CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its Strategic Plan and its Action Plan.
91.520(a)

This 2022-2023 Consolidated Annual Performance and Evaluation Report (CAPER) is the City of Irvine's report to the U.S. Department of Housing and Urban Development (HUD) describing the use of federal Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and HOME Investment Partnerships (HOME) funds. For over two decades, the City has received annual formula grant allocations of CDBG and HOME funds from HUD. Irvine first qualified for a formula grant of ESG funding in 2019.

The CDBG Program statute provides a wide range of eligible activities that provide decent housing, suitable living environments, and expanded economic opportunities for low- and moderate-income persons. The ESG Program focuses on programs that directly reduce and prevent homelessness including street outreach, emergency shelter, emergency shelter operations, essential services, rapid re-housing, and homelessness prevention. The HOME Program expands the supply of affordable housing for low- and moderate-income households through a wide range of affordable housing activities, including building, buying, and/or rehabilitating rental and ownership housing or providing direct rental assistance to low- and moderate-income households.

The five-year Consolidated Plan establishes priorities and goals used to guide decisions about the specific projects and programs that receive CDBG, ESG, and HOME funding every year in the Annual Action Plan. The City of Irvine implements some projects and programs directly and awards grants or loans to nonprofit or public organizations that implement projects in furtherance of the Consolidated Plan goals.

This CAPER provides the City's progress report for the third Program Year of the 2020-2024 Consolidated Plan period, covering the period from July 1, 2022 to June 30, 2023. For the 2022-2023 Program Year, the City received \$2,286,428 of CDBG funds, \$194,344 of ESG funds, and \$1,066,362 of HOME funds. When combined with program income and available prior year resources, the 2022-2023 Action Plan allocated \$5,131,962 of CDBG, ESG, and HOME funds to local projects and programs. Together with other federal, state and local investments, these resources allowed the City and its partners to address the high priority needs identified in the 2020-2024 Consolidated Plan.

Table 1 provides a summary of the five-year goals, one-year goals, and one-year accomplishments for the period ending June 30, 2023, listed by each of the Strategic Plan Goals included in the 2020-2024 Strategic Plan of the Consolidated Plan.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the Consolidated Plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Table 1 - Accomplishments – Strategic Plan and Program Year to Date

Goal	Category	2022-2023 Amount	Indicator	Unit of Measure	5-Year Strategic Plan			2022-2023 Program Year 3		
					Expected	Actual	Percent Complete	Expected	Actual	Percent Complete
Affordable Housing	Affordable Housing	CDBG: \$546,106 HOME: \$1,971,563 HOME CHDO: \$447,656	Rental units constructed	Household housing units	140	85	61%	1	1	100%
Affordable Housing Preservation	Affordable Housing	CDBG: \$0 HOME: \$0 *Note: Funds used to support his goal are from prior year Res. Rehab. Program loan payoffs budgeted in the 2022-2023 Action Plan	Homeowner housing rehabilitated	Household housing units	65	14	22%	10	4	40%
Public Services	Non-Housing Community Development	CDBG: \$299,611	Public Service activities other than low/moderate income housing	Persons assisted	5,500	4,131	75%	1,230	1,967	160%
Homelessness Services	Homelessness	CDBG: \$43,353 ESG: \$179,768	Street outreach	Persons assisted	1,800	510	28%	61	83	136%
			Homelessness prevention	Persons assisted	1,800	510	28%	61	83	136%
			Rapid re-housing	Households	60	94	157%	57	69	121%

Goal	Category	2022-2023 Amount	Indicator	Unit of Measure	5-Year Strategic Plan			2022-2023 Program Year 3		
					Expected	Actual	Percent Complete	Expected	Actual	Percent Complete
Public Facilities Improvements	Non-Housing Community Development	CDBG: \$1,065,406	Public facility or infrastructure activities other than low/moderate income housing	Public facilities	25	8	32%	6	6	100%
				Persons assisted	252,000	114,190	45%	57,080	99,890	175%

			Rapid re-housing	Households assisted	95	128	135%	68	54	79%

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the Action Plan, giving special attention to the highest priority activities identified.

Each of the housing, public service, and capital improvement activities receiving CDBG, ESG, and HOME funds in the City's Action Plan address specific high priority needs identified in the 2020-2024 Consolidated Plan. Table 1 on the previous page provides a summary of the City's accomplishments and the one- and five-year goals of the 2022-2023 Action Plan and the 2020-2024 Consolidated Plan, respectively, as of June 30, 2023. Based on the information in Table 1, the City and its housing and community development partners made progress toward each of the goals included in the 2022-2023 Action Plan.

To address the highest priority need to develop affordable rental housing, the City provided CDBG funds to Families Forward for the acquisition of condominium-housing unit to be used for affordable rental housing for a formerly homeless family. Families Forward contributed over \$136,000 of private funding as match to the City's \$546,106 grant and purchased one unit that is now occupied by households earning less than 50% of AMI.

In the 2022-2023 Action Plan, the City also included CDBG and HOME funding to address each of the other high priorities of the 2020-2024 Consolidated Plan. The program accomplishments for each category are discussed below.

Affordable Housing: Families Forward used CDBG funds to acquire one condominium unit to provide affordable housing to households earning less than 50 percent of AMI. C&C Development continued to make progress on the HOME-funded Cartwright Affordable Housing project that will create 60 new units of affordable rental housing.

- **Affordable Housing Preservation:** The City of Irvine Residential Rehabilitation Program completed four rehabilitation loans to low-income homeowners to address deficient housing conditions.

With some progress being made during the 22-23 annual program year, program accomplishments under the affordable housing preservation category have been slow moving since the COVID-19 pandemic. During the 22-23 program year, 4 housing units were assisted. The City's Residential Rehab Program and the requirements to enter the home program work write ups, interacting with homeowners and contractors entering the home to complete the work, is where the City saw slowdowns during the first two years as owners were reluctant to let others into their homes. Now that pandemic restrictions are lifted, and residents feel more comfortable allowing staff to execute the required functions of the program the City anticipates the rise in program accomplishments in the remaining program years of the 5-year cycle.

- **Public Services:** Ten nonprofit organizations provided a range of services to Irvine schoolchildren, senior citizens, disabled adults, and low- and moderate-income families including but not limited to school clothes and backpacks for 520 low-income children, provided scholarships for Irvine classes or transportation to 39 elderly or

disabled people, fair housing services for 467 Irvine residents, skilled nursing care for 58 Irvine seniors, after-school childcare for 25 schoolchildren from low-income families, and after-school enrichment activities for 85 schoolchildren from low-income families, implemented wrap around health and human services to 35 residents, provided meals to 601 registered seniors, assisted 10 residents with Opioid disorders and care plans, and provided HIV support services to 127 residents in need.

- **Homelessness Services:** Using CDBG public service funds, Families Forward provided transitional housing for 63 Irvine residents, South County Outreach provided homelessness prevention services including emergency rental payments to 20 people. Using ESG funds, Families Forward prevented homelessness for 68 Irvine residents.

Although the city exceeded its annual projections for the 22-23 program year under this category, homelessness accomplishments continue to be impacted by COVID-19. As service providers continued to provide exceptional service and address the needs of its residents, it was years one and two of the Consolidated Plan year that was impacted the most. Amid the pandemic, agencies had to adapt program interactions, all while still encountering challenges in remotely obtaining the required documentation and facilitating case management and intake processing to an already vulnerable population. Program accomplishments in 22-23 showed a 136% accomplishment rate under this category and the city and its service providers anticipate this trend to continue in the coming program years.

