SB 1383.

This letter outlines the reason for the changes to help eliminate methane gas from decomposing organic waste in landfills which contributes to global warming. The letter also explains that waste haulers will expand organic waste collection services for residents and businesses and the waste collected will be recycled using composting facilities that make soil amendments utilizing Anaerobic digestion technology to break down organic waste in closed spaces where there is no oxygen and create renewable natural gas.

In addition, the letter informed our customers that starting in 2022, large food-service businesses must donate surplus edible food to food recovery organizations with a 2025 goal to redirect and donate 20% of edible food to those in need.

The second handout was mailed to all Patriot Services customers informing them that per SB 1383 they will be able to use your green organics container for the collection of landscaping waste, food scraps, and 100% fiber-based, food-soiled paper.

New Food & Yard Waste Rules – SB 1383

[California State Senate Bill 1383](#) (SB 1383), requires the reduction of organic waste disposed of in landfills. Organic waste is comprised of food scraps and food-soiled paper from kitchens and food operations and yard waste such as garden and landscape waste, organic textiles and carpets and wood waste.

Reason for Changes

According to the Environmental Protection Agency, organic waste accounts for a significant portion of California's waste stream. Left to decompose in landfills, the organic waste releases methane, a gas that traps the sun's heat, warms the atmosphere and contributes to global warming. To address this issue, then-Governor Jerry Brown, signed Senate Bill 1383 into law which targets the reduction of pollutants, including methane. Cities throughout California must meet the new reduction limits through organic waste reduction.

Collection and Recycling

Starting in 2022, the City and City-certified private waste haulers will expand organic waste collection services for residents and businesses. Food and yard waste collected will be recycled using:

- Composting facilities that make soil amendments, materials that are added to soil to change and improve it.
- Anaerobic digestion facilities, technology and microorganisms break down organic waste in closed spaces where there is no oxygen and create renewable natural gas.

Food Recovery from Businesses

Starting in 2022, large food-service businesses must donate surplus edible food to food recovery organizations with additional businesses starting in 2024. California is working towards a 2025 goal to redirect and donate 20% of edible food to those in need. Learn more about SB1383 at calrecycle.ca.gov

Please contact Helen Garcia at 310-414-1122 if you have further questions about the new law that is going into effect Jan 01, 2022.

Second Flyer - Organics

Patriot Services is partnering with your city to implement food scrap collection for multifamily complexes and commercial buildings. Per Senate Bill 1383, commercial and multifamily complexes across California will be required to place into their green waste container ALL their landscaping waste, food scraps, and food-soiled paper (100% fiber-based).

WHAT'S CHANGING?

You will be able to use your green organics container for the collection of landscaping waste, **food scraps, and 100% fiber-based, food-soiled paper.**

DID YOU SAY FOOD SCRAPS?

Yes, Patriot Services will accept all types of food scraps. Our American Organics compost facility converts organics waste into nutrient-rich soil amendment. The resulting compost is used by commercial farmers, city projects, garden shops, landscapers, and residents.

HOW DO I PARTICIPATE?

- To collect your kitchen food scraps, you can choose to use a portable, reusable pail-like container with a tight-fitting lid. It could be plastic, metal, or ceramic.
- Consider reusing a coffee canister, large yogurt or margarine tub, or juice pitcher.
- Pail options can be purchased at a retail store or searched online for “Kitchen Pail.”
- Storage ideas can include the kitchen counter, under the sink, in the freezer, or wherever you feel is best.

WHY ORGANICS RECYCLING?

Landfills are the third largest source of methane in California. Organics waste emits 20% of the state's methane; a climate super pollutant up to 84 times more potent than carbon dioxide. By diverting organics from the landfill, you are part of the solution in helping to protect the environment and future generations.

ARE BAGS ACCEPTED?

Liners are optional. Plastic and bioplastic “compostable” bags are accepted in the organic's container, but must be CLEAR or translucent-green, and bag contents must be visible. Acceptable organics will be processed, but the bags will not be recycled or composted.

WHERE CAN I GET MORE INFORMATION?

Patriot Services is here to support the community with this new program and will provide resources and training to help you get started.

If you have any questions about the new organics collection program, please contact the Patriot Services Customer Care Center at (310) 414-1122 or email us at info@patriotservinc.com

Starting in 2022, large food-service businesses must donate surplus edible food to food recovery organizations with additional businesses starting in 2024. California is working towards a 2025 goal to redirect and donate 20% of edible food to those in need.

To help the City of El Segundo meet the 2025 statewide goal, Patriot Services will educate their customers and the community about the benefits of food rescue providing resources and guidance on how to reduce food waste at the source.

Patriot Services will help provide incentives for businesses to donate excess food rather than disposing of it by collaborating with local food banks and non-profits to obtain surplus food.

In addition, Patriot Services is fully committed to assisting the city to help educate local businesses and residents regarding the benefits of food rescue. Education and outreach are the main priority to make sure this program is successful to its fullest capacity.

With hunger all around us, we must ensure this program's success.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and Rainbow Disposal Co., Inc (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

3.1 ☐ Grant and Scope of Franchise.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.4.1 ☐ *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. Franchisee understands and acknowledges City may enter similar non-exclusive franchise agreements pursuant to the same, or substantially similar terms, with any qualified Solid Waste enterprise.

3.4.2 ☐ *Exclusions.* Notwithstanding any other provisions set forth in this Agreement to the contrary, the non-exclusive contract, right, franchise, license, and privilege granted herein excludes:

3.5 ☐ Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment.

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 ☐ Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

SECTION 4 **ACCEPTANCE; WAIVER**

Franchisee agrees to be bound by and comply with all the requirements of this Agreement. Franchisee waives Franchisee’s right to challenge the terms of this Agreement under federal, state,

or local law, or administrative regulation. Additionally, by and upon the execution of this Agreement, Franchisee agrees to the termination of the Prior Agreement as of the Effective Date, agrees to waive any and all rights under the Prior Agreement, and agrees to release and hold the City harmless from any of the City's obligations thereunder (excepting, however, the right to compensation accrued and unpaid for services provided prior to the Effective Date); provided, however, nothing contained in this provision is intended to or shall relieve Franchisee from any obligation existing under the Prior Agreement pertaining to insurance, indemnification, or other legal obligations to City or Franchisee's Customers (as opposed to obligations to provide service pursuant to the terms thereof), or from any obligation set forth in the Prior Agreement which are called out as surviving the termination thereof, and all such obligations, including specifically those indemnification obligations relating to Environmental Laws, general liability, and AB 939 shall survive the termination of the Prior Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 ☐ **Force Majeure.** Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 ☐ **Property Damage.** Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 ☐ **Pavement Damage.** Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 ☐ **Right of Entry.** Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 ☐ **City's Authorized Agent.** Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

To Franchisee: Rainbow Disposal Co., Inc
17121 Nichols Lane
Huntington Beach, CA 92647

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and Redbox+ Dumpsters of Orange County (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.5 ☐ Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment .

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 ☐ Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2□any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

To Franchisee: Redbox+ Dumpsters of Orange County
219 N. Lincoln Ave
Corona, CA 92882

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

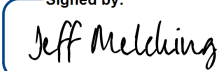

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 ☐ Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

Exhibit E**Implementation, Outreach and Education Plan****Construction and Demolition Recycling
SB 1383 Compliance Guide – City of Irvine**

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

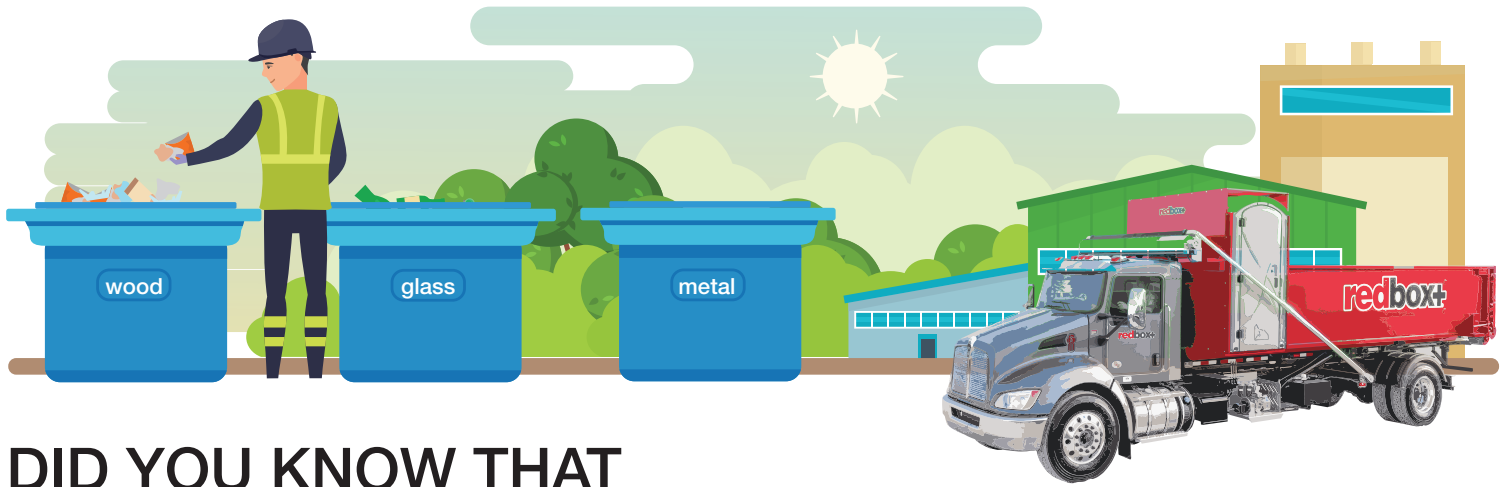

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the permitting process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

DID YOU KNOW THAT CONSTRUCTION WASTE RECYCLING IS REQUIRED?

AB341: Mandatory Commercial Recycling
requires all businesses that generate 4 cubic yards
or more of waste per week to arrange for recycling services.

AB1826: Mandatory Commercial Organics Recycling
requires all businesses that generate 4 cubic yards or more
of organic waste to arrange for organic waste recycling services.
Organics include food, yard trimmings, nonhazardous wood, and food soiled paper.

**SB1374: Mandatory Construction
& Demolition Debris Recycling**
requires a city, county, or regional agency to submit an annual report
to the board summarizing its progress in diverting solid waste from disposal.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and Robert's Waste & Recycling (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

3.1 ☐ Grant and Scope of Franchise.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.4.1 ☐ *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. Franchisee understands and acknowledges City may enter similar non-exclusive franchise agreements pursuant to the same, or substantially similar terms, with any qualified Solid Waste enterprise.

