Bullying Prevention

Bullying is not just teasing, it is a form of aggression that is intended to repeatedly cause harm. Traditional and cyber bullying, a new concern for parents, will be discussed. Join Irvine Police Department Crime Prevention Officers for a bullying presentation. Learn new tools to understand and better cope with the effects of bullying. This information will encourage better communication between you and your child to help ensure their safety in the community. This presentation is designed for parents and guardians, please no children.