- **City of Irvine Public Facilities and Improvements:** Each of the fifteen public facilities and improvements projects approved in the 2020-2021, 2021-2022, 2022-2023 Action Plans showed tremendous progress as a total of (7) seven projects were able to be closed out during the 22-23 program year. The completion of these six projects impacted 99,890 Irvine residents. It should be noted that the remaining eight projects will be implemented and anticipate completion during the 2023-2024 Program Year. City staff, implementing the Capital improvement projects, continues to see the bottleneck effect of the supply chains affecting lead times on materials and how it impacts further progression to construction on its projects. During the program year and going into 23-24, City staff and its program consultants are meeting once a month on each project to ensure forward progression on CIPs and addressing any bottleneck issues that have prevented forward movement on the projects in past years. Improved procurement procedures to ensure lead times are minimized have improved drastically and the City anticipates great improvements on this category in the remaining program years of this Consolidated Plan Cycle.

Each of the activities that were underway during the 2022-2023 Program Year are listed in Figure 1 on the following page, including the amount of CDBG, ESG, or HOME funds allocated to the activity and the amount spent as of June 30, 2023. Figure 2 provides the numeric accomplishment goal for each activity and the level of accomplishment as of June 30, 2023.

COVID-19 Allocations

In response to the COVID-19 pandemic, Congress signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act on March 27, 2020. CARES authorized \$2.2 trillion for a variety of measures to prevent, prepare for, and respond to the COVID-19 pandemic. Under the CARES Act, HUD provided special allocations of CDBG and ESG funds to the City of Irvine. In total, the City received \$6,412,980 of CDBG-CV and ESG-CV funds to prevent, prepare for, and respond to the COVID-19 Pandemic as follows:

CDBG-CV	\$2,927,530
ESG-CV	\$3,485,450
Total:	\$6,412,980

CDBG-CV funds were used by the City of Irvine and its nonprofit partners to address health, housing, and safety needs of Irvine residents. The housing component of these activities included short-term rental assistance and utility assistance. The health, safety, and emergency components included City and nonprofit costs for food, as well as City of Irvine costs to prevent, prepare for, and respond to COVID-19 that were not reimbursed from other sources.

ESG-CV funds were used by the City of Irvine and its nonprofit partners to address the housing needs of Irvine residents. These activities included housing relocation and stabilization services and short and/or medium-term rental assistance. Homelessness prevention included assistance as necessary to help Irvine residents regain stability in their current permanent housing or move into other permanent housing to achieve stability in that housing. Eligible housing relocation and stabilization costs included utility payments, housing stability case management, mediation, legal services, and other costs specified in the regulations.

Pursuant to the CARES Act, HUD awarded formula grant allocations of CDBG-CV and ESG-CV funds to CDBG and ESG entitlement jurisdictions in two funding rounds for each source of funds. Several months elapsed between funding announcements. Accordingly, it was necessary for the City to amend its 2019-2020 Action Plan three times over a one-year period to receive CARES Act funds as follows:

- On April 28, 2020, the City Council Approved Amendment No. 2 to the 2019-2020 Action Plan to authorize the use of the first allocation of CDBG-CV funds in the amount of \$1,255,079 and the first allocation of ESG-CV funds in the amount of \$558,059 for programs to address housing and food insecurity, as well as programs to address the need to protect public health;
- On November 10, 2020, the City Council approved Amendment No. 3 to the 2019-2020 Action Plan to authorize the use of the second allocation of ESG-CV funds in the amount of \$2,927,391 for programs to address housing insecurity through

- homelessness prevention and rapid re-housing; and
- On April 27, 2021, the City Council approved Amendment No. 4 to the 2019-2020 Action Plan to authorize the use of the second allocation of CDBG-CV funds in the amount of \$1,672,451 for programs to prevent homelessness, address food insecurity, and provide childcare for low-income families.

CDBG-CV funds must be fully spent by June 24, 2026. ESG-CV funds must be fully spent by September 30, 2023. The City of Irvine made significant progress toward each expenditure goal during the 2022-2023 Program Year. Each of the CDBG-CV and ESG-CV activities approved by the City Council are summarized in Figures 3 and 4 on the following pages. The City intends to meet all expenditure deadlines as outlined by each funding source.

ESG-CV expenditures were slower than anticipated due to conflict between state and federal requirements. The ESG and ESG-CV definition of "at risk of homelessness" required existing tenants to have been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance. With a statewide eviction moratorium in place from March 1, 2020 to June 30, 2022, in most situations, it was not possible for landlords to issue eviction notices and therefore not possible to provide ESG or ESG-CV assistance to those who were in arrears on their rent. Other statewide programs such as the Emergency Rental Assistance Program (ERAP) were available to assist households in need that could not be assisted under ESG or ESG-CV. Therefore, ESG and ESG-CV assistance focused on rapid re-housing of people who lost their housing and were considered homeless. However, there were limited situations where homelessness prevention assistance could be provided, including for those losing living arrangements in the home of another, those living in overcrowded single room occupancy or efficiency because of economic hardship, and those exiting a publicly funded institution or system of care such as a healthcare facility, a mental health facility, foster care or other institution.

CR-10 - Racial and ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).
91.520(a)

Table 2 – Table of assistance to racial and ethnic populations by source of funds*

Race / Ethnicity	CDBG	HOME	ESG
White	717	3	36
Black or African American	115	1	17
Asian	392	0	8
American Indian or American Native	8	0	0
Native Hawaiian or Other Pacific Islander	8	0	0
American Indian/Alaskan Native & White	6	0	0
Asian & White	10	0	0
Black/African American & White	7	0	0
Other Multi-Racial	174	0	2
Total	1,437	4	63
Hispanic	245	0	20
Not Hispanic	1,192	4	43

* Note: The data in this table is supplied by HUD's database. The figures in this table represent the sum of the reported number of people, families, households or housing units reported during the Program Year, without regard to the number of people in each family, household or housing unit.

Narrative

Table 2 provides an aggregate of race and ethnicity data for the combined number of people, families, households or housing units reported as complete during the Program Year based on accomplishment data from all CDBG, ESG, and HOME activities reported in HUD's Integrated Disbursement and Information System (IDIS).

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Table 3 - Resources Made Available

Source of Funds	Resources Made Available in the 2022-2023 Action Plan	Amount Expended During Program Year
CDBG	\$2,286,428	\$2,553,162
ESG	\$194,344	\$203,680
HOME	\$1,066,362	\$195,805

*Note: This table generated by HUD's database provides the resources made available in the 2022-2023 Action Plan and the total CDBG, ESG, and HOME expenditures during the 2022-2023 Program Year. The amount expended includes prior year activities that were completed during the 2022-2023 Program Year.

Narrative

The 2022 HUD formula grant resources allocated in the Action Plan for the implementation of projects are identified in Table 3. The total CDBG resources allocated in the 2022-2023 Action Plan included \$2,286,428 of CDBG funds, \$194,344 of ESG funds, and \$1,066,362 of HOME funds. A grand total of \$5,131,962 of CDBG, ESG, and HOME funds were allocated to projects in the 2022-2023 Action Plan. Together with other federal, state and local investments, these resources allowed the City and its partners to address the high priority needs identified in the 2020-2024 Consolidated Plan.

Under the CARES Act, HUD provided special allocations of CDBG and ESG funds to the City of Irvine. In total, the City received \$6,412,980 of CDBG-CV and ESG-CV funds to prevent, prepare for, and respond to the COVID-19 Pandemic as follows:

CDBG-CV	\$2,927,530
ESG-CV	\$3,485,450
Total:	\$6,412,980

Identify the geographic distribution and location of investments

Table 4 – Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
Citywide Area	100%	100%	All projects were Citywide projects.

*Note: The data in this table is generated by HUD's database. The City did not designate specific CDBG or HOME target areas in the 2020-2024 Consolidated Plan; therefore, 100 percent of all CDBG and HOME funds are represented under the "Citywide Area" designation.