3.4.2 ☐ *Exclusions.* Notwithstanding any other provisions set forth in this Agreement to the contrary, the non-exclusive contract, right, franchise, license, and privilege granted herein excludes:

(a) ☐ Solid Waste Handling Services at Village Commercial Premises or Residential Premises, other than Temporary Service at such Premises.

(b) ☐ except as provided otherwise herein, the Collection, transportation, or disposal of Hazardous Contaminants; Hazardous Substances; Hazardous Waste; items

(f) ☐ Provide City with advice on Recycling, source reduction, and other technical assistance related to compliance with the Applicable Laws;

(g) ☐ Defend, with counsel acceptable to City, the City Indemnitees against the imposition of fines and/or penalties, or any other liabilities, issued by CalRecycle as a result of Franchisee's failure to comply with Applicable Laws, including, without limitation, AB 939, AB 341, AB 1826, and SB 1383; and

(h) ☐ Be solely responsible for and pay, any fees, penalties or other costs imposed against City by CalRecycle and reimburse, indemnify and hold harmless City against any and all costs, fees, charges, fines, penalties, or other liabilities, levied against it for violation of any state-mandated diversion requirements, or violation of any other provision of Applicable Laws to the extent arising from or in any way related to Franchisee's performance of its obligations under this Agreement; provided, however, Franchisee's obligation to indemnify City for any penalties or fines set forth in this sub-paragraph shall be in proportion to the amount of such fines or penalties imposed because of Franchisee's delay or failure to perform its obligations hereunder.

12.4 ☐ Annual Compliance Review. City intends to review Franchisee's performance annually at its expense to ensure compliance with the terms and provisions of this Agreement ("Annual Compliance Review"). At a minimum, City intends to have internal staff or qualified outside consultants review Franchisee's performance to ensure ongoing compliance with the terms hereof, including, but not limited to, the payment of required fees, performance of the Solid Waste Handling Services stated herein, implementation of programs required under the Agreement, Franchisee's maintenance and upkeep of records, and Franchisee's compliance with all Applicable Laws. Franchisee shall provide any and all information reasonably requested by City in connection with its efforts to ensure compliance with the terms hereof, regardless of whether such information is specifically otherwise called out herein as an item that Franchisee is required to maintain and provide to City; provided that any qualified outside consultant shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law.

SECTION 13

FRANCHISEE'S BOOKS AND RECORDS; AUDITS

13.1 Examination of Records. Franchisee shall maintain all records relating to the Solid Waste Handling Services provided hereunder, including but not limited to Customer lists, billing records, accounts payable records, maps, service requests, cash receipts records, AB 939 compliance records, and other documents and materials which reasonably relate to Franchisee's compliance with and performance of the provisions of this Agreement (the "Records"), for the full Term of this Agreement, and an additional period thereafter of not less than three (3) years, or any longer period required by law. City shall have the right, upon five (5) business days advance notice, to inspect the Records. Such Records shall be made available to City at Franchisee's regular place of business, but in no event outside the County of Orange. Among other things, City shall be allowed to review Franchisee's contracts with its Customers, and shall be allowed to communicate directly with Franchisee's Customers, for the purpose of determining whether Franchisee is in compliance with this Agreement.

13.2 CERCLA Defense Records. City views the ability to defend against CERCLA Claims and related litigation as a matter of great importance. For this reason, the City regards the ability to prove where Solid Waste Collected in the City was taken for disposal, as well as where it was not taken, to be matters of significant importance. Franchisee shall maintain data retention and preservation systems which can establish where Solid Waste Collected in the City was landfilled (and therefore establish where it was not landfilled) for not less than five (5) years following the termination of this Agreement, and agrees to notify the City Manager, City Clerk and City Attorney before destroying such records thereafter. At any time, including after the expiration of the Term hereof, Franchisee shall provide copies of such records to City. The requirements of this Section shall survive the expiration of the Term of this Agreement.

13.3 Audits by City. City shall have the right to conduct or to contract with an independent qualified auditing firm to perform an audit, at City's expense, of Franchisee's records (the "City Audit") to ensure compliance with the provisions of this Agreement on an annual and/or as-needed basis, to be determined by the City. The independent qualified auditor shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law. The City Audit shall include, without limitation, a review of Franchisee's cash receipts records, Solid Waste tonnage Collection, diversion, and other related records, as well as those of each of its parent, subsidiary and/or affiliated companies, as appropriate, to determine Franchisee's Gross Receipts, the accuracy of Franchise Fees paid, and such other information as is reasonably deemed appropriate by the City Manager to evaluate Franchisee's performance hereunder. As part of the City Audit Franchisee's Customer's accounts and related records may be subject to review. While Franchisee will not be required to submit detailed account records, such as the names and addresses of Customers, to the City in connection with required reports hereunder, Franchisee shall make such records and information available for review in connection with the City Audit at Franchisee's business offices.

Should any City Audit reveal an underpayment of any Franchise Fee required pursuant to this Agreement, the amount of such underpayment shall become due and payable to City not later than fifteen (15) days after written notice of such underpayment is sent to Franchisee by City,

complete with any additional late charges as set forth herein. If a City Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Franchisee's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Franchisee shall bear the entire cost of such City Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

SECTION 14

RULES AND REGULATIONS OF CITY MANAGER

The City Manager shall have the power to establish rules and regulations respecting the accumulation, Collection and transportation of Solid Waste not inconsistent with the provisions of this Agreement, providing such rules and regulations are found to be reasonably necessary by the City Manager for enforcement of the provisions of this Agreement, or any and all Applicable Laws and ordinances, and for the preservation of the public peace, health and safety. Franchisee agrees to comply with any and all such rules and regulations.

SECTION 15

INDEMNIFICATION; LEGAL EXPENSES; BONDS

15.1 ☐ General Indemnification.

15.1.1 ☐ Franchisee hereby agrees to and shall defend, reimburse, indemnify and hold harmless the City Indemnitees from and against any and all claims, suits, actions, proceedings, liabilities, damages, injuries, demands, orders, losses, costs, fees, charges, expenses, fines, liens, penalties, attorneys' fees, consultant fees, forfeitures and judgments, of whatever kind or nature (collectively, "Claims") in law or equity or in other proceedings, whether judicial, quasi-judicial or administrative in nature, of any and every kind and description (including, but not limited to, injury to and death of any Person and damage to any property, or for contribution or indemnity claimed by third parties) arising out of, resulting from, and/or in any way connected with this Agreement including: (1) the negligence or willful misconduct of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement; (2) the failure of Franchisee, its officers, employees, agents, and/or subcontractors to comply in all respects with the provisions of this Agreement (including without limitation Franchisee's obligation to ensure City complies with the requirements of the County Agreement), all Applicable Laws (including, without limitation, the Environmental Laws), ordinances and regulations, and/or applicable permits and licenses; (3) the acts of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement for which strict liability is imposed by law (including, without limitation, the Environmental Laws); and (4) any challenge to the award of, or any provisions of this Agreement (including any claim that the application of any provision hereof violates any provision of the California Constitution). The foregoing defense, reimbursement, indemnity and hold harmless provisions shall apply regardless of whether such Claim is also caused in part by any of City Indemnitees' negligence, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct. Franchisee further agrees to and shall, upon demand of City, at Franchisee's sole cost and expense, defend (with attorneys acceptable to City) the City Indemnitees against and all Claims in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse City for any and all costs and expenses City

incurs in providing any such defense, either before, during or after the time Franchisee elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Franchisee. Franchisee shall receive credit towards this indemnity obligation for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City

15.1.2□ Franchisee, upon demand of City, made by and through the City Attorney, shall protect City and appear in and defend the City Indemnitees in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of “Solid Waste” or “Recyclable Material,” the scope of the rights granted herein, conflicts between the rights granted herein and rights asserted by other persons, or the limits of City’s authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting rights under the Dormant Commerce Clause or any other federal or state laws to provide Collection services in the City.

15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2□any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

Robert's Waste Diversion Plan & Summary

Over the past 5 years, we have consistently been able to meet our required diversion percentage goals. Thanks to the education provided to customers and competitive rates, we have been able to take the majority of our temporary customers' loads to Material Recovery Facilities. The number of loads taken directly to the landfill has continued to decrease every year. Despite the cheaper rates of dumping directly at landfills and the 20-25% rate increases for C&D over the past 2-3 years, our business model has allowed us to place diversion over company profit. Our C&D customers have without fail been able to meet their diversion and LEED requirements. We always guarantee a 65% minimum diversion rate, however we on average hit rates of 77-80% diversion

The majority of 10yd loads are recycled at a 100 rate%. To ensure this, we will divert mixed loads to our yard to separate waste by hand to then take 100% concrete, asphalt, and inert loads to qualified diversion facilities such as Bowerman (Asphalt), Griffith (Concrete), and Maitri Road Recycling (Inert).

We continue to update all customers on diversion efforts and to educate on the importance of separating waste. Prior to implementation of commercial service, we ensure that new customers sign up for mandatory recycling programs at the onset and make them aware of all the state-mandated programs such as AB-939, AB-1826, and SB-1383. We will not sign up any customers for trash only service unless city-issued waivers are provided.

Thanks to consistent efforts by staff in educating customers on all programs mandated by the state, as well as explaining the benefits of source-separating and diverting waste, all commercial accounts across as jurisdictions have become compliant, whether with recycling programs or waivers.

Our company purchased new routing software to assist in the tracking loads and to maximize reporting efforts to accommodate for company growth. An additional front-loader was purchased at the end of 2023 to help service increased recycling streams for commercial accounts. The new software allows drivers to take photos of all containers serviced and uploaded to ensure compliance and to address any non-service issues. All blue recycling containers are taken to our yard to source separate and then taken to proper recycling facilities, such as Certified for cardboard loads and SA Recycling for aluminum loads.

We have a dedicated employee to do weekly container/lid flip checks to verify any contamination. Each front-loader driver has a helper with them to check the containers for contamination prior to dumping them. They will have spreadsheets to document any contamination and utilize the new software to document loads live.

A new dedicated organics route has been established to prevent cross contamination of streams.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and Southern California Environmental, Inc (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

3.1 ☐ Grant and Scope of Franchise.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.4.1 ☐ *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. Franchisee understands and acknowledges City may enter similar non-exclusive franchise agreements pursuant to the same, or substantially similar terms, with any qualified Solid Waste enterprise.

