

**DANA CORNELIUS**  
HOA Board Member

**AGE: 58**

I have lived in Irvine since 1991 and Woodbridge for 27 years. I understand the needs of my neighbors in Council District 5: As Councilwoman, I will work tirelessly to preserve the way of life that attracted us. I want to prioritize our first responders. I will help maintain the mom-and-pop businesses that make communities feel personal and unique. I want to build connective archways that bridge our villages and keep pedestrians safe. I want a better sound barrier along the 405 freeway.

Relevant experience includes: Grand Juror candidate 2025; Irvine Community Police Academy, Community Emergency Response Team Trainee; Court-appointed Special Advocate; full-time caregiver to my late father who suffered from Alzheimer's Disease, volunteer at our local hospital, and executive management positions. I currently serve on the board of my HOA in Woodbridge South Lake.

My diverse professional experience spanning over 30 years enables me to serve the needs of a broad spectrum of residents. I have experience in sectors including law enforcement, veterinary medicine, hospitality, media, nutrition, elder care, mental health and law.

I respectfully ask for your support. Thank you for casting your vote for me. Together, we must keep our neighborhoods serene, unique, safe and a joy to call home.