Narrative

For the 2022-2023 Program Year, the City allocated 100 percent of its non-administrative CDBG, ESG, and HOME funds to projects and activities that benefit low- and moderate-income persons throughout the City of Irvine.

Leveraging

Explain how federal funds leveraged additional resources (private, state, and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the Action Plan.

To address housing and community development needs in Irvine, CDBG, ESG, and HOME entitlement grants are used to leverage a variety of funding resources to maximize the effectiveness of available funds. The CDBG Public Service activities leveraged private, state, and other federal funds to deliver services for low- and moderate-income people.

HUD requires HOME Participating Jurisdictions to match 25 percent of their HOME annual allocation on a Federal Fiscal Year (FFY) basis. For FFY 2022, the City of Irvine's matching requirement was reduced by 100% due to the COVID-19 disaster declaration. Typically, Irvine's matching liability is satisfied using excess match contributed to prior fiscal years. The balance of HOME match carried forward to satisfy matching obligations during FFY 2023 is \$26,040,143.77. The ESG program requires a dollar-for-dollar match to be met by the City of Irvine for the administration and data collection activities, and by each subrecipient receiving a grant.

No other publicly owned land or property within the City of Irvine was used to address the needs identified in the Action Plan.

Table 5 – Fiscal Year Summary - HOME Match Report

Fiscal Year Summary – HOME Match	
1. Excess match from prior Federal Fiscal Year	\$26,040,143.77
2. Match contributed during current Federal Fiscal Year	\$0.00
3. Total match available for current Federal Fiscal Year (Line 1 plus Line 2)	\$26,040,143.77
4. Match liability for current Federal Fiscal Year	\$0.00
5. Excess match carried over to next Federal Fiscal Year (Line 3 minus Line 4)	\$26,040,143.77

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income and middle-income persons served.

Table 11 – Number of Households

	One-Year Goal	Actual
Number of homeless households to be provided affordable housing units	10	4
Number of non-homeless households to be provided affordable housing units	1	151
Number of special-needs households to be provided affordable housing units	0	0
Total	11	155

Table 12 – Number of Households Supported

	One-Year Goal	Actual
Number of households supported through rental assistance	0	0
Number of households supported through the production of new units	0	0
Number of households supported through the rehab of existing units	10	4
Number of households supported through the acquisition of existing units	1	1
Total	11	5

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

Irvine has more affordable housing than any other city in Orange County with 4,569 units and 1,000 more underway. Over 80 percent of Irvine's affordable housing is reserved for households earning less than half of the Orange County median income. Some of these units are reserved for veterans, seniors, or persons with disabilities. For additional information about Irvine's substantial portfolio of affordable housing units and for information about other resources available through our nonprofit partners, please visit the City's affordable housing website at: <https://www.cityofirvine.org/affordable-housing>.

Tables 11 and 12 indicate the number of households supported with affordable housing assistance through the CDBG and HOME programs during the 2022-2023 Program Year.

Pursuant to HUD guidance, the number of households served in Tables 11 and 12 reflects only those units assisted with CDBG and HOME funds and does not represent the total number of households supported through the City's other affordable housing activities. The 5 households served with CDBG and HOME funding include one household under the Families Forward Affordable Housing Acquisition project and four households under the Residential Rehabilitation Program CDBG activity. The number of households supported through rehabilitation of existing units is lower than anticipated because only five applications were received during the program year. Four were completed and zero were denied. It should also be noted that any accomplishments related to the City's affordable housing efforts through CV funding are included in Figure 4 located in CR-05 Goals and Outcomes of this CAPER.

In the future, the City expects to report additional accomplishments under the goal to produce new units because the 2020-2021 Action Plan allocated \$677,751 of HOME funds for the development of a 60-unit affordable rental housing development known as Cartwright Affordable Housing. The project was in design and continued to work toward securing entitlements and other financing during the 2022-2023 Program Year. The 2022-2023 Action Plan allocated \$546,106 of CDBG funds to Families Forward to acquire a condominium unit to be leased affordably to a low-income household. The acquired unit is now occupied.

Discuss how these outcomes will impact future annual action plans.

The 2020-2024 Consolidated Plan - Strategic Plan identified a high priority need to preserve the supply of affordable housing. During the 2022-2023 Program Year, the City of Irvine invested CDBG and HOME funds in the rehabilitation of four owner-occupied single-family dwellings. In future annual action plans, the City anticipates continuing to invest in affordable housing preservation and in projects that will create new affordable housing opportunities for low-income residents.

In the Notice of Funding Availability released by the City of Irvine for the upcoming 2024-2025 Program Year, the City will actively seek project submissions from Community Housing Development Organizations (CHDOs) to address the HOME CHDO Reserve funds available from 2015-2020, representing 15% of each HOME grant allocation during that period.

Include the number of extremely low-income, low-income, and moderate-income families or households served by each activity where information on income by family size is required to determine the eligibility of the activity.

Table 13 – Number of Families or Households Served

Number Served	CDBG Actual	HOME Actual
Extremely Low-Income	0	0
Low-Income	3	0
Moderate-Income	2	0
Total	5	0

Narrative Information

The 2020-2024 Consolidated Plan - Strategic Plan identified high priority affordable housing needs including developing new affordable rental housing units and preserving the supply of affordable rental and owner-occupied housing. To preserve housing that is already affordable to low-income homeowners, the City's Residential Rehabilitation Program provided deferred loans to four households during the Program Year using CDBG funds. The four households served included three low-income households and two moderate-income households.

To address what HUD defines as "worst case housing need" – low-income residents who pay more than 50 percent of their income for housing costs—the City provided funds in the 2022-2023 Action Plan for Families Forward to acquire a condominium unit to be rented to a low-income household. Families Forward contributed private funds and acquired one unit that was rented affordably to a low-income household. The 2022-2023 Action Plan also included HOME funds towards a future affordable housing development. The City has identified the Cartwright Affordable Housing project that will construct 60 new affordable rental units for low-income households. This project received its entitlements and secured funding to proceed during the 2022-2023 program year and will begin construction in the 2023-2024 program year. Additional accomplishments for this project will be recorded in the following years CAPER.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The most recent Point-In-Time Homeless Count (PIT Count inclusive of unsheltered and sheltered homeless persons is conducted every 2 years) conducted in Orange County revealed that on any given night in Orange County, approximately 5,718 people are homeless. This includes 2,661 people in shelters and 3,057 people without shelter. In Irvine, 60 people were counted who did not have shelter and 0 people counted who were sheltered, for a total of 60 homeless residents, comprising approximately 1.0 percent of Orange County's homeless population. To address incidences of homelessness in Irvine and to prevent extremely low-income Irvine families from becoming homeless, the City places a high priority on programs that work to prevent homelessness or rapidly assist homeless individuals living in the community. The most recent published data for 2023 only reflects those homeless that are sheltered for Orange County, California (2,993 and increase from 2,661 recorded in 2022), A full summary of sheltered and unsheltered homeless persons will be published in 2024 as identified by the Counties HMIS provider through 211.

To reach out to unsheltered homeless persons and assess their individual needs for the purpose of connecting them with available emergency shelter and transitional housing resources, the City of Irvine, through its Housing Division, Public Safety Department and Community Services Department provided information and referrals — primarily to 2-1-1 Orange County and the organizations receiving Irvine CDBG, CDBG-CV, ESG, and ESG-CV funds for street outreach, homelessness prevention and rapid re-housing.