3.4.2 ☐ *Exclusions.* Notwithstanding any other provisions set forth in this Agreement to the contrary, the non-exclusive contract, right, franchise, license, and privilege granted herein excludes:

(a) ☐ Solid Waste Handling Services at Village Commercial Premises or Residential Premises, other than Temporary Service at such Premises.

(b) ☐ except as provided otherwise herein, the Collection, transportation, or disposal of Hazardous Contaminants; Hazardous Substances; Hazardous Waste; items

commonly known in the waste industry as “universal waste” and/or “e-waste”; biohazardous waste; untreated medical waste; infectious waste; Animal Waste; used cooking fats, oils, grease and similar waste; Special Waste; or other materials which do not constitute Solid Waste.

(c) ☐ Those Solid Waste Handling Services, if any, which are governed by or subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.5 ☐ Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment.

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 ☐ Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

SECTION 4 **ACCEPTANCE; WAIVER**

Franchisee agrees to be bound by and comply with all the requirements of this Agreement. Franchisee waives Franchisee’s right to challenge the terms of this Agreement under federal, state,

or local law, or administrative regulation. Additionally, by and upon the execution of this Agreement, Franchisee agrees to the termination of the Prior Agreement as of the Effective Date, agrees to waive any and all rights under the Prior Agreement, and agrees to release and hold the City harmless from any of the City's obligations thereunder (excepting, however, the right to compensation accrued and unpaid for services provided prior to the Effective Date); provided, however, nothing contained in this provision is intended to or shall relieve Franchisee from any obligation existing under the Prior Agreement pertaining to insurance, indemnification, or other legal obligations to City or Franchisee's Customers (as opposed to obligations to provide service pursuant to the terms thereof), or from any obligation set forth in the Prior Agreement which are called out as surviving the termination thereof, and all such obligations, including specifically those indemnification obligations relating to Environmental Laws, general liability, and AB 939 shall survive the termination of the Prior Agreement.

The requirements of this Section shall survive the expiration of the Term of this Agreement.

13.3 ☐ Audits by City. City shall have the right to conduct or to contract with an independent qualified auditing firm to perform an audit, at City's expense, of Franchisee's records (the "City Audit") to ensure compliance with the provisions of this Agreement on an annual and/or as-needed basis, to be determined by the City. The independent qualified auditor shall agree to a reasonable non-disclosure agreement with Franchisee to protect Franchisee's Intellectual Property and be subject to California data security and privacy rights under Applicable Law. The City Audit shall include, without limitation, a review of Franchisee's cash receipts records, Solid Waste tonnage Collection, diversion, and other related records, as well as those of each of its parent, subsidiary and/or affiliated companies, as appropriate, to determine Franchisee's Gross Receipts, the accuracy of Franchise Fees paid, and such other information as is reasonably deemed appropriate by the City Manager to evaluate Franchisee's performance hereunder. As part of the City Audit Franchisee's Customer's accounts and related records may be subject to review. While Franchisee will not be required to submit detailed account records, such as the names and addresses of Customers, to the City in connection with required reports hereunder, Franchisee shall make such records and information available for review in connection with the City Audit at Franchisee's business offices.

Should any City Audit reveal an underpayment of any Franchise Fee required pursuant to this Agreement, the amount of such underpayment shall become due and payable to City not later than fifteen (15) days after written notice of such underpayment is sent to Franchisee by City,

complete with any additional late charges as set forth herein. If a City Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Franchisee's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Franchisee shall bear the entire cost of such City Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

SECTION 14

RULES AND REGULATIONS OF CITY MANAGER

The City Manager shall have the power to establish rules and regulations respecting the accumulation, Collection and transportation of Solid Waste not inconsistent with the provisions of this Agreement, providing such rules and regulations are found to be reasonably necessary by the City Manager for enforcement of the provisions of this Agreement, or any and all Applicable Laws and ordinances, and for the preservation of the public peace, health and safety. Franchisee agrees to comply with any and all such rules and regulations.

SECTION 15

INDEMNIFICATION; LEGAL EXPENSES; BONDS

15.1 ☐ General Indemnification.

15.1.1 ☐ Franchisee hereby agrees to and shall defend, reimburse, indemnify and hold harmless the City Indemnitees from and against any and all claims, suits, actions, proceedings, liabilities, damages, injuries, demands, orders, losses, costs, fees, charges, expenses, fines, liens, penalties, attorneys' fees, consultant fees, forfeitures and judgments, of whatever kind or nature (collectively, "Claims") in law or equity or in other proceedings, whether judicial, quasi-judicial or administrative in nature, of any and every kind and description (including, but not limited to, injury to and death of any Person and damage to any property, or for contribution or indemnity claimed by third parties) arising out of, resulting from, and/or in any way connected with this Agreement including: (1) the negligence or willful misconduct of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement; (2) the failure of Franchisee, its officers, employees, agents, and/or subcontractors to comply in all respects with the provisions of this Agreement (including without limitation Franchisee's obligation to ensure City complies with the requirements of the County Agreement), all Applicable Laws (including, without limitation, the Environmental Laws), ordinances and regulations, and/or applicable permits and licenses; (3) the acts of Franchisee, its officers, employees, agents, and/or subcontractors in performing services under this Agreement for which strict liability is imposed by law (including, without limitation, the Environmental Laws); and (4) any challenge to the award of, or any provisions of this Agreement (including any claim that the application of any provision hereof violates any provision of the California Constitution). The foregoing defense, reimbursement, indemnity and hold harmless provisions shall apply regardless of whether such Claim is also caused in part by any of City Indemnitees' negligence, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct. Franchisee further agrees to and shall, upon demand of City, at Franchisee's sole cost and expense, defend (with attorneys acceptable to City) the City Indemnitees against and all Claims in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse City for any and all costs and expenses City

incurs in providing any such defense, either before, during or after the time Franchisee elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Franchisee. Franchisee shall receive credit towards this indemnity obligation for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City

15.1.2□ Franchisee, upon demand of City, made by and through the City Attorney, shall protect City and appear in and defend the City Indemnitees in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of “Solid Waste” or “Recyclable Material,” the scope of the rights granted herein, conflicts between the rights granted herein and rights asserted by other persons, or the limits of City’s authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting rights under the Dormant Commerce Clause or any other federal or state laws to provide Collection services in the City.

15.1.3□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2□ Hazardous Substances Indemnification.

15.2.1□ Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims,(including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1□ results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2□ relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2□ Franchisee’s obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1□ any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2□ any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3□ any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4□ any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 ☐ Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 ☐ Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 ☐ Pavement Damage. Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 ☐ Right of Entry. Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 ☐ City's Authorized Agent. Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

To Franchisee: Southern California Environmental, Inc
817 Fairway Dr.
Walnut, CA 91789

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

Exhibit E**Implementation, Outreach and Education Plan****Construction and Demolition Recycling
SB 1383 Compliance Guide – City of Irvine**

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the permitting process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and Universal Waste Systems, Inc (UWS) (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA” – 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2 Amendments to Scope of Franchise; Planning Area 51

3.2.1 The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2 As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3 As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4 Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 Limitations on Scope of Franchise.

3.4.1 *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. Franchisee understands and acknowledges City may enter similar non-exclusive franchise agreements pursuant to the same, or substantially similar terms, with any qualified Solid Waste enterprise.

3.4.2 *Exclusions.* Notwithstanding any other provisions set forth in this Agreement to the contrary, the non-exclusive contract, right, franchise, license, and privilege granted herein excludes:

3.5 Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 Public Resources Code Section 49523 Acknowledgment .

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

SECTION 4 **ACCEPTANCE; WAIVER**

Franchisee agrees to be bound by and comply with all the requirements of this Agreement. Franchisee waives Franchisee’s right to challenge the terms of this Agreement under federal, state,

or local law, or administrative regulation. Additionally, by and upon the execution of this Agreement, Franchisee agrees to the termination of the Prior Agreement as of the Effective Date, agrees to waive any and all rights under the Prior Agreement, and agrees to release and hold the City harmless from any of the City's obligations thereunder (excepting, however, the right to compensation accrued and unpaid for services provided prior to the Effective Date); provided, however, nothing contained in this provision is intended to or shall relieve Franchisee from any obligation existing under the Prior Agreement pertaining to insurance, indemnification, or other legal obligations to City or Franchisee's Customers (as opposed to obligations to provide service pursuant to the terms thereof), or from any obligation set forth in the Prior Agreement which are called out as surviving the termination thereof, and all such obligations, including specifically those indemnification obligations relating to Environmental Laws, general liability, and AB 939 shall survive the termination of the Prior Agreement.

complete with any additional late charges as set forth herein. If a City Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Franchisee's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Franchisee shall bear the entire cost of such City Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

15.1.3 The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the expiration or earlier termination of this Agreement.

15.2 Hazardous Substances Indemnification.

15.2.1 Without regard to any insurance coverage or requirements (but giving credit to Franchisee for any sums received by or for the benefit of City from insurance obtained by Franchisee for the benefit of City), and without limiting the above general indemnification obligation in any way, Franchisee specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City), defend, reimburse, indemnify, and hold the City Indemnitees harmless from and against any and all Claims, (including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, mitigation costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Franchisee that:

15.2.1.1 results in any Claim asserting that any of the City Indemnitees are liable, responsible or in any way obligated to investigate, assess, monitor, study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant (as defined herein); or

15.2.1.2 relates to material Collected, transported, Recycled, treated or disposed of by Franchisee.

15.2.2 Franchisee's obligations pursuant to this Section shall apply, without limitation, to:

15.2.2.1 any Claims brought pursuant to or based on the provisions of any Environmental Laws, and any and all amendments and regulations thereto, and any other Federal, State, regional or local environmental statutory or regulatory provision;

15.2.2.2 any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Franchisee of any facility;

15.2.2.3 any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Franchisee;

15.2.2.4 any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3 Additional Indemnification Requirements.

15.3.1 The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2 The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3 With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4 Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5 Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1 Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2 Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4 Workers’ Compensation Insurance.

16.4.1 In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5 Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6 Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3 In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5 City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6 City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7 Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8 Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1 Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2 Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3 Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4 Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9 City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1 Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2 Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3 Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 **Force Majeure.** Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 **Property Damage.** Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 **Pavement Damage.** Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 **Right of Entry.** Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 **City's Authorized Agent.** Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

- Any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement, in effect during this **policy period**, that such person or organization be added as an additional **insured** on this policy; and
- Any other person or organization you are explicitly required to add as an additional **insured** under the contract or agreement described in Paragraph 1. above.

- Your acts or omissions; or
- The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional **insured** described in Paragraph 1. or 2. above.

