# SUGGEST A PURCHASE

Interested in a title that is not in our collection? Help us build a collection that reflects our community's interests by submitting your suggestion below. We consider titles that are currently published, of general interest to the community, and have positive or popular reviews. For more information about how our library selects materials, please see our [Collection Development Policy](#).

We will make every effort to fulfill your request, but purchases are not guaranteed. If we can fulfill your request, the item will be placed on hold for you, and you will be notified when it is ready for pick-up. We will also notify you if we are unable to fulfill your request.

The library offers Interlibrary Loans for materials we do not own and are not able to add to our collection. Please visit the library for more information.