During the 2020-2021 and 2021-2022 Program Year, the City awarded 26 contracts to nonprofit organizations using CDBG, CDBG-CV, ESG, and ESG-CV funds totaling \$4,264,146 to meet its specific objectives for reducing and ending homelessness:

CDBG (Program Year 2021-2022)

- Families Forward: Transitional Housing (104 residents served)
- Project Self-Sufficiency: Homelessness Prevention (21 residents served)
- South County Outreach: Homelessness Prevention (38 residents served)

CDBG-CV

- Families Forward: Essential Food and Housing Program
- Families Forward: Prevention Program
- South County Outreach: Essential Food and Housing Program
- South County Outreach: Hunger & Homelessness Prevention

- StandUp for Kids: Street Outreach and Prevention

ESG

- South County Outreach: Homelessness Prevention (0 residents served)
- Families Forward Homelessness Prevention (18 residents served)

ESG-CV

- Affordable Housing Clearinghouse: Homelessness Prevention
- Families Forward (ESG-CV1): Homelessness Prevention
- Families Forward: Homelessness Prevention
- Interval House: Homelessness Prevention
- Mercy House: Homelessness Prevention
- OCAPICA: Homelessness Prevention
- Project Self-Sufficiency: Homelessness Prevention
- South County Outreach (ESG-CV1): Homelessness Prevention
- South County Outreach: Homelessness Prevention
- Families Forward: Rapid Re-Housing
- OCAPICA: Rapid Re-Housing
- South County Outreach: Rapid Re-Housing
- StandUp for Kids: Rapid Re-Housing

Additionally, the COVID-19 pandemic resulted in significant business closures and other disruptions that put Irvine residents at risk of losing their housing. To address this situation that emerged more than halfway through the 2020-2021 Program Year, the Irvine City Council approved a resolution on March 24, 2020 to address evictions and rent increases within the City. The resolution strongly discouraged landlords from evicting tenants or increasing rents during the pandemic when non-payment is a result of COVID-19 and the related mitigation efforts. Residents were continued to be advised during Program Year 2022-2023 to contact the City's Housing Division if their landlord provided notice of an eviction that conflicted with the City Council resolution.

Addressing the emergency shelter and transitional housing needs of homeless persons

To address the emergency shelter and transitional housing needs of homeless persons, the City continues to support the Families Forward Housing Program that provides transitional housing, counseling and case management to families at risk of homelessness. During the Program Year, Families Forward served 131 unduplicated persons. The South County Outreach Homelessness Prevention Program provided rental and utility assistance to 20 Irvine residents who were at risk of losing their housing.

Additionally, the City in prior program years during this consolidated plan cycle, supported Human Options, an organization providing emergency shelter and support services to victims of domestic violence. The Human Options Family Healing Center is an on-site short-

term transitional housing program with five self-contained apartments for abused women and their children who have successfully completed a 30-45 day emergency shelter program and are eligible to participate in the Family Healing Center program for up to three months.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Homelessness Prevention

To help low-income individuals and families avoid becoming homeless, the City provided \$3,133,502 of CDBG, CDBG-CV, ESG, and ESG-CV funds for homelessness prevention activities through 18 contracts with nonprofit organizations. These programs address housing insecurity and prevent eviction for residents experiencing housing insecurity. Many of these contracts have a period of performance that extends through the 2023-2024 Program Year.

Discharge Planning

Inadequate discharge planning and coordination contributes to homelessness in situations where people are released from public institutions or public systems of care without having an appropriate mainstream or supportive housing option available upon discharge from an institutional setting.

Public institutions such as jails, hospitals, treatment facilities, mental health facilities, youth facilities, and foster care homes, may discharge clients without a plan for housing because there are not adequate resources to link the homeless to the services and housing, they need to remain stable in the community. Effective discharge planning is critical to preventing homelessness and stopping the cycling of people through expensive public institutions.

In other states, discharge coordination and planning is a matter of state law. In California, discharge coordination and planning is largely unregulated unless county or municipal ordinances provide rules preventing public institutions from discharging people into homelessness. One of the goals included in the Orange County Ten Year Plan to End Homelessness is to support the development of community resources and housing options so that hospitals, jails, and foster care programs can more effectively assist people being discharged by providing appropriate referrals in order to facilitate smoother transition to supportive or mainstream housing. The goal calls for the Orange County Continuum of Care (CoC) to explore methods to increase communication and coordination among institutions.

The City coordinates with the CoC and other subrecipients receiving CDBG, CDBG-CV, ESG, ESG-CV, and HOME funds to ensure that its HUD-funded programs are targeted, to the greatest extent feasible, to address the discharge of persons from publicly funded institutions or systems of care so that these individuals and families have access to public services and affordable housing opportunities necessary to prevent homelessness. As the City continues to receive new funding resources from HUD, including allocations under the American Rescue Plan, the City will explore additional ways to prevent and address homelessness caused by discharge from public institutions.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

To address the needs of homeless families, families with children, veterans and their families, the City provided over a million dollars of ESG and ESG-CV funds for rapid re-housing programs through seven contracts with nonprofit organizations. These programs help individuals and families achieve stability through a housing-first approach. Many of these contracts have a period of performance that extends through the 2023-2024 Program Year.

Each of these programs provide tailored counseling and case management to families at risk of homelessness. Each year Families Forward serves approximately 100 unduplicated people through its housing program. When paired with financial counseling, career coaching and other available case management services, Irvine's nonprofit partners make certain that individuals and families have all of the resources necessary to succeed in their new permanent housing opportunity. The goal of each of these programs is to ensure that homeless individuals have opportunities to be housed permanently as soon as possible without going through a lengthy shelter stay or first having to occupy a transitional housing unit so that they do not become homeless again.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

There are no public housing developments in Irvine. All public housing programs consist of Housing Choice and Project-Based Housing Choice Vouchers administered by the Orange County Housing Authority (OCHA). Through participation in the County of Orange Cities Advisory Committee, Irvine continued to support OCHA in effective administration of its limited affordable housing resources. The City also continued to work with OCHA to include the residents with Section 8 Housing Choice Vouchers in the federally-funded programs administered by the City.

As May 2023, OCHA administered a total of 6,875 Housing Choice Vouchers throughout Orange County.. OCHA monitors all units to ensure they are in adequate condition, meeting the Section 8 Housing Quality Standards. To address the needs of public housing residents, the OCHA Board of Directors and staff are implementing the goals listed below.

- Apply for additional housing assistance funding and programs that may become available.
- Explore the use of Project-Based Housing Choice Vouchers or other housing funds to promote the construction or acquisition activities that will result in additional units or developments that will serve special needs populations.
- Ensure consistent quality of assisted housing services by maintaining high performer status in Section Eight Management Assessment Program (SEMAP) scores.
- Promote Family Self-Sufficiency incentives and homeownership opportunities for Housing Choice Voucher participants in partnership with local programs and related service providers.
- Expand assisted housing choices by conducting outreach efforts to increase the number of property owners and their participation in housing assistance programs.
- Identify and utilize technology to enhance operational effectiveness and efficiency in delivery of housing assistance services.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

OCHA supports resident councils and actively seeks input from Public Housing Agency (PHA) residents concerning the management and implementation of OCHA policies and procedures. Housing prices in Orange County are so high that homeownership opportunities are limited for OCHA residents. On a limited basis, OCHA has partnered with Habitat for Humanity to provide affordable homeownership units. During the Program Year, OCHA also managed a Housing Choice Voucher Homeownership Program that is available to OCHA tenants.

Actions taken to provide assistance to troubled PHAs

N/A, OCHA is designated as a High Performing PHA.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

A barrier to affordable housing is a public policy or nongovernmental condition that constrains the development or rehabilitation of affordable housing. Barriers can include land use controls, property taxes, state prevailing wage requirements, environmental protection, cost of land and monetary resources. Barriers to affordable housing are distinguished from impediments to fair housing choice in the sense that barriers are lawful and impediments to fair housing choice are usually unlawful.