However, the insurance afforded to such additional **insured** described above:

- Only applies to the extent permitted by law; and
- Will not be broader than that which you are required by the contract or agreement to provide for such additional **insured**, and
- Will not extend beyond that which is provided to you in this policy.

A person's or organization's status as an additional **insured** under this endorsement ends when your operations for the person or organization described in Paragraph 1. above are completed.

II. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

- Bodily injury, property damage or personal and advertising injury** arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

- c. A request for defense and indemnity of the **claim** or **suit** will promptly be brought against any policy issued by another insurer under which the additional **insured** may be an insured in any capacity. This provision does not apply to insurance on which the additional **insured** is a **Named Insured**, if the contract or agreement requires that this coverage be primary and noncontributory.

V. **SECTION VII – CONDITION 10. – Other Insurance** is amended by the addition of the following which supersedes any provision to the contrary:

APPROVED FACILITIES

WASTE DIVERSION PROGRAMS, SERVICES, AND COMPLIANCE ASSISTANCE

Transfer Facilities

UWS' Santa Fe Springs Material Recovery and Transfer Facility (MRF) is designed for 2,500 tons per day and currently operating at about 1,500 tons per day. This facility has a full solid waste facility permit capable of processing all types of waste streams.

UWS is proposing to use this facility as the main hub for recyclable materials to be delivered. This facility currently has enough capacity to accommodate the tonnage from the City of Irvine without the need to re-permit or make any modifications to the operation. This facility will also be used

for process of various other waste stream which will provide for more efficient routing and program management. UWS has deployed this program design in other jurisdictions with a high degree of success.

viii. Estimated diversion rate	(a) Residential source-separated mixed recyclables (85%) (b) Commercial source-separated mixed recyclables (85%) (c) Commercial source-separated OCC (98%) (d) Mixed Waste Processing (25 to 35%)

Source-Separated Recyclable Processing

The source separated or commingled recyclable materials collected in the BLUE Container from Multi-Family and Commercial sources will be delivered to the UWS-owned and operated material recovery facility (MRF) in Santa Fe Springs. Here recyclables are sorted, consolidated and shipped to market through our state-of-the-art MRF complete with optical sorters, robotic arms and mechanical separation.

Residuals

Residual waste from the recyclable processing operation at the MRF will be shipped to one of the Orange County landfills for disposal. As mentioned above, these are long-term relationships with guaranteed capacity for the UWS waste stream.

Mixed Waste Processing

UWS' Santa Fe Springs Material Recovery and Transfer Facility (MRF) is designed for 2,500 tons per day and currently operating at about 1,500 tons per day. This facility has a full solid waste facility permit capable of processing all types of waste streams.

UWS is proposing to process select commercial loads ("A" route) with high levels of recyclables at this facility for the recovery of recyclable materials. This program will be deployed to any customer that does not generate food waste or is not participating in the source separated commingled recycling program. The benefit of this type of additional processing program is the ability to ensure that 100% of the commercial customers are participating in some form of recycling program.

UWS has deployed this program in other jurisdictions with a high degree of success and will work with the city staff to make this available to the Irvine customer base.

Green Waste Processing

The source separated green and wood waste collected in the GREEN Container from Multi-Family and Commercial generators will be delivered to the UWS-owned Greenwise Soil Technologies compost facility in South Gate. The facility has a maximum permitted capacity of 250 tons per day and provides a local in town outlet for the organic green waste from the City.

Material delivered to Greenwise will be screened through a series of devices, size reduced, composted and blended in order to make a rich soil amendment available for the commercial market. UWS through its many end-use markets (Moon Valley Nursery, Kellogg's and Bandini) to name a few will use our long relationships to ensure that the material coming from the City of Irvine always has a home and will not be landfilled or used as alternative daily cover (ADC).

The residuals and small fractions from the compost process will be returned to the one of the landfills for disposal.

<i>viii. Estimated diversion rate</i>	Residential GREEN Container diversion (98%). Commercial GREEN Container diversion (98%).

Organic Waste Processing

UWS is proposing multiple options for the processing of the organic waste from the City of Irvine to meet the compliance requirements in SB1383. Because this area of diversion and recovery is still developing, we believe it is beneficial to have multiple options available to the city to meet the new legislation and diversion requirements. Therefore, we have prepared a menu of options that are priced into our rate structure and will be available to the customers.

Source-Separated Commercial Food Waste and Scraps (Large Generators)

The source separated Organic Container (brown) collected from Commercial customers that meet the minimum threshold as outlined in SB1383 will be provided with a separate container for the separation and collection of food waste and scraps. This material will be delivered directly to the Santa Fe Springs High Diversion Facility for processing. At the SFS facility, the source separated organic material will be processed through the OREX-500 for separation of the organic material from the non-organic waste. Once the organic fraction is separated, it will be delivered to the Sevana Bio-Energy facility in Rialto for further conversion into renewable natural gas (RNG) and as well as an organic rich fertilizer. This proposed program will yield a diversion rate of approximately 85 to 90% of the organic material.

Co-collected Waste and Organics (food) Container from Multi-family and Commercial Customers

UWS proposes as an alternative a co-collection of waste and organics (grey cart) from customers depending on space constraints and ease of separation with for delivery to the Santa Fe Springs High Diversion Facility. This co-collection program allows for the three (3) container program to remain in place without contaminating the green waste by adding food scraps to the waste cart. As mentioned above, our existing green waste processing technology allows for the processing and marketing of the source-separated green waste material to many high-quality vendors.

The food waste and scraps would be placed in the waste cart (grey) where most of this material is going today in order to ensure a high level of participation and the best opportunity to recover the organic material per SB1383 requirements. This material will be delivered directly to the Santa Fe Springs High Diversion Facility for processing. At the SFS facility, the waste with the organic material will be processed through the OREX-500 for separation of the organic fraction from the non-organic waste. Once the organic fraction is separated, it will be delivered to the Sevana Bio-Energy facility in Rialto for further conversion into renewable natural gas (RNG) and as well as an organic rich fertilizer. This proposed program will yield a diversion rate of approximately 40 to 50% of the organic material.

Co-collected Waste and Organics (food) Container from Multi-family and Commercial Customers

(NOTE: Co-collections will be permitted upon certification from CalRecycle and City – Currently in progress)

UWS proposes the potential for a co-collection of waste and organics from the multi-family and commercial customers for delivery to the Santa Fe Springs High Diversion Facility. This co-collection program allows for the existing collection of waste from multi-family customers to remain in place and does not require these customers to subscribe to a separate program for the collection of organics. As you know, multi-family customers and some of the commercial customers are traditionally transient in nature and education is difficult and the programs are thus tough to manage. With this proposed program, the food waste and scraps would be placed in the waste cart where most of this material is going today in order to ensure a high

level of participation and the best opportunity to recover the organic material. This material will be delivered directly to the Santa Fe Springs High Diversion Facility. At the SFS facility, the waste with the organic material will be processed through the OREX-500 for separation of the organic fraction from the non-organic waste. Once the organic fraction is separated, it will be delivered to the Anaergia Bio-Energy facility in Rialto for further conversion into renewable natural gas (RNG) and as well as an organic rich fertilizer. This proposed program will yield a diversion rate of approximately 35 to 50% of the organic material.

Conversion to Renewable Natural Gas (RNG) and High-Quality Fertilizer – Sevana Bioenergy

With mixed collection to AD, organics can be separated from MSW using an Organics Extrusion Press (OREX) and fed to an anaerobic digester to generate renewable energy. This approach utilizes existing infrastructure within the community to generate energy and fertilizer. In contrast, collecting organics in source separated bins is more costly, adds trucks to the road, and sending organics to compost facilities generates fertilizer that is volatile in value and thus causes capacity and tip fees to fluctuate unpredictably. Mixed waste collection and processing at the High Diversion Facility leverages local and existing anaerobic digestion infrastructure. This strategy avoids additional collection cost, new truck routes, and reliance on human separation. This strategy also provides certainty in processing all organics with reliable and long-term fixed price capacity.

IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

PROGRAM IMPLEMENTATION AND PARTICIPATION

SB341 and SB1383 Implementation and Management

AB 341 (Mandatory Commercial Recycling) – Requires commercial establishments (i.e., businesses including public entities that generate 4 cubic yards or more of solid waste per week, and multi-family complexes of 5 or more dwelling units) to arrange for recycling services (i.e., recycling of containers and fiber products).

AB 827 (Recycling Containers) – Requires that businesses subject to AB 341 and AB 1826 and that are frequented by the public must provide recycling containers for public use.

AB 1826 (Mandatory Commercial Organic Waste Recycling) – Requires businesses that generate 2 cubic yards or more of commercial solid waste per week to arrange for organic waste recycling services.

SB 1383 (Organic Waste Methane Emissions Reduction) – Requires a 75% reduction in the 2014 disposal of organic waste including a 20% recovery edible food waste for human consumption.

Three key dates established by SB 1383 will occur during the term of the Franchise Agreement:

January 1, 2022. CalRecycle's regulations to meet the organic waste reduction and the edible food recovery targets take effect. Also, on this date, the enforcement provisions, including penalties for noncompliance issued by the State, take effect. Legislation (SB619 Laird) passed in 2021 has made some changes to the potential penalties and fines associated with the bill, however Cities are still required to move forward with implementation and compliance.

January 1, 2024. CalRecycle's regulations may require local jurisdictions to impose penalties for noncompliance on regulated entities subject to their authority.

January 1, 2025. The State (and presumably each jurisdiction) must achieve 75% reduction in the disposal of organic waste (from 2104 levels); and not less than 20% of currently disposed edible food must be recovered for human consumption.

Experience

In the City of Los Angeles the Zero Waste program was designed before SB 1383 was adopted and yet the program anticipated what would become the State recycling and organic waste recycling mandate.

As a Contractor for RecyLA servicing the Northeast zone, we have been able to perfect our diversion implementation plan, recruit and train our team, and hone our customer education and outreach skills. Our Zero Waste team has extensive experience in assessing our customer needs, personalizing programs and getting results. This implementation plan is a product of that experience.

Staffing

Our Zero Waste Team is made up of Zero Waste Account Representatives with public relations skills and special training and expertise to personally assist Customers with tailoring solid waste services that maximize the recovery of recyclable material and organics.

Identification & Outreach

The first step in compliance begins with identifying the customer and assessing their waste and recycling needs. We accomplish this by following the steps listed below.

Introductory Mailing

Sixty (60) days before the start of service, we will introduce the Recyclable and Organic Waste Recycling Program to Commercial and Multi-family Customers with a direct mailing to each Customer.

Initial Visit

Thirty (30) days following the introductory mailing, members of our Zero Waste Team will begin making personal visits with each account to introduce UWS services, confirm account information, perform a waste assessment, and create a service order with new service recommendations. The initial visit is a very important part of our outreach and education process.

Recyclable and Organic Material Program

Our preferred collection system is a hybrid, Two-Container and/or Three-Container Collection System:

Three-Container Collection System (SB1383 Compliant)

Subscribers

The three-container collection system will be used for collections from:

- Multi-Family dwellings that do not have bin collection, and
- Commercial premises that are NOT food preparation or eating establishments that generate large volumes or organics.

Containers

(Note: All references to a container of a particular color means the color of lid.)

In the Three-Container Collection System, waste generators will be provided three collection containers:

1. A GREY container for the disposal of refuse including organic waste including food and food scraps.
2. A BLUE container for diversion of commingled recyclables including paper products; and,
3. A GREEN container for diversion of yard and wood waste

In the Three-Container Collection System, 'containers' will be industry-standard Carts, Bins, Roll-Off Boxes, or Stationary Compactors appropriate for the subscriber.

- Waste generators receiving collections from Carts will generally be:
 - Multi-Family dwellings, generally with fewer than five dwellings and subscribing to individual collection, and
 - Commercial premises generating low volumes or that are unable to subscribe to bin service due to a lack of bin enclosure space.
- Waste generators receiving collections from Bins will generally be:
 - Multi-Family complexes generally with five or more dwellings, and
 - Commercial and Industrial premises
- Waste generators receiving collections from Roll-Off Boxes and Stationary Compactors will generally be Commercial establishments generating large volumes of Solid Waste destined for disposal, source-separated Recyclables, including paper products, and/or source-separated Yard and Organic Waste.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and WARE DISPOSAL, INC. (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.4.1 ☐ *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. 3.5 ☐ Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment .

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 ☐ Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

Franchisee agrees to be bound by and comply with all the requirements of this Agreement. Franchisee waives Franchisee’s right to challenge the terms of this Agreement under federal, state,

or local law, or administrative regulation. Additionally, by and upon the execution of this Agreement, Franchisee agrees to the termination of the Prior Agreement as of the Effective Date, agrees to waive any and all rights under the Prior Agreement, and agrees to release and hold the City harmless from any of the City's obligations thereunder (excepting, however, the right to compensation accrued and unpaid for services provided prior to the Effective Date); provided, however, nothing contained in this provision is intended to or shall relieve Franchisee from any obligation existing under the Prior Agreement pertaining to insurance, indemnification, or other legal obligations to City or Franchisee's Customers (as opposed to obligations to provide service pursuant to the terms thereof), or from any obligation set forth in the Prior Agreement which are called out as surviving the termination thereof, and all such obligations, including specifically those indemnification obligations relating to Environmental Laws, general liability, and AB 939 shall survive the termination of the Prior Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 ☐ **Force Majeure.** Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 ☐ **Property Damage.** Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.3 ☐ **Pavement Damage.** Franchisee shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the Solid Waste Handling Services required hereunder.

20.4 ☐ **Right of Entry.** Franchisee shall not have the right, until Franchisee receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Solid Waste Handling Services pursuant to this Agreement.

20.5 ☐ **City's Authorized Agent.** Excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is authorized to take any action with regard to any matter, or enforce any right, set forth herein requiring action by City.

20.6 ☐ Amendments. Except as otherwise expressly stated herein, no amendment of this Agreement shall be valid unless in writing duly executed by the Parties.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

To City: City of Irvine
Attn: City Manager
One Civic Center Plaza
Irvine, CA 92623

To Franchisee: WARE DISPOSAL INC.
Attn: General Manager
1035 East 4th Street
Santa Ana, CA 92701-4750

or to such other address as either Party may from time to time designate by notice to the other given in accordance with this Section. Notice shall be deemed given on the date served if served personally between the hours of 8:00 a.m. to 5:00 p.m. on any regular business day for City's business offices. If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

20.17 Corporate Resolution. Concurrent with the execution of this Agreement, Franchisee shall provide City with a corporate resolution of its Board of Directors demonstrating the authority for the undersigned to enter and lawfully bind Franchisee to this Agreement, or in the event Franchisee is not a Corporation, with such evidence of authority as required by the City Manager.

20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

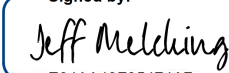

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

20.19 Compliance with Law. In providing the services required under this Agreement, Franchisee shall at all times, at its sole cost, comply with all Applicable Laws, including the laws and regulations of the United States, the State of California, the provisions of the Municipal Code, and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

Exhibit E**Implementation, Outreach and Education Plan****Construction and Demolition Recycling
SB 1383 Compliance Guide – City of Irvine**

In 2007, the City of Irvine adopted a Construction and Demolition (C&D) Debris Recycling and Reuse Ordinance (07-18). Under this ordinance, construction development, renovation, and demolition projects are required to recycle or reuse most of the debris generated by the project, at levels consistent with the California Green Building Standards Code. The ordinance complies with the regulations of Senate Bill 1383 and requires that a maximum amount of organic waste commingled with C&D debris is recovered.

What is Senate Bill 1383?

In 2016, Governor Brown signed into law Senate Bill 1383, the Short-Lived Climate Pollutants (SLCP) Organic Waste Methane Emissions Reduction Act, to establish statewide methane emission reduction goals.

Landfills are the third largest source of methane in California. Organic waste in landfills emit 20% of the state's methane, a climate super pollutant that is 84 times more potent than carbon dioxide. Organic materials make up half of what is dumped in the landfills. Effective January 1, 2022, Senate Bill 1383 created laws requiring organic materials to be diverted from landfills. Organic material is any material that comes from either a plant or an animal.

What types of organic materials are in C&D debris?

Common organic materials produced in construction and demolition projects include wood⁽¹⁾, paper, and cardboard. Your hauler will either offer a separate container for these materials or will have your mixed C&D waste processed at a facility that recovers a majority of organic materials.

⁽¹⁾ Most wood debris must be clean and untreated to be accepted at processing facilities. Please review your hauler's accepted materials specifications.

To find a list of authorized haulers, initiate the permitting process, or find additional C&D recycling resources, visit <https://www.cityofirvine.org/c&d>. Additional support can be reached by calling the Irvine Recycle Hotline at (949)724-7669 or emailing wmp@cityofirvine.org.

NON-EXCLUSIVE FRANCHISE AGREEMENT

This Non-exclusive Franchise Agreement (“Agreement”) is entered into and effective as of September 1, 2024, by and between the CITY OF IRVINE, a California municipal corporation (“City”) and _____ (“Franchisee”), relating to the provision of certain Solid Waste Handling Services within the City which are not subject to City’s Exclusive Franchise Agreement. City and Franchisee are referred to herein collectively as the “Parties” and individually as a “Party.”

RECITALS

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 (“AB 939”), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an open and competitive system for Collection of Solid Waste exist within City applicable to Premises not subject to the City’s Exclusive Franchise Agreement, and that an exclusive franchise agreement be awarded to qualified solid waste enterprises for such purpose.

C. The City Council previously authorized and granted several non-exclusive franchise agreements with various franchisees (the “Prior Agreement”), and the Prior Agreement will terminate on August 31, 2026.

D. The Parties enter this Agreement with the intent of amending the Prior Agreement to: (i) reflect service standards and legal requirements in the Solid Waste industry which have changed over time and in particular the requirements imposed by SB 1383; and (iii) memorialize that this Agreement shall supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Franchisee, and not City, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Franchisee pursuant to this Agreement.

F. City and Franchisee are mindful of the provisions of the laws governing the safe Collection, transport, Recycling, and disposal of Solid Waste, including AB 939, AB 341, AB 1594, AB 1826, SB 1383 the Resource Conservation and Recovery Act (“RCRA” – 42 U.S.C. § 6901 et. seq.), and the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”– 42 U.S.C. § 9601 et. seq.). City and Franchisee desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement City is not thereby becoming an “arranger” or a “generator” as those terms are used in CERCLA, and that it is Franchisee, not City, who is “arranging for” the Collection, transport for disposal, composting, and Recycling of municipal Solid Waste in the City which may contain Hazardous Substances. City and Franchisee understand and agree that it is Franchisee, and not City, who will arrange to Collect Solid Waste, that City has not, and, by this Agreement does not, instruct Franchisee on its

Collection methods, nor supervise the Collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Franchisee, and further that if Franchisee gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement, City and Franchisee further desire to confirm that Franchisee has agreed to indemnify City in connection with any claims relating to the inadvertent or intentional Collection, transportation and/or disposal by Franchisee of Hazardous Contaminants that may occur in connection with Franchisee's performance under this Agreement in accordance with the terms and conditions set forth herein.

G. By entering into this Agreement, Franchisee agrees to provide such Services as are necessary to ensure City complies with all Applicable Laws in connection with the Solid Waste Handling Services it provides hereunder, and represents and warrants that it has the experience and qualifications to conduct the services detailed herein.

H. The City Council hereby determines and finds that the public interest, health, safety and wellbeing will be served by entering this Agreement.

City hereby grants to Franchisee, and Franchisee shall have throughout the duration of this Agreement, the non-exclusive franchise, right, license and privilege to provide Solid Waste Handling Services as set forth herein within the Franchise Area. Generally speaking, the rights granted herein pertain to: (1) Solid Waste Handling Services to Commercial Premises, excepting Village Commercial Premises, occurring on a regular schedule (such as weekly service); and (2) Temporary Services to any Premises in the City (including Residential and Village Commercial

Premises). In the event of any uncertainty, ambiguity, and/or dispute as to whether a particular Premises is subject to the Exclusive Franchise Agreement, and hence not within the Franchise Area of this Agreement, the determination of the applicable scope of this Agreement shall be made by the City Manager, and such determination shall be final. The Parties agree that any such determination is occurring pursuant to Public Resources Code Section 49523, is agreed to by the Parties upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement.

3.2□ Amendments to Scope of Franchise; Planning Area 51

3.2.1□ The Parties acknowledge that as of the Effective Date, the Village Commercial Premises Map includes that certain land designated in City's Zoning Code as "Planning Area 51". Furthermore, that the Zoning Code's text and maps (generally found in Sections 9-51-3 and 9-51-6) depict and describe Planning Area 51 divided into individual "Districts" labeled Districts 1 through 9, with the balance of Planning Area 51 designated as The Great Park. The City has not yet finalized its plans for Planning Area 51, and a final determination of those Commercial Premises which should be designated as Village Commercial has therefore not yet occurred. Once the final planning for Planning Area 51 is complete, the Village Commercial Premises Map will be amended to depict those Commercial Premises within Planning Area 51 that are designated as Village Commercial Premises and thus not part of the Franchise Area and not within the scope of the non-exclusive franchise rights conveyed by this Agreement.