In the recent development of the Housing Element Update of the General Plan, the City evaluated significant public policies affecting affordable housing development such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges and growth limitations. Based on this evaluation, the City determined that it has taken or will take all appropriate and necessary steps to ameliorate the negative effects of public policies that may have been a barrier to affordable housing. Moreover, the City is actively engaged with affordable housing developers concerning the siting of additional future affordable housing and ensuring that the entitlement process runs smoothly from inception to completion.

Based on information gathered during community meetings, the Consolidated Plan Needs Assessment Survey, the Housing Element Update of the General Plan and market analysis, the primary barriers to affordable housing in Irvine are housing affordability and the lack of monetary resources necessary to develop and sustain affordable housing, and limited land available for residential development. The barriers are related in the sense that demand for affordable housing exceeds the supply and insufficient resources are available to increase the supply of affordable housing to meet demand.

To address housing affordability and the lack of monetary resources for affordable housing, the 2020-2024 Consolidated Plan includes strategies that will invest a significant portion of CDBG and HOME funds for the development of 140 new affordable rental housing units during the five-year planning period. Although the City no longer has access to Redevelopment Housing Set-Aside funds, the City will continue to leverage its CDBG and HOME funds to attract private and other available public resources, including land conveyed to the City for the purpose of affordable housing, and to facilitate affordable housing development through policies and practices. This strategy will increase the supply of affordable housing in Irvine.

In future Program Years, the City will continue to leverage its CDBG and HOME funds as well as the forthcoming American Rescue Plan HOME funds to attract private and other available

public resources, including land conveyed to the City for the purpose of affordable housing, to facilitate new affordable housing development.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The primary obstacles to meeting the underserved needs of low- and moderate-income households include lack of funding from federal, state and other local sources, and the high cost of housing that is not affordable to low-income households. To address these obstacles, the City invested CDBG and HOME funds in projects that provided:

- Loans to four low- and moderate-income homeowners for home improvements;
- Funding to construct 60 units of new affordable rental housing as part of the upcoming Cartwright project;
- Funding to acquire one condominium unit to be rented to low-income families; and
- Projects that prevented homelessness.

To address underserved needs, 100 percent of the City's 2022-2023 expenditures benefitted low- and moderate-income households or those presumed under HUD regulations to be low- and moderate-income.

The City continued offering low-interest loans or emergency grants to low- and moderate-income Irvine homeowners using CDBG and HOME funds allocated in previous years. The Residential Rehabilitation Program provides financing for home improvements necessary to ensure that Irvine residents can continue to live in quality housing that is already affordable to the occupants.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The Residential Lead Based Paint Hazard Reduction Act of 1992 (Title X) emphasizes prevention of childhood lead poisoning through housing-based approaches. To reduce lead-based paint hazards, the rehabilitation of housing units built prior to January 1, 1978 included a lead-based paint test and risk assessment report. Where lead-based paint is identified, the City ensured that developers and contractors incorporated safe work practices or abated the lead-based paint as part of the scope of work to effectively reduce lead-based paint hazards to children in accordance with federal regulations.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

During the Program Year, the City supported the following strategies and actions to reduce the number of poverty-level families:

- Supported activities that increase the supply of housing that is affordable to low- and moderate-income households;

- Supported a continuum of housing and public service programs to prevent and eliminate homelessness;
- Supported housing preservation programs that ensure low-income households have a safe, decent, and appropriate place to live; and
- Supported public services through various nonprofits funded by CDBG that serve the community's youth, seniors, families, veterans and residents with special needs.

In addition to these local efforts, mainstream state and federal resources also contribute to reducing the number of individuals and families in poverty. Federal programs such as the Earned Income Tax Credit and Head Start providing a pathway out of poverty for families who are ready to pursue employment and educational opportunities. Additionally in California, the primary programs that assist families in poverty are CalWORKS, CalFresh (formerly food stamps) and Medi-Cal. Together these programs provide individuals and families with employment assistance, subsidy for food, medical care, childcare and cash payments to meet basic needs such as housing, nutrition and transportation. Other services are available to assist persons suffering from substance abuse, domestic violence and mental illness.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The institutional delivery system in Irvine is best represented through the collaboration between local government and an outstanding set of nonprofit organizations that carry out a diverse array of human service programs to enrich the lives of residents. These relationships are collaborative—each organization partnering with the next to ensure that all Irvine residents have the support necessary to lead fulfilling lives.

Affordable housing development and preservation activities are carried out by the Housing Division of the Community Development Department in partnership with housing developers and contractors. Guided by the Strategic Plan, public service activities are carried out by nonprofit organizations and City departments to serve low- and moderate-income residents. ESG activities include a full array of services designed not only to identify and address homelessness, but also to ensure that those who are housed can remain housed. The Housing Division works with the Community Services and Public Works departments on city-owned public facilities improvements, and partners with nonprofit organizations receiving capital improvement funds to ensure their projects are delivered on time, within budget, and in compliance with all federal, state, and local regulations.

Through technical assistance and the annual Notice of Funding Availability process last fall, the City continued to develop and expand local institutional structure by strengthening existing partnerships and leveraging the experience of organizations that previously have not participated in locally-administered federal programs to expand the number of program offerings available to residents. As a result of these efforts and the availability of CDBG-CV funds and ESG-CV funds, the City contracted with several new nonprofit partners to help address urgent community needs because of COVID-19. Some of these new partners

include Affordable Housing Clearinghouse, Mercy House, Interval House, Orange County United Way, and the Orange County Asian and Pacific Islander Community Alliance (OCAPICA) all of which continued their outstanding accomplishments during the 2022-2023 Program Year. The City consistently funds a variety of high-quality services that address underserved needs in Irvine.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

To enhance coordination between public and private housing and social service agencies, the City encourages participation from a wide variety of agencies and organizations that deliver housing and supportive services that add value to the lives of low- and moderate-income residents in Irvine.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a) LETS DISCUSS

Activities implemented during the 2022-2023 Program Year followed the recommendations of the Regional Analysis of Impediments to Fair Housing Choice for Orange County that was adopted by the City Council on May 26, 2020 and covers Program Years 2020-2024 (July 1, 2020 – June 30, 2025).

The Regional Analysis of Impediments to Fair Housing Choice for Orange County included the following recommendations specific to the City of Irvine:

- Ensure compliance with the HCD-certified Housing Element
 - The City prepared and submitted its annual Housing Element Compliance Report in accord with State Law.
- Update the Density Bonus Ordinance to comply with current State law
 - The Inclusionary Housing Ordinance incorporates State of California Density Bonus law by reference, including amendments to State Density Bonus law as may occur from time to time.
- Review and amend the Inclusionary Housing Ordinance, as necessary, to increase its effectiveness
 - The City 6th Cycle Housing Element update commits the City to studying the opportunity to increase the percentage of affordable housing required by the Inclusionary Housing Ordinance. A study is currently underway and will be presented to Council during the 2023-2024 Program Year.
- Review and amend the Accessory Dwelling Unit (ADU) Ordinance to comply with State requirements and further increase housing supply
 - The City of Irvine is following State statute regarding accessory dwelling units.