3.2.2□ As of the Effective Date (but subject to change in the future as final plans for Planning Area 51 develop), it is anticipated that land currently described and depicted in City's Zoning Code as Districts 1, 4, 5, 7 and 8 within Planning Area 51 will be developed primarily for residential purposes, and accordingly City anticipates such Districts within Planning Area 51 will be designated as Village Commercial Premises. Moreover, City anticipates that all remaining land in Planning Area 51 (described and depicted in its Zoning Code as Districts 2, 3, 6 and 9, and The Great Park) will not be developed for residential purposes, and accordingly City does not anticipate designating such land within Planning Area 51 as Village Commercial Premises.

3.2.3□ As of the Effective Date, the Village Commercial designations noted in Section 3.2.2. above, which are anticipated to ultimately be confirmed on a revised Village Commercial Map, shall apply (excepting for those Premises already designated within Planning Area 51 on Exhibit A as "Nonexclusive Commercial"); provided, however, the City Manager shall have the right in his/her reasonable discretion to determine whether to change such designations. In determining whether to change a Village Commercial designation the City Manager will consider the following: (i) City's primary goal of minimizing Collection Vehicle traffic near and around Residential Premises; and (ii) the Village Commercial Premises designation is intended to apply to Premises located in close proximity to Residential Premises, which are established to provide for the unified commercial needs of neighborhood residents.

3.2.4□ Once any Premises that is not located in Planning Area 51 is designated as a Village Commercial Premises, it shall remain so designated for the remainder of the Term. Franchisee agrees that City may amend the Village Commercial Premises designation of properties in Planning Area 51 while City's planning is finalized, and that such changes will be reflected on

amended maps to be maintained by the City Manager. Moreover, the Parties agree that any such changes so effectuated are occurring pursuant to Public Resources Code Section 49523, are agreed to by the Parties upon mutually satisfactory terms, and are part of the consideration for entering into this Agreement. Franchisee expressly acknowledges that any change in scope of the franchise granted hereunder that may occur during the Term as a result of a change to the Village Commercial Premises designation of property located in Planning Area 51 as described in this Section 3.2 is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524.

3.3 ☐ Franchise Rights to Include Right to Use City Rights of Way.

The franchise granted by this Agreement includes the right for Franchisee to conduct business on City's rights-of-way as more fully described herein in order to carry out its obligations as set forth in this Agreement, including by: allowing the placement and/or storage of its Containers in rights-of-way; allowing Collection Vehicles to drive at a pace, and repeatedly stop in, rights-of-way in a manner which disrupts traffic to the degree reasonably necessary to carry out its obligations hereunder, and which actions would otherwise be prohibited and a violation of laws applicable to the general public; and, Collecting, delivering and otherwise servicing Containers within rights of way and disrupting traffic as may be reasonably necessary to do so. The franchise hereby granted includes the right to encroach on City's rights-of-way for the forgoing purposes, without the need for an encroachment permit being issued to Franchisee or its Customers (as would be required of the general public to use City's rights-of-way in a similar manner) in connection with the services Franchisee provides hereunder; provided however, Franchisee's rights to use the City's rights-of-way may be limited by the City Manager as necessary for the protection of health, safety and public welfare. Notwithstanding the franchise rights granted herein to impede traffic as may be necessary to perform services hereunder, Franchisee shall take reasonable steps to schedule Collection of Containers, and otherwise perform its obligations hereunder, in a manner that endeavors to minimize the impact of its business activities on the flow of traffic.

3.4 ☐ Limitations on Scope of Franchise.

3.4.1 ☐ *Non-exclusive.* This Agreement shall be non-exclusive, and no provision hereof shall be deemed to require City to grant similar franchises to one or to any particular number of franchisees, nor to restrict or prohibit City from doing so. 3.5 ☐ Rights in Annexed Territories.

It is the intention of the Parties that, subject to all of the limitations set forth in Section 3.4 above, the non-exclusive franchise granted herein shall apply to any property incorporated into the City Limits during the Term hereof; provided, however, the exercise of the rights granted herein within annexed territories shall be limited by and subject to any legal right held by any Solid Waste enterprise to continue to operate (whether pursuant to a pre-existing Solid Waste permit, license, agreement, franchise, or otherwise), so long as any such legal right shall continue to exist.

3.6 ☐ Public Resources Code Section 49523 Acknowledgment.

If Franchisee has a pre-existing permit, license, agreement, franchise or other rights to provide services in the City, including because of being a Franchisee under the Prior Agreement, then Franchisee expressly acknowledges that any change or modification to the scope of such rights that may be effectuated by this Agreement is occurring pursuant to Public Resources Code Section 49523, is included herein upon mutually satisfactory terms, and is part of the consideration for entering into this Agreement. Moreover, Franchisee expressly acknowledges that any change in scope of such prior rights is occurring pursuant to Public Resources Code Section 49523, and is not a waiver of rights set forth in Public Resources Code Section 49520 which would be subject to the provisions of Public Resources Code Section 49524. Franchisee acknowledges that City has advised it that if it has rights pursuant to Public Resources Code Section 49520 which it does not wish to modify by entering this Agreement, it may choose to continue to operate in City pursuant to such rights rather than enter into this Agreement.

3.7 ☐ Notice Pursuant to Public Resources Code Section 49520.

The rights granted pursuant to the terms hereof shall expire upon the end of the Term of this Agreement as set forth in Section 5 below. Franchisee shall have no right to continue to provide services in City pursuant to Public Resources Code Section 49520, or otherwise, following the end of the Term hereof unless a subsequent franchise, contract, or permit is granted to Franchisee by City, or unless this Agreement is amended to provide such rights. This provision is intended to, and shall serve as the notice contemplated by Section 49520 with respect to the franchise rights granted herein.

SECTION 4 **ACCEPTANCE; WAIVER**

Franchisee agrees to be bound by and comply with all the requirements of this Agreement. Franchisee waives Franchisee’s right to challenge the terms of this Agreement under federal, state,

or local law, or administrative regulation. Additionally, by and upon the execution of this Agreement, Franchisee agrees to the termination of the Prior Agreement as of the Effective Date, agrees to waive any and all rights under the Prior Agreement, and agrees to release and hold the City harmless from any of the City's obligations thereunder (excepting, however, the right to compensation accrued and unpaid for services provided prior to the Effective Date); provided, however, nothing contained in this provision is intended to or shall relieve Franchisee from any obligation existing under the Prior Agreement pertaining to insurance, indemnification, or other legal obligations to City or Franchisee's Customers (as opposed to obligations to provide service pursuant to the terms thereof), or from any obligation set forth in the Prior Agreement which are called out as surviving the termination thereof, and all such obligations, including specifically those indemnification obligations relating to Environmental Laws, general liability, and AB 939 shall survive the termination of the Prior Agreement.

15.2.2.4□any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

15.3□ Additional Indemnification Requirements.

15.3.1□ The defense, reimbursement, indemnity and hold harmless obligations in this Section shall apply irrespective of the negligence or willful misconduct of Franchisee or any Affiliate of Franchisee, but shall not extend to matters resulting from the City Indemnitees' sole negligence, or willful misconduct.

15.3.2□ The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation, and shall survive the termination or expiration of this Agreement.

15.3.3□ With regard to any claim covered by this provision arising from the delivery of Solid Waste to the Orange County landfill system pursuant to the terms of the County Agreement, the defense, reimbursement, indemnity and hold harmless provisions hereof are intended to be supplemental to any indemnification obligations owed to the City by the County of Orange pursuant to the County Agreement.

15.4□ Surety. Contemporaneously with execution of this Agreement, as security for Franchisee's faithful performance of all obligations of this Agreement, Franchisee shall provide a surety mechanism (the "Surety") as more fully defined below in the amount of Ten Thousand Dollars (\$10,000). The Surety may be comprised of either a performance bond or an irrevocable letter of credit, or a combination of both. If a letter of credit is utilized to satisfy some or all of the Surety requirements, it shall be drawn upon a financial institution with an office within fifty (50) miles of City, and otherwise in a form acceptable to the City Attorney. The performance bond, if any, shall be issued by a duly authorized corporate surety company authorized to do business in California, and in a form acceptable to the City Attorney. The cost of the Surety shall be the sole responsibility of Franchisee. The Surety shall be released within ninety (90) days after both (i) the expiration of the Term of this Agreement, and (ii) Franchisee's satisfactory performance of all obligations hereunder.

15.5□ Forfeiture of Surety. In the event Franchisee shall for any reason become unable, or fail in any way, to perform as required by this Agreement, City may declare a portion or all of the Surety, as may be necessary to recompense and make whole the City, forfeited to the City. Upon partial or full forfeiture of the Surety, Franchisee shall restore the Surety to its original amount within thirty (30) days of the City's notice to do so. Failure to restore the Surety to its full amount within thirty (30) days shall be a material breach of this Agreement.

15.6 ☐ Use of Surety by City. Notwithstanding any provision hereof to the contrary, thirty (30) days following City providing Franchisee with written notice of its failure to pay City any amount owing under this Agreement, either the letter of credit or performance bond comprising the Surety may be utilized by City for purposes including, but not limited to: (1) payment of sums due under the terms of this Agreement which Franchisee has failed to timely pay to City; and (2) reimbursement of costs borne by City to correct violations of this Agreement not corrected by Franchisee.

15.7 ☐ Replacement Letter of Credit. City may draw upon the entire letter of credit (if any) utilized to meet Franchisee's obligations pertaining to the Surety, and convert it to a cash deposit, if Franchisee fails to cause the letter of credit to be extended or replaced with another satisfactory letter of credit no later than sixty (60) days prior to its expiration.

SECTION 16 **INSURANCE**

16.1 ☐ Insurance Coverage. Franchisee shall procure and maintain during the entire Term of this Agreement the following types of insurance and shall maintain the following minimum levels of coverage, which shall apply to any claims which may arise from or in connection with Franchisee's performance hereunder or the actions or inactions of any of Franchisee's officers, agents, representatives, employees, or subcontractors in connection with Franchisee's performance. The insurance requirements hereunder in no way limit Franchisee's various defense and indemnification obligations or any other obligations as set forth herein.

16.2 ☐ Comprehensive General Liability. Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) annual aggregate for liability arising out of Franchisee's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the occurrence limit. Such insurance shall be endorsed to:

16.2.1 ☐ Name the City of Irvine and its employees, representatives, officers, officials, agents, representatives, and volunteers (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Franchisee's performance of this Agreement.

16.2.2 ☐ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.3 ☐ Automobile Liability Insurance. Insurance with a limit of liability of not less than Two Million Dollars (\$2,000,000) each occurrence and Two Million Dollars (\$2,000,000) annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary

will equal the minimum limits set above. Such insurance shall include coverage for all “owned,” “hired” and “non-owned” vehicles, or coverage for “any auto.” Such insurance shall be endorsed to:

16.3.1□ Name the City and City Personnel as additional insureds for claims arising out of Franchisee’s performance of this Agreement.

16.3.2□ Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

16.4□ Workers’ Compensation Insurance.

16.4.1□ In accordance with the Labor Code of California and covering all employees of Franchisee providing any service in the performance of this agreement. Such insurance shall be endorsed to waive the insurer’s right of subrogation against the City and City Personnel with respect to the performance of Franchisee’s obligations under this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Franchisee’s completion of the form attached hereto as Exhibit C shall be a condition precedent to Franchisee’s rights under this Agreement. Should Franchisee certify, pursuant to Exhibit C, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers’ compensation laws of California, Franchisee shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers’ compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

16.5□ Environmental Pollution Control Insurance. Franchisee shall maintain either an endorsement to its general liability policy, or a separate policy of insurance covering environmental pollution and contamination that names the City and City Personnel as an additional insured. Said coverage shall be in the amount of not less than One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) in the aggregate, and shall substantially comply with all other provisions set forth in Section 16.1.

16.6□ Endorsements. A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to City for approval. Additional Insured Endorsements shall not:

- (1) Be limited to “Ongoing Operations”
- (2) Exclude “Contractual Liability”
- (3) Restrict coverage to the “Sole” liability of Franchisee

- (4) Contain any other exclusion contrary to the Agreement.

Any Deductible and/or Self-Insured Retentions must be disclosed to City.

16.7 ☐ Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

16.8 ☐ Insurance of Subcontractors. Franchisee shall be responsible for causing subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City and City Personnel as additional insureds to the subcontractor's policies.

16.9 ☐ Verification of Coverage. Franchisee shall furnish City with certificates of insurance and with original endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and are to be received and approved by City before work commences.

16.10 ☐ Loss or Reduction in Insurance. In the event that Franchisee fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City shall have the right, but not the obligation, to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Franchisee and utilize funds from the Surety to pay the cost of providing such coverage.

SECTION 17

CITY'S REMEDIES; DEFAULT AND TERMINATION

17.1 ☐ City's Right to Suspend or Terminate. The City shall have the right to suspend or terminate this Agreement, and the non-exclusive franchise granted herein, upon Franchisee's breach of any of its obligations hereunder.

17.2 ☐ Notice of Default. If the City Manager determines that Franchisee has defaulted in the performance of any obligation hereunder, or that Franchisee's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and Recycling or any other applicable federal, state, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of Special Wastes, or Hazardous Substances (to the extent applicable to Franchisee, and/or Franchisee's activities under this Agreement), the City Manager may provide written notice to Franchisee of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such default shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for correction shall be thirty (30) days from the date such written notice is given.

17.3 Termination Without Right to Cure. City shall have the right of suspension or termination as a result of Franchisee's failure to timely cure any deficiency as set forth above, which right is in addition to City's right to terminate this Agreement without affording Franchisee an opportunity to cure in circumstances where Franchisee is determined to have materially breached this Agreement. Notwithstanding anything to the contrary in Section 17.2 above, City shall thus be afforded the right to terminate this Agreement without affording the right to cure in the event of any material breach hereof by Franchisee, including without limitation any action, inaction or circumstance defined herein as a material breach, and/or under any of the following circumstances which are hereby defined as material breaches:

17.3.1 ☐ If Franchisee practices, or attempts to practice, any fraud upon City.

17.3.2 ☐ If Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Franchisee in a bankruptcy proceeding.

17.3.3 ☐ If Franchisee willfully violates any orders or rulings of any regulatory body other than City having jurisdiction over Franchisee relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Franchisee, Franchisee may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.

17.3.4 ☐ If Franchisee fails to meet the diversion requirements of this Agreement or pursuant to Applicable Laws.

17.3.5 ☐ If Franchisee fails to materially comply with any insurance or indemnification requirement set forth in this Agreement; provided, however, that Franchisee shall have a reasonable opportunity to cure any default relating to the Franchisee's failure to provide the City with proof of insurance, so long as such insurance is in effect at all times.

17.3.6 ☐ If City is required to pay any fine or penalty, which Franchisee is required by the terms hereof to pay, yet which Franchisee fails, refuses, neglects or is unable to timely pay; provided, however, that Franchisee shall have a reasonable opportunity to cure any such default.

17.3.7 ☐ If Franchisee, or any management level employee of Franchisee is convicted of a "Criminal Matter" (as defined herein). For purposes of this Section the term "Criminal Matter" refers to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

17.4 Termination Procedure. The following procedure shall apply to either of the following:

17.4.1 ☐ any action or inaction by Franchisee which is a material breach of this Agreement, not requiring that Franchisee be afforded the right to cure, or

17.4.2 ☐ any circumstance in which Franchisee fails to correct, to the satisfaction of the City Manager, all deficiencies contained in a written notice of default within the specified

time (or if it is not reasonably possible to correct such deficiencies within the specified time, and Franchisee fails to commence to correct or remedy such deficiencies within the specified time and diligently effect such correction or remedy thereafter).

17.4.3□ In the event of either of the above, then the City Manager shall either refer the matter to the City Council for review, or review the matter himself or herself and upon completion of such review notify Franchisee of the City Manager's decision, in writing.

17.5□ City Manager Review. If the City Manager reviews the matter and determines that Franchisee has failed to properly or adequately perform as set forth above, the City Manager, in the exercise of his or her sole discretion, may terminate this Agreement, or take such other action as he or she deems appropriate to pursue any remedy available to City. A decision or order of the City Manager shall be final and binding on Franchisee unless Franchisee files a "Notice of Appeal" with the City Clerk within five (5) days of the date the notice of the City Manager's decision is given. The City Manager shall schedule any appeal for consideration by the City Council at the earliest feasible Council Meeting following the date a Notice of Appeal is given to City.

17.6□ City Council Review. In the event an appeal of a decision of the City Manager is filed, or if the City Manager refers the matter directly to the City Council upon Franchisee's failure to cure a default, the City Council shall set the matter for consideration as a regular agenda item, and the matter shall not require a public hearing. In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Franchisee, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine, in the exercise of its absolute and sole discretion, whether Franchisee has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or take such other action as it deems appropriate to pursue any remedy available to City. The decision of the City Council shall be final.

17.7□ Performance During Reviews. Franchisee's performance under this Agreement is not excused, nor shall its rights to operate hereunder be impacted, during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

17.8□ Franchisee's Obligations Upon Termination. In the event this Agreement is terminated pursuant to this Section 17 or the Term of this Agreement expires:

17.8.1□ Franchisee shall have no right or authority to engage in Solid Waste Handling Services within the City Limits under this Agreement.

17.8.2□ Franchisee shall remain liable to City for any and all fees that would otherwise be payable by Franchisee, including specifically amounts resulting from the late payment of Franchise Fees.

17.8.3□ Franchisee shall allow its Customers to arrange for Solid Waste Handling Services with a Solid Waste enterprise authorized to perform such services, without penalty or liability for breach of contract.

17.8.4□ Franchisee shall remove all of its Containers used in performance of Solid Waste Handling Services hereunder from the Premises of all Customers, and shall, within such time period as specified by the City Manager, deliver all Solid Waste in such Containers to an Approved Facility for processing or disposal pursuant to the terms hereof. If Franchisee fails to comply with the provisions of this subsection within the time periods prescribed, City shall have the right to take any of such actions that have not been performed by Franchisee. Franchisee shall promptly reimburse City for all sums expended by City in taking such actions, along with a ten percent (10%) administrative fee.

17.9□ City's Remedies Cumulative. The rights and remedies of City set forth in any Section herein shall be in addition to any and all other rights and privileges City may have, and shall not be deemed to limit any such other rights or privileges of City under this Agreement or by virtue of any law.

SECTION 18

FRANCHISEE'S REMEDIES; ADMINISTRATIVE HEARING

18.1□ Administrative Hearing. Should Franchisee contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Franchisee's allegations, and suggest a remedy if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the Parties so agree in writing within 30 days of the date notice of the decision is given to the Parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

18.2□ Other Remedies; Claims. Franchisee shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Franchisee shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Franchisee has given timely written notice to the other that it will not accept the hearing officer's decision.

18.3□ Actions for Damages. As a prerequisite to the filing and maintenance of any action for damages by Franchisee against City arising out of or relating to this Agreement, Franchisee shall present a claim to City, as required by Government Code Section 910 et seq., within thirty (30) days of the date of the occurrence giving rise to the claim for damages.

SECTION 19

ASSIGNMENT, SUBLETTING, AND TRANSFER; REQUIREMENTS AND LIMITATIONS

This Agreement shall not be sold, hypothecated, sublet, assigned, or otherwise transferred, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or otherwise transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest, or property therein, pass to or vest in any person, except Franchisee, either by action or

inaction of Franchisee or by operation of law, without the prior written consent of City which may be withheld with or without cause. For purposes of permitting Franchisee to subcontract with other haulers to assist in providing services hereunder, and provided Franchisee will continue to provide services hereunder with its own employees, the written consent of the City Manager shall suffice. Any other transfer, sale, subcontract, hypothecation, assignment or lease shall require the written consent of the City Council as expressed by a Resolution. Any attempt by Franchisee to hypothecate, subcontract, lease, assign, sell, or otherwise transfer any right or interest in this Agreement without the written consent of City shall be null and void and shall give rise to City's right, but not obligation, to terminate this Agreement.

SECTION 20

GENERAL PROVISIONS

20.1 ☐ Force Majeure. Franchisee shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services, in compliance with its obligations hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting seven (7) days or less (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable), embargoes or delays in transportation, explosion, natural disasters or threats of natural disaster such as floods, earthquakes, landslides, fires, pandemics, quarantines, or "other catastrophic events" which are beyond the reasonable control of Franchisee. The term "other catastrophic events" does not include: (i) the financial inability of Franchisee to perform; (ii) failure of Franchisee to obtain any necessary permits or licenses from other governmental agencies except to the extent the delay is caused by the governmental agency(ies); (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Franchisee; or (iv) strikes or other labor disturbances lasting longer than seven (7) days (unless Franchisee is in compliance with the disaster/labor unrest plan, in which case the time limitation shall not be applicable).