- Create Objective Development Standards for Supportive Housing. These standards would be for new construction of Supportive Housing
 - The City reviewed this recommendation and is considering alternatives to address the supportive housing needs of Irvine residents.
- Work with the City's fair housing services provider, continue to invest in local eviction prevention strategies to reduce the number of homeless individuals and families in Irvine
 - In 2020 and 2021, the City allocated \$243,121 of CDBG and ESG funds to five nonprofit agencies to reduce the number of homeless individuals and families. The City also allocated \$707,846 of CDBG-CV funds to three nonprofit organizations and \$3,084,231 of ESG-CV to eight nonprofit organizations to implement homelessness prevention or rapid re-housing activities during the COVID-19 pandemic. The CDBG-CV and ESG-CV allocations are multi-year awards to prevent, prepare for, or respond to COVID-19.
 - The City is also participating in the Orange County Eviction Diversion Collaborative, an initiative spearheaded by OC United Way that includes over 40 community and governmental organizations looking at models to prevent evictions that could work in Orange County.
- Work with the City's fair housing services provider, continue to invest in landlord and tenant counseling and mediation services, unlawful detainer assistance, housing discrimination services, and homebuyer education and outreach
 - For the 2022-2023 Program Year, the City contracted with the Fair Housing Foundation to provide fair housing education and general housing services to Irvine residents to prevent incidences of housing discrimination. Implementation of the 2020-2024 Fair Housing Plan recommendations during the Program Year was principally undertaken by the Fair Housing Foundation, with the participation of the City of Irvine Housing Division. During the Program Year, Fair Housing Foundation assisted 467 Irvine residents with general housing and fair housing discrimination services and provided fair housing education services throughout Irvine. Outreach included seven informational booths at community events; seven overview presentations to community-based organizations, resident associations, and government agencies; and workshops tailored to specific audiences, including three Certificate Management Trainings, two Landlord Workshops and two Tenant Workshops.

On May 24, 2022, the California Department of Housing and Community Development (HCD) certified the City of Irvine 2021-2029 Housing Element. The 2021-2029 Housing Element included the following proposed programs/activities/actions to affirmatively further fair housing choice:

PP- M.1: Provide Information and Education to Residents on the City’s Website. The City will provide links to Fair Housing Foundation (a nonprofit the City currently contracts with) to provide Irvine residents with information regarding fair housing law, tenant and landlord rights (including information on mediation services); Appendix B, Affirmatively Furthering Fair Housing Analysis, of this Housing Element; and information and resources for the reporting suspected violations and obtaining remedies on the City’s website. Schedule of Action: Within six months of Housing Element certification.

PP-M.2: Cooperation with Community Based Organizations. Compile a list of local organizations and set up an annual meeting or meetings to discuss community housing needs and potential solutions. This will help the City cooperate with community-based organizations that provide services or information about services to any special needs and linguistically isolated groups. Schedule of Action: Compile the list of organizations within six months of Housing Element certification, meet annually with identified organizations starting in fiscal year 2022-23 (meetings will be conducted by June 30 of each year).

PP-M.3: Density Bonus Eligibility. The City will connect developers of projects with affordable density bonus units and local non-profits/community organizations to coordinate efforts and determine if the units could be set aside, where feasible, for special groups including but not limited to Veterans and special need adults. Schedule of Action: Within three months of a density bonus project application.

PP-M.4: Language Access. The City will provide translations or interpretation in all applicable languages is provided to ensure access to programs, services, and materials. The City will conduct an internal audit at a minimum of every other year to evaluate that we are addressing all language needs for the City. However, it is likely that this audit will be conducted either annually or as-needed as the City’s recently established the Diversity, Equity and Inclusion Committee. The City will continue to build upon community partner and community based organization relationships to identify the needs of residents and businesses as they evolve. Additionally, the City will continue to make information available in various languages (Traditional Chinese, Simplified Chinese, Korean, Vietnamese, Japanese, Spanish, Farsi, and Arabic) to ensure residents with Limited English Proficiency have accessible information. Schedule of Action: A minimum of one internal audit every other year.

PP-M.5: Reduce Exposure to Environmental Pollution. The City is in the process and has taken several steps to identify climate impacts, reduce pollutants and greenhouse gas emissions (GHG), and prepare for a climate resilient future by completing the following:

- A Local Hazard Mitigation Plan (adopted by City Council in October 2020 and approved by the Federal Emergency Management Agency (FEMA) on December 17, 2020).
- A Strategic Energy Plan (adopted by City council on November 10, 2020).

- Forming the first Community Choice Energy initiative in Orange County in an effort to give consumers clean energy choices and reduce GHG emissions (completed in 2022).
- The development of a Climate Action and Adaptation Plan (in process) to:
 - Guide the implementation of measurable actions to meet or exceed the State's GHG reduction targets and climate neutrality goal, as well as the City's ambitious carbon neutral by 2030 goals.
 - Recommend adaptation measures that build resilience to current and future climate threats.
 - Emphasize climate goals for the community, establishing an aspirational, yet achievable path that provides options to realize aggressive emissions reduction targets by 2030, 2035, and 2045.
 - Schedule of Action: completed by December 31, 2022
- Continuing to require added greenery throughout the City to reduce exposure to environmental pollution such as vehicle emissions through the City's Zoning Ordinance (Section 3-15-4) that requires boundary landscaping for all residential attached (i.e., multi-family) projects. The requirements dictate that a minimum of one 15-gallon tree shall be provided for every 30 feet of interior boundary on all building sites. Schedule of Action: annually.

Irvine Cool City Challenge, a \$1 million grant competition among California cities to develop the most innovative pathways to carbon neutrality, including the Cool Block program which requires recruiting 200 Cool Block team leaders to improve sustainability and quality of life in their own neighborhoods. This Challenge will reduce climate emissions and utility bills while building resiliency and local emergency preparedness against climate disasters such as extreme heat, floods, wildfires, and extreme storm events. The City has partnered with over 25 community organizations (including the University of California, Irvine for Cool Block Student Leadership and other local schools for Cool Schools) and registered over 200 volunteers who are interested and committed to climate action in Irvine to date. Schedule of Action: The Cool Block Challenge was initiated in January 2022 and will be 2 years in length. There will be a new team established roughly every 4.5-5 months. In year 3 of the Cool City Challenge, the City will present a game plan to the Empowerment Institute. After that, the City will work to implement the carbon neutrality plan.

Additionally, to further efforts to provide adequate parks and open space to all parts of the community, the City will prepare a comprehensive design strategy to include passive urban park setting for every project and include other placemaking strategies.

The City's existing Zoning Ordinance requires that green park space be provided in

connection with new residential development. More specifically, the Ordinance contains park dedication requirements (i.e., land, improvements, fees, or any combination thereof) for all standalone multi-family residential projects. The existing development standards require five acres of park land for every 1,000 population (three acres of neighborhood park and two acres of community park). When new residential development occurs, the park requirements are prorated for the estimated population added. Affordable housing projects have a reduced requirement of three and one-half acres of park land for every 1,000 population (two acres of neighborhood park and one and one-half acres of community park). Park requirements in the Irvine Business Complex are somewhat different due to the urban living environment. These park requirements ensure that as residential development occurs throughout the City, green spaces and trees are planted to help further reduce the City's carbon footprint.

This program, as implemented, will reduce unsustainable energy use, reduce pollutants, improve air quality, reduce extreme heat events and improve the health outcomes of residents, employees and others in the community. Schedule of Action: by December 2024.

PP-M.6: Expand Educational Opportunities. The City will contact h the Irvine Unified School District to inquire about expanding access to enrollment in the district's schools for residents that may not be within the district's boundaries. Schedule of Action: Within six months of Housing Element certification.

PP-M.7: Support for Homeowners. The City will conduct a bi-annual survey of homeowners to obtain input on existing programs and to identify additional ways to support the City's homeowners and their unique needs (data in Chapter 1, Community Profile indicates that homeowners are cost burdened, and the percentage of homeowners is declining due to a lack of affordability). Schedule of Action: at least one survey every two years.

PP-M.8: Support to City's Fair Housing Services Provider. The City shall strengthen its relationship with the local fair housing provider and explore ways to expand services and mutually pursue additional funding resources for that expansion. Schedule of Action: Ongoing with check in meeting one time per year.