20.2 ☐ Property Damage. Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Franchisee to private or public property shall be promptly repaired or replaced.

20.7 ☐ Independent Contractor. It is expressly understood and agreed that Franchisee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of City; that Franchisee shall have the exclusive control over the details of the services and work performed hereunder and all persons performing the same; that Franchisee shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors, if any; and that nothing herein shall be construed as creating a partnership or joint venture between City and Franchisee. Neither Franchisee nor its officers, employees, agents or subcontractors shall obtain any rights to retirement benefits, workers' compensation benefits or any other benefits which accrue to City employees and Franchisee hereby expressly waives any claim it may have, or hereafter acquire, to such benefits.

20.8 ☐ Law to Govern; Venue. The laws of the State of California shall govern this Agreement without reference to its conflicts of laws principles. In the event of litigation between the parties, venue and jurisdiction shall lie exclusively in a state court of competent jurisdiction in Orange County, California. The parties agree to waive any potential claim to diversity jurisdiction under Title 28 U.S.C. § 1332 or any other statute, law or judicial authority which actually or colorably provides for federal jurisdiction.

20.9 ☐ Joint Drafting. In the event of any legal proceeding this Agreement shall be interpreted as if jointly drafted by the Parties.

20.10 ☐ Section Headings. The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

20.11 ☐ Successors and Assigns. The terms, covenants and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties.

20.12 ☐ Waiver. The waiver by either Party of any breach or violation of any term, covenant or condition of this Agreement shall not be deemed to be a waiver of any other term, covenant or condition or of any subsequent breach or violation of the same or of any other term, covenant or condition.

20.13 Notices. All notices, or other communications whatsoever which this Agreement contemplates or requires either Party to give to the other, shall, except as otherwise provided herein, be in writing and shall be personally delivered or sent by registered or certified mail, postage prepaid, return receipt requested, addressed to the respective party as follows:

If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner proscribed above.

20.14 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected unless their enforcement under the circumstances would be unreasonable, inequitable or would otherwise frustrate the purposes of this Agreement.

20.15 Exhibits Incorporated. Exhibits A through E are attached to and incorporated in this Agreement by reference.

20.16 Attorneys' Fees and Litigation Costs. In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs, without regard to whether the matter proceeds to trial. 20.18 Integration. This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice

of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument.

IMPLEMENTATION, OUTREACH AND EDUCATION PLAN

(To be provided by Franchisee and approved by City Manager)

Commercial Edible Food Recovery Program Overview

Program Requirements

California State Senate Bill 1383 (SB 1383) includes a goal to increase the recovery of currently disposed edible food by 20% before January 1, 2025. To meet this statewide goal, the law requires each jurisdiction in California to establish and monitor a robust food recovery program, requiring certain food businesses to send the maximum amount of edible food they would otherwise dispose to food recovery organizations.

Defining Tier One and Tier Two Commercial Edible Food Generators

SB 1383 places commercial edible food generators into two tiers to allow businesses and jurisdictions time to expand or build new food recovery infrastructure and capacity to donate foods that are harder to safely store and distribute.

Tier 1

Tier one businesses typically have more produce, fresh grocery, and shelf-stable foods to donate.

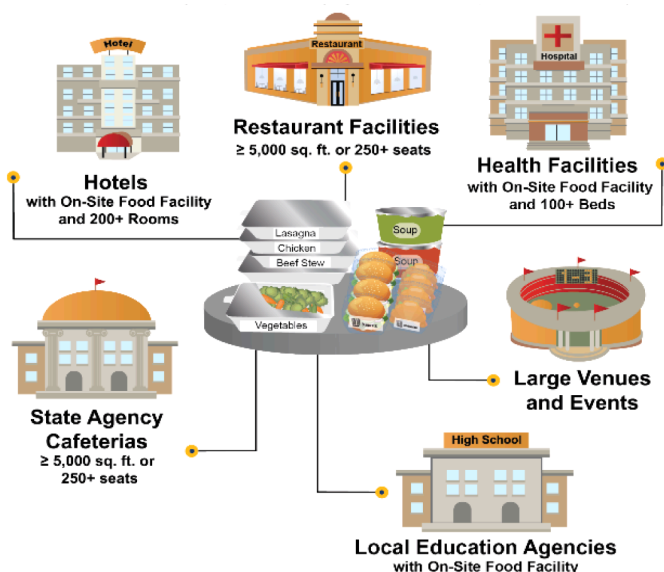

Tier One Donors

Required to Send Surplus Food to Food Organizations Starting January 1, 2022

- Supermarkets with revenue \geq \$2million.
- Grocery Stores with Facilities \geq 10,000 sq. ft.
- Food Service Providers
- Food Distributors
- Wholesale Food Vendors

Tier 2

Tier two businesses typically have more prepared foods to donate, which often require more careful handling to meet food safety requirements (e.g. time and temperature controls).

Tier Two Donors

Required to Send Surplus Food to Food Organizations Starting January 1, 2024

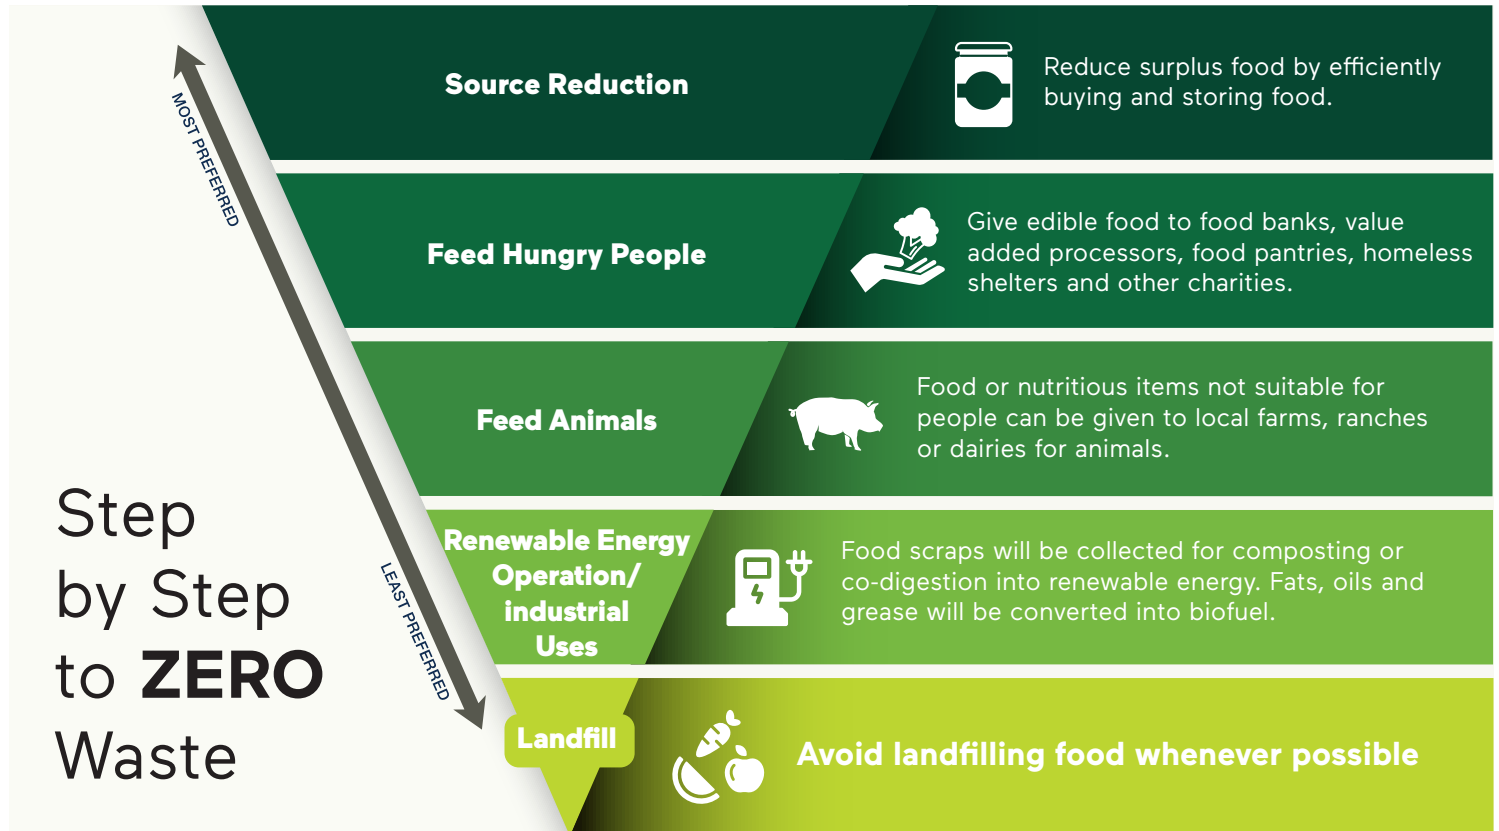

- Restaurants with Facilities \geq 5,000sq. ft. or 250+ seats
- Hotels with an On-Site Food Facility and 200+ Rooms
 - Health Facilities with an On-Site Food Facility and 100+ Beds
 - Large Venues and Events
 - State Agency Cafeterias with Facilities \geq 5,000 sq. ft. or 250+ seats
 - Local Education Agency with an On-Site Food Facility
 - Non-Local Entities

CALIFORNIA'S FOOD WASTE AND RECYCLING LAWS

Mandatory Laws Affecting Businesses and Multi-Family Properties

California State Assembly Bill 1826 (AB 1826) requires all commercial properties that generate two cubic yards of solid waste per week to recycle their food waste.

California State Assembly Bill 341 (AB 341) requires businesses that generate at least four cubic yards of waste per week and multi-family properties of five units or more to have a recycling program in place.

California State Senate Bill 1383 (SB 1383) requires all businesses, multifamily complexes and residences are required to separate organics waste from trash and to subscribe to an organics collection program.

WM Can Help Your Business Meet Compliance Requirements

Step 1. Subscribe to Recycling, Food Waste and Trash Service

We offer free onsite or virtual visits, assessments and technical assistance to help you set up your recycling, food waste and trash programs to maximize diversion cost-effectively. Contact WM at (800) 774-0222 Monday through Friday 8 a.m. - 5 p.m. to set up collection service.