The City will report out on actions taken relative to these newly adopted fair housing goals in the next CAPER.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

To ensure that CDBG, CDBG-CV, ESG, ESG-CV and HOME funds are used efficiently and in compliance with applicable regulations, the City provided technical assistance to all subrecipients at the beginning of the Program Year and monitored all subrecipients throughout the Program Year.

Technical Assistance

To enhance compliance with federal program regulations, the City provided a Notice of Funding Availability (NOFA) workshop in November 2021 to review the Consolidated Plan goals, program requirements and available resources with potential applicants. Subsequent to the approval of the Annual Action Plan, a mandatory subrecipient workshop was held in June 2022 to review program regulations in detail, to provide useful forms and resources for documenting compliance and to review the City's compliance procedures and requirements. Additionally, individualized technical assistance was provided on an as-needed basis during the Program Year.

Activity Monitoring

All activities were monitored, beginning with a detailed review upon receipt of an application to determine eligibility, conformance with a National Objective and conformance with an Action Plan goal. This review also examined the proposed use of funds, eligibility of the service area, the intended beneficiaries, and likelihood of compliance with other federal requirements such as the National Environmental Policy Act, the System for Award Management (SAM) debarment list, prevailing wage, Minority and Women Business Enterprise, Section 3 and federal acquisition and relocation regulations, as applicable.

Subrecipients were required to submit an audit and other documentation to establish their capacity, and any findings noted in the audit were reviewed with the applicant. Eligible applications were then considered for funding. The Housing Division staff reviewed quarterly performance reports and invoices throughout the year as part of desk monitoring. Now that COVID-19 pandemic restrictions have ended (desk monitoring conducted during pandemic), the City resumed full monitoring of its CDBG public service activities, CDBG-CV, ESG, and ESG-CV activities, subrecipient monitoring were conducted remotely during the 2022-2023 Program Year. These reviews will include both a fiscal and programmatic review of the subrecipient's activities. The reviews will determine if each subrecipient complied with the program regulations and City contract. Areas of review will include overall administration, financial systems, appropriateness of program expenditures, program delivery, client

eligibility determination and documentation, reporting systems, and achievement toward achieving contractual goals. Following the monitoring visit, a written report will be provided delineating the results of the review and any findings of non-compliance and the required corrective action. Subrecipients will be given 30 days to provide the City with corrective actions taken to address any noted findings. For CDBG capital projects, monitoring will also include compliance with Regulatory Agreement requirements.

For HOME funded activities, annual monitoring is conducted on renter occupied units to ensure that household income, rents and utility allowances complied with applicable limits pursuant to the affordability covenant. For ownership units, annual monitoring of occupancy is conducted throughout the affordability period.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

In accordance with the City's adopted Citizen Participation Plan, a public notice was published in the *Irvine World News* on August 24, 2023, notifying the public of the availability of the Consolidated Annual Performance and Evaluation Report for a 15-day public review and comment period. A copy of the public notice is included in Appendix A.

The CAPER was available from August 28, 2023 to September 12, 2023 on the City's website. Physical copies were also available at City Hall in the Community Development Department, First Floor lobby. Residents were encouraged to review the CAPER and provide any written comments by mail to Stephanie Takigawa, Senior Housing Analyst, or via email to Stakigawa@cityofirvine.org. A summary of any written comments received during the public review and comment period are included in the CAPER submission to HUD as Appendix B.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The 2022-2023 Program Year was the third year of the 2020-2024 Consolidated Plan. The City made progress toward its five-year and one-year goals for this reporting period and did not change its program objectives or the projects and activities that utilized CDBG funds.

CDBG and CDBG-CV funded activities contributed significantly to the City's progress toward meeting the high priority needs identified in the Consolidated Plan. As shown in Table 1 on page 2 of this document, CDBG funds are contributing to all five Strategic Plan goals including Affordable Housing, Affordable Housing Preservation, Public Services, Homelessness Services, and Public Facilities Improvements.

The City's residents continue to face challenges during the COVID-19 pandemic including job loss, food insecurity, housing insecurity, and disruption to normal in-person public services. City staff adapted to a 50 percent remote work environment and will be transitioning back to the office 100 percent to continue delivering high quality services to residents throughout the duration of the work week. Nonprofit subrecipients and City Departments altered their program delivery models to promote social distancing while continuing to provide essential services to low- and moderate-income residents. There were a few activities that were not able to convert to a socially distanced delivery model, such as housing rehabilitation activities, the energy efficiency program, the after-school classroom enrichment activity, and nearly all of the capital improvement projects that would require construction workers in close proximity to one another. As a result, of the Public Facilities and Improvements activities listed in Figures 1 and 2 earlier in this report the remaining eight projects are just getting started as they were funded as part of the 2022-2023 or a prior year Action Plan. The City has plans in place with each implementing agency to ensure these projects are completed during the 2023-2024 Program Year.

The continued focus on spending down the City's \$6,412,980 of CDBG-CV and ESG-CV funds fueled a significant increase in the City's capacity to address the challenges our residents faced. HUD's decision to more than triple the size of Irvine's HUD entitlement grant programs allowed the Housing Division to continue to develop and further enhance its additional systems it created last year and integrate new partners and processes into their service delivery model to better address the needs of low- and moderate-income residents.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Maintaining HOME-assisted affordable housing is a high priority. The Housing Division conducts physical inspections of HOME-assisted properties currently in their affordability period as required to determine compliance with the housing codes and other applicable regulations. When any deficiencies exist, the property owner and property management will be notified to make repairs and Housing Division staff followed up to ensure completion of the required repairs. The following HOME-assisted projects are subject to this requirement:

- Alegre Apartments – 104 units
- Doria Apartments Phase I – 60 units
- Montecito Vista – 162 units
- Parc Derian – 80 units
- Salerno Apartments – 80 units
- The Arbor at Woodbury – 90 units
- Villa Hermosa (formerly called AbilityFirst) – 24 units
- Windrow Apartments – 96 units

All eleven HOME projects have been inspected. The City maintains its records of its detailed inspected findings, among the type of issues found in the eight inspected projects include but are not limited to:

- When the sink is turned on water leaks out of the faucet handle
- The surface light on the microwave does not work.
- One of the ceiling light bulbs in the kitchen is out.
- The microwave needs to be replaced.
- The surface light on the microwave does not work.

For each unit with a finding, the property manager is to provide a work order and a photo of the corrections to clear each finding.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

Each of the HOME-assisted properties with more than five units maintains an Affirmative Fair Housing Marketing Plan. During annual monitoring, the annual Affirmative Fair Housing Marketing Report and waitlist are reviewed to ensure compliance with HUD requirements to affirmatively further fair housing choice.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

The City receipted \$195,805.42 of HOME program income during the Program Year from Residential Rehabilitation Program loan payoffs and affordable housing residual receipts notes. HOME program income in the amount of \$51,545 was drawn against IDIS activities 742, and 743. Activity 742 is a HOME Residential Rehabilitation Program project occupied by a low-income homeowner. Activity 743 is a HOME Residential Rehabilitation project occupied by a moderate-income homeowner.

Describe other actions taken to foster and maintain affordable housing. 91.220(k)

As of June 2023, Irvine has more affordable housing than any other city in Orange County with 4,569 units and 1,000 more underway. Some of these opportunities were assisted with HUD funds. Most of these opportunities are as a result of Irvine's inclusionary housing ordinance that requires housing developers to either set aside affordable units in each new housing development or pay in lieu fees so that those affordable units may be constructed as part of future developments.

Over 80 percent of Irvine's affordable housing is reserved for households earning less than half of the Orange County median income. Some of these units are reserved for veterans, seniors, or persons with disabilities. For additional information about Irvine's substantial portfolio of affordable housing units and for information about other resources available through our nonprofit partners, please visit the City's affordable housing website at: <https://www.cityofirvine.org/affordable-housing>.

CR-60 - ESG 91.520(g) Supplement to the CAPER in e-snaps

APPENDIX A

Public Notice

2022-2023
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT
JULY 1, 2022 THROUGH JUNE 30, 2023

AFFIDAVIT OF PUBLICATION

STATE OF CALIFORNIA,)
) ss.
County of Orange)

I am a citizen of the United States and a resident of the County aforesaid; I am over the age of eighteen years, and not a party to or interested in the above entitled matter. I am the principal clerk of the **Irvine World News**, a newspaper that has been adjudged to be a newspaper of general circulation by the Superior Court of the County of Orange, State of California, on August 23, 1990, Case No. A-154653 in and for the City of Irvine, County of Orange, State of California; that the notice, of which the annexed is a true printed copy, has been published in each regular and entire issue of said newspaper and not in any supplement thereof on the following dates, to wit:

August 24, 2023

"I certify (or declare) under the penalty of perjury under the laws of the State of California that the foregoing is true and correct":

Executed at Santa Ana, Orange County, California on

Date: August 24, 2023

Signature:

PROOF OF PUBLICATION

NOTICE OF PUBLIC REVIEW AND COMMENT PERIOD DRAFT 2022-2023 CONSOLIDATED ANNUAL PERFORMANCE & EVALUATION REPORT (CAPER)

PROJECT DESCRIPTION:

NOTICE IS HEREBY GIVEN that the City of Irvine has prepared its draft Consolidated Annual Performance and Evaluation Report (CAPER) for Program Year 2022-23. The publication of this notice is the beginning of the 15-day public review period required under Federal Regulations at 24 CFR 91. The public review and written comment period begins August 28, 2023 and runs through September 12, 2023. The CAPER provides an assessment of the City's performance in meeting housing and community development goals as outlined in the previously adopted Program Year 2022-2023 Action Plan. Additionally, the CAPER discusses any potential changes the City may anticipate making in the upcoming year as a result of the assessment.

INFORMATION AVAILABLE:

The City of Irvine encourages citizen participation in the Community Development Block Grant, Emergency Solutions Grant, and HOME Investment Partnerships Program grant management process. Written comments may be forwarded to the Community Development Department - Housing Division via email at SLakeadw@cityofirvine.org or by U.S. Mail to the address below. Written comments must be received no later than 5 p.m. on September 12, 2023.

A copy of the 2022-23 CAPER will be available for public review and comment from August 28, 2023, to September 12, 2023, online at cityofirvine.org/caper and at the following location:

City of Irvine
Community Development Department - Housing Division
One Civic Center Plaza, Irvine, CA 92606

CITIZEN INVOLVEMENT:

Do you have any comments? Questions? Concerns? You are encouraged to submit written comments to the Community Development Department - Housing Division via e-mail at SLakeadw@cityofirvine.org or by phone at 949-724-7456, by **September 12, 2023, at 5 p.m.**

LANGUAGE ACCESS: Language Access Pursuant to Executive Order 13160

Date of Birth (3.03)	0	0	0	0	0.00%
Race (3.04)	0	0		0	0.00%
Ethnicity (3.05)	0	0		0	0.00%
Gender (3.06)	0	0		0	0.00%
Overall Score				0	0.00%

Q6b. Data Quality: Universal Data Elements

Program Applicability: All Projects

Data Element	Error Count	% of Error Rate
--------------	-------------	-----------------

Veteran Status (3.07)	0	0.00%
Project Start Date (3.10)	0	0.00%
Relationship to Head of Household (3.15)	0	0.00%
Client Location (3.16)	0	0.00%
Disabling Condition (3.08)	0	0.00%

Q6c. Data Quality: Income and Housing Data Quality

Program Applicability: All Projects

Data Element	Error Count	% of Error Rate
Destination (3.12)	0	0.00%
Income and Sources (4.02) at Start	0	0.00%
Income and Sources (4.02) at Annual Assessment	0	0.00%
Income and Sources (4.02) at Exit	0	0.00%

Q6d. Data Quality: Chronic Homelessness

Program Applicability: ES, SH, Street Outreach, TH & PH(All)

Entering into project type	Count of total records	Missing time in institution (3.917.2)	Missing time in housing (3.917.2)	Approximate Date started (3.9.17.3) Missing	Number of times (3.9.17.4) DK/R/missing	Number of months (3.9.17.5) DK/R/missing	% of records unable to calculate
ES, SH, Street Outreach	0			0	0	0	0.00%
TH	0	0	0	0	0	0	0.00%
PH (all)	0	0	0	0	0	0	0.00%
Total	0						0.00%

Q6e. Data Quality: Timeliness

Program Applicability: All Projects

Time for Record Entry	Number of Project Start Records	Number of Project Exit Records
0 days	15	6
1-3 days	11	0
4-6 days	0	4
7-10 days	0	2
11+ days	0	2

Q6f. Data Quality: Inactive Records: Street Outreach and Emergency Shelter

Program Applicability: Street Outreach & ES-Night By Night

Data Element	# of Records	# of Inactive Records	% of Inactive Records
Contact (Adults and Heads of Household in Street Outreach or ES-NbN)	0	0	0.00%
Bed Night (All clients in ES-NbN)	0	0	0.00%

Q7a. Number of Persons Served

Program Applicability: All Projects

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
Adults	11	0	11		0
Children	15		15	0	0
Client Doesn't Know/ Client Refused	0	0	0	0	0
Data Not Collected	0	0	0	0	0
Total	26	0	26	0	0
For PSH & RRH the total persons served who moved into housing	0	0	0	0	0

Q7b: Point-in-Time Count of Persons on the Last Wednesday

Program Applicability: All Projects

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
January	0	0	0	0	0
April	0	0	0	0	0
July	0	0	0	0	0
October	0	0	0	0	0

Q8a. Households Served

Program Applicability: All Projects

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
Total Households	6	0	6	0	0
For PSH & RRH the total households served who moved into housing	0	0	0	0	0

Q8b. Point-in-Time Count of Households on the Last Wednesday

Program Applicability: All Projects

	Total	Without Children	With Children and Adults	With Only Children	Unknown Household Type
January	0	0	0	0	0
April	0	0	0	0	0
July	0	0	0	0	0
October	0	0	0	0	0

Q9a. Number of Persons Contacted

Program Applicability: ES Night By Night - Street Outreach

Number of Persons Contacted	All Persons Contacted	First contact - NOT staying on the Streets, ES, or SH	First contact - WAS staying on Streets, ES, or SH	First contact - Worker unable to determine
Once	0	0	0	0
2-5 Times	0	0	0	0
6-9 Times	0	0	0	0
10+ Times	0	0	0	0
Total Persons Contacted	0	0	0	0

Q9b. Number of Persons Engaged

Program Applicability: ES Night By Night - Street Outreach

Number of Persons Engaged	All Persons Contacted	First contact - NOT staying on the Streets, ES, or SH	First contact - WAS staying on Streets, ES, or SH	First contact - Worker unable to determine
Once	0	0	0	0
2-5 Contacts	0	0	0	0
6-9 Contacts	0	0	0	0
10+ Contacts	0	0	0	0
Total Persons Engaged	0	0	0	0
Rate of Engagement	0.00%	0.00%	0.00%	0.00%

Q10a. Gender of Adults

Program Applicability: All Projects

	Total	Without Children	With Children and Adults	Unknown Household Type
Male	4	0	4	0
Female	7	0	7	0
No Single Gender	0	0	0	0
Questioning	0	0	0	0
Transgender	0	0	0	0
